### Intelligence Defined.

Intelligent students know that grades are only as real as understanding. An intelligent college makes sure its students understand what they're learning—so they graduate with more than a piece of paper.

Intelligent students realize the rewards of collaboration and mentoring. An intelligent college draws faculty and students together in research, conversation, and meaningful dialogue.

Intelligent students understand how valuable every hour outside of class can be. An intelligent college provides a stimulating campus environment, an out-of-class atmosphere where learning remains central.

Intelligent students want to be ready for the future—whatever it may bring. An intelligent college prepares students to be lifelong learners, teaching them transferable skills and durable career strategies.

Looking for an intelligent college? Look at The College of New Jersey.

### Character

The College of New Jersey is a highly selective public residential college focusing on the undergraduate experience. Through its seven schools—Art, Media, and Music; Business;

Culture and Society; Education; Engineering; Nursing; and Science—the College offers more than 50 liberal arts and professional programs. The College of New Jersey has been named the No. 1 public master's university in the North by U.S. News & World Report.

### History

Founded in 1855 as the New Jersey State Normal School, the College went through five incarnations before emerging as The College of New Jersey in 1996. From its roots as a teacher training school, the College has continually raised its standards and expanded its scope, becoming one of the most competitive schools of its kind in the nation.

### Location

Situated on 289 tree-lined acres in suburban Ewing, New Jersey, the College is approximately five miles from Trenton, the state capital; 10 miles from downtown Princeton; and one hour from both Philadelphia and New York. The College of New Jersey ranks No. 1 in the nation among master's universities for highest freshman retention rate, with 94 percent of freshmen returning for their sophomore year.

### Students/Faculty

The College has about 5,600 full-time and 330 part-time undergraduates and 335 full-time faculty members. The student-faculty ratio is 13:1.

# The College of New Jersey

### Facilities

The College's Georgian Colonial architecture and well-maintained grounds combine with the latest technology to provide an ideal atmosphere for learning. Millions of dollars in recently constructed campus facilities provide new research and study opportunities. Additional development in the planning stages includes the construction of a new \$25 million library.

The College of New Jersey is one of only two Division III colleges to rank in NACDA Directors' Cup competition as one of the three best athletic programs in the nation in each of the past seven years.

### Housing

Ninety-five percent of freshmen are housed on campus. Two years of housing are guaranteed for all new, full-time first-year students.

Fourteen residence halls provide a variety of living experiences for all students, including upperclassmen.

### Activities

More than 150 student clubs and organizations are active on campus, ranging from performing groups to honor societies, from student publications to student government.

### Admission

Of students who applied to the College in 2002, about 48 percent were offered admission. The average combined SAT score for all general admitted entering freshmen for the 2002-03 academic year was over 1290. Ninety-five percent of the freshmen class ranked in the top fifth of their high school class. U.S. News & World Report ranks The College of New Jersey No. 1 among public colleges in the nation for highest middle 50 percent of SAT scores. In addition, the College ranks No. 1 in the North for admissions selectivity among both public and private institutions.

### Financial Assistance

Need-based federal grants, loans, and work-study are available, as well as New Jersey state grants. All students who apply to the College for first-year nontransfer enrollment are automatically considered for merit scholarships. Students are notified of merit awards in conjunction with offers of admission. Kiplinger's ranks The College of New Jersey among the top 20 public college values in the nation.

# TCNJ Head Football Coach

**Eric Hamilton** Trenton State College '75

The most successful head football coach in school history, Eric Hamilton is now in his 27<sup>th</sup> season as the head coach for The College of New Jersey Lions as the 2003 opens. The coach of seven New Jersey Athletic Conference (NJAC) championship teams, Hamilton is in his third decade in the league, making him the senior member of the NJAC at age 50, which he will reach on September 19, 2003.

Five times he has directed the Lions to postseason appearances in both the ECAC and the NCAA Division

III Tournament. In 1990 the Lions advanced to the NCAA Division III Quarterfinals, while in 1995 the team captured their first-ever ECAC Championship crown. The 1996 season saw the Lions earn the program's second NCAA Tournament bid, advancing once again to the Quarterfinals. The following season the Lions returned to the NCAA Tournament and once again advanced to the Quarterfinals. In 1998, the squad earned the program's fourth NCAA Tournament appearance as well as their fourth straight postseason appearance, which commenced with a bid to the 1995 ECAC Championships. Hamilton continues to turn out quality teams and is a frequent participant at both athletic and educational clinics geared toward young student-athletes.

In 1977, then Trenton State College made perhaps its most daring coaching assignment ever in the selection of 23-year old Hamilton, who had starred for the Lions between 1971-74. At the time, he was the youngest collegiate head coach in the country.

