

Enjoy the gift of Google

Dear _____

This holiday season, I would like to bestow upon you the gift of Google. I hope and believe that downloading these free Google software products and installing them on your computer will make you more efficient at work, adept at play, happier online and off, and in general a better human being in all possible ways.

Love Always, _____

*This certificate hereby entitles Bearer to
ONE (1) FREE download
of each of these very cool Google products:
(Yes, they were always free. It's the thought that counts)*

- **Google Desktop Search** – search your own computer
- **Google Toolbar** – add a search box to your browser
- **Google Deskbar** – search from any application
- **Picasa Photo Organizer** – find and share digital photos
