

# Doodle Entry Form

## How to Create Doodle Entries

1. Please make sure to register your school at [www.google.com/doodle4google](http://www.google.com/doodle4google) (the deadline is **March 17, 2009 at 11:59:59 PM Pacific time**).
2. Before your students start doodling, please ask each student's parent or guardian to complete a Consent Form (also found at the above URL). Only students whose parent or guardian has consented should participate in this contest.
3. Download the Google logo template from our Necessary Forms section on the Info for Schools page and print a logo on a white, landscape sheet of 8.5 x 11 inch paper for each participating student.
4. Start those kids doodling! Note: doodles can be created with colored pencils, crayons, markers, paint, or using computer drawing or design software (unfortunately we can't accept entries which use additional materials to create 3D effects).
5. Make sure the Google logo remains clearly visible and recognizable in the doodles you submit, as the winning doodle will be displayed on Google's U.S. homepage.
6. Have your students write:
  - A title for their doodle
  - A supporting statement of up to 50 words explaining their "What I Wish for the World" vision.
7. Have fun!

## How to Submit Doodle Entries

3. Staple a signed and completed Consent Form and a completed Entry Form to each of the doodles you wish to submit.
4. Write the appropriate region number at the top of your mailing envelope (below your school's name in the return address) and in the appropriate place on the form below (you'll find a list of regions is provided in the sidebar at the right of this form).
