ASK ABOUT PROGRAMMING OPTIONS IN 35mm, 16mm, laser disc, DVD and video ORDERING INFORMATION

RENTAL RATES: RENTAL RATES are available from our PROGRAMMERS and vary depending upon a number of conditions such as title, audience, and attendance. The RENTAL RATE is for one showing, in one location, on one date. If an admission fee is charged, then the rental fee is a minimum guarantee versus a percentage of your box office receipts. Box Office reports must be submitted to CRITERION PICTURES within 7 days after the playdate.

PAYMENT: It is understood that terms of sale are certified prepayment or valid purchase order from educational organizations or companies until such time as credit has been established. Payment is due upon receipt of invoice. Interest applies to all billings not paid within 30 days after playdate.

TRANSPORTATION: Transportation (both directions) and handling charges are to be paid by the customer and are in addition to the quoted rental rates.

RETURN OF PRINTS: Films must be returned no later than the day following the scheduled showing. They are to be returned, insured, via the same courier unless instructed otherwise. The customer is subject to a late fee of \$25.00 per day for overdue films.

DAMAGE TO PRINTS: CRITERION has taken every care to ensure that the film you receive is in good condition. Each film is examined before and after every playdate. The customer is responsible for any damage and will be billed for the cost of the repair or replacement of the print.

CANCELLATION OF FILMS: A film booking may be cancelled without obligation provided that Criterion Pictures received notification at least 7 working days before the film is to be shipped. A \$50.00 cancellation fee applies to orders cancelled within the 7 days prior to shipping. Once a film has been shipped, the full rental and handling charges must be paid.

NO PREVIEWS: Our producers prohibit the preview of feature films. If the film has been run through a projector prior to return, the invoice rental and handling charges must be paid.

VIDEOCASSETTES: Many of the features in this catalogue are also available in video, DVD and laser disc formats. To legally screen a videocassette or laser disc of a feature in a non-theatrical setting, a PUBLIC PERFORMANCE LICENSE is required. Please ask your Criterion Programmer for further details.

COPYRIGHT POLICY: The films described in this catalogue are protected by Canadian copyright and all rights thereunder are reserved by the copyright owner. The features may not be transmitted by television, copied, recast, transformed or adapted in any manner, without the express written permission of the copyright owner.