Not only has Hamilton established stability in a program that had gone through four head coaches in five years between 1972-1976, but he has also established a winning tradition. From 1978 through 1983, Trenton State enjoyed six consecutive winning seasons, the longest success streak of its kind in the 79 years that the intercollegiate program has been alive. In the highly-competitive NJAC, Hamilton's teams have put together a 96-46-4 record, highlighted by league championships in 1980 (the first in TSC history), 1983 (shared with Montclair State and Glassboro State), 1988, 1990, 1994 (shared with Kean), 1996 and 1998.

After 26 seasons, his career winning percentage is .621, the highest of any TCNJ coach with more than five years of duty. His accomplishments have not gone unnoticed, as he has twice been selected Coach of the Year by the New Jersey College Football Writers Association (1980 & '81) and as NJAC Coach of the Year by the conference coaches in 1983, 1990, 1994, 1996 and 1998.

To date, Hamilton has produced 19 All-American performers (two Kodak All-American, nine Associated Press All-Americans, one AFCA, and seven Football Gazette), 60 Eastern College Athletic Conference (ECAC) All-Star selections, and 117 All-NJAC first team performers.

Active in the local community, Hamilton was honored in 1986 by the Delaware Valley Chapter of the National Football Foundation and Hall of Fame. The 1975 TSC graduate was cited as the organization's 1986 recipient of its Contribution to Amateur Football Award. Specifically, the Bordentown, NJ native was honored for his efforts in organizing and promoting the Mercer County area's 12<sup>th</sup> man Touchdown Club, which honors outstanding high school athletes each week during the regular season. Named the President of the Delaware Valley Chapter of the National Football Foundation and College Hall of Fame in 1995, Hamilton also serves as the chair of the NJAC Football Coaches Committee and will represent the NJAC on the Division III Football Council. In 1995, he was inducted into TSC's Athletic Hall of Fame for his accomplishments as an All-American center with the Lion football team.

In December of 2002, Hamilton was named the recipient of the National Football Foundations Chapter Leadership Award for the Eastern Region and was recognized by the organization for his contributions to the sport. He has devotedly served the game of football in the Delaware Valley and in particular for almost three decades. He has served as president of the highly successful Delaware Valley Chapter since 1995. In the 40-year history of the chapter, they have awarded over a quarter of a million dollars in scholarships to local scholar-athletes and continue to operate as one of the most productive chapters in the country. The \$39,000 awarded annually is the most by any NFF&CHF chapter in the country.

Also a 1974-75 NFF and Hall of Fame Scholar-Athlete, Hamilton is a 1971 graduate of Bordentown Regional High School, where he earned all-area and all-league honors as an offensive center, in addition to participating in track and field. While at TSC, Hamilton earned all-conference awards three times and All-ECAC citations as a junior and senior. As team captain in 1974, he capped his playing career with an All-America berth (Kodak, Associated Press, United Press International). In 1975, Hamilton graduated from TSC with a bachelor of science degree in industrial arts. The following fall, he joined coach Carmen Piccone's Lion football staff as a graduate assistant. He moved up to assistant coach in 1976.

Hamilton, who has earned a master of education degree (M.Ed.) in student personnel services, is also assistant director for athletic development and alumni relations. Hamilton is a member of the American Football Coaches Association, as well as the New Jersey Football Coaches Association and the New Jersey Scholastic Coaches Association. In the spring of 2001, he was elected to serve a second term three-year on the Hamilton Township, (NJ) School District Board of Education.

He and his wife Kathleen have five children, sons Matthew, age 24, Jeffrey, age 21, daughter Kaitlin, age 18, and sons Ryan Douglas, age 13, and Colin Reid, who is now 11.

**\*Don't forget Sunday, February 15, 2004—Hall of Fame Luncheon\*  
Trenton Marriott, Trenton, NJ.**

High achievement and scholarship in the classroom have been mirrored by the success of The College of New Jersey student-athletes. Since the 1978-79 Lion wrestling team captured the college's first National Collegiate Athletic Association (NCAA) team championship, TCNJ has established itself as one of the nation's most successful Division III (non-athletic scholarship) programs.

Since 1979, The College of New Jersey has amassed a total of 36 Division III crowns in six different sports. In addition, TCNJ has posted 29 runner-up awards, giving The College an aggregate of 65 first and second place finishes. That figure is top among the nation's 424 Division III colleges and universities during the past 23 years.

Division III, which comprises more institutions of higher learning than either of the other NCAA membership divisions (I and II), represents student-athletes in, perhaps, their truest form. TCNJ student-athletes meet the same admission and academic standards as other students, and equally important, contribute to the diversity and well-roundedness of the college community.

The College of New Jersey offers 21 sports—11 for men and 10 for women. Lion teams have earned NCAA Division III team championships in wrestling (five), field hockey (nine), women's lacrosse (11), softball (six), women's tennis (one), women's soccer (three), and men's soccer (one). Other sports include football, men's and women's cross country, men's and women's basketball, men's and women's swimming, baseball, men's golf, men's tennis, men's and women's track and field, and men's and women's indoor track.

