Announcing Google Code Jam Africa!

Who: African university students and their favorite coding languages.

What: An opportunity to match wits with fellow African programmers and practice for Global Code Jam 2010 (coming soon)!

When: Register now to participate in Round 1 on March 15th! Winners will proceed to Round 2 on March 22nd.

Where: <http://code.google.com/codejam/africa/>

Why: You could win a t-shirt or Google prize pack! Interested in Google internships? Outstanding performance may be considered if you apply for an internship at our Zurich, Switzerland Engineering Headquarters.