A highly qualified and successful coaching staff, committed to the development of TCNJ student-athletes, has produced an extensive list of high-achievers who have won All-American and all-conference honors. To date TCNJ has produced 40 CoSIDA Academic All-Americans, including the 1996 Fall-Winter Academic All-American of the Year.

Also during the 2002-2003 academic year, the Lions competed in 12 different NCAA Division III championships, while finishing third in women's lacrosse and field hockey, while the men's cross indoor track and field team finished in fifth place. The wrestling team finished in seventh place, while the men's cross country squad finished in ninth place and the women's cross country team took 11<sup>th</sup> place. TCNJ's men's and women's swimming teams recorded eighth and 12<sup>th</sup> place showings on the year, while the men's indoor track team collected fifth place and the women's team took 36<sup>th</sup> place at the same tournament. TCNJ's outdoor track and field teams were paced by the women's 11<sup>th</sup> place showing, while the men's outdoor track team took 17<sup>th</sup> place. The Lions also had two athletes capture individual national championships as well.

All told, TCNJ had 44 student-athletes combine to earn 78 All-America citations over the course of the 2002-2003 academic year, while two others were cited as CoSIDA Academic All-Americans.

Over the past eight years, TCNJ has finished in top four in each of the NACDA Directors' Cup races. In 1995-96, TCNJ took fourth place and finished in second place in 1996-97. The Lions finished in second place again in 1997-98, and have third place the past five years, spanning from 1999 to 2003.

As impressive as the overall record is, The College's accomplishments as a leader in women's sports is ever greater. Since NCAA championships were initiated for women in 1981, only TCNJ has won as many as 29 Division III team championships. The total does not include the Lion's lacrosse championship in 1981 or the softball championships in 1980 and 1981, which were sponsored by the AIAW (Association for Intercollegiate Athletics for Women) prior to women's sports inclusion in the NCAA. In the fall of 1999, TCNJ's women's athletic program was voted as the Top Division III institution for female student-athletes by Sports Illustrated for Women and was chosen second best in the fall of 2000.

TCNJ's athletic and recreational facilities support a highly successful intramural program and are among the finest found at Division III colleges and universities in the northeast. In the past decade, additions have included a 25-meter swimming and diving facility, a lighted AstroTurf playing field, an NCAA-approved track, and eight lighted outdoor tennis courts. The spring of 1998 also saw the addition of the Physical Enhancement Center and renovations to Packer Hall that includes a new athletic training facility, new locker room facilities as well as a weight training facility for varsity student-athletes.

In addition to regular season competition, TCNJ has been the site of NCAA championships in wrestling, softball, men's soccer, field hockey, women's tennis, and women's lacrosse, as well as a number of regional championship contests. In the past four years, TCNJ has hosted the 1999 NCAA Division III Wrestling Championships, the 1999 NCAA Division III Women's Tennis Championships as well as the 1999 NCAA Division III Field Hockey Championship. In May of 2000, TCNJ served again as the host site for the National Collegiate and NCAA Division III Women's Lacrosse Championships. TCNJ also hosted the 2002 NCAA Division III Atlantic Regional Men's and Women's Cross Country Championships.

##### Series History:

Tonight's match-up is the first in the series history between these two teams.

#### The Coaches

##### TCNJ'S Eric Hamilton

The most successful head football coach in school history, Eric Hamilton is now in his 27th season as the head coach for his alma mater. The coach of seven NJAC championship teams, he is now in his third decade in the league. Five times cited as the NJAC Coach of the Year, he has also guided the Lions to five postseason appearances as well.

He entered the 2003 season with an overall win-loss-tie record of 156-96-6. His 156 wins ranks seventh all-time in Division III amongst active Division III coaches. Entering tonight's contest, Hamilton now has a career record of 158-96-6.

##### Hamilton vs. 2003 Opponents

Opponent	Won	Lost	Tied
vs. Norwich University	2	0	0
vs. SUNY Cortland	5	2	0
vs. LaSalle University	0	0	0
vs. Southern Virginia University	0	0	0
vs. Rowan University	9	20	0
vs. William Paterson University	21	4	1
vs. George Mason University	0	0	0
vs. Montclair State University	9	16	1
vs. SUNY Brockport	2	4	0
vs. Kean University	22	3	1

His accomplishments have not gone unnoticed, as he has twice been selected Coach of the Year by the New Jersey College Football Writers Association (1980 & '81) and as NJAC Coach of the Year by the conference coaches in 1983, 1990, 1994, 1996 and 1998. To date, Hamilton has produced 19 All-American performers, 60 Eastern College Athletic Conference (ECAC) All-Star selections, and 117 All-NJAC first team performers.

##### LaSalles's Archie Stalcup

A 1965 graduate of Rowan University, Archie Stalcup is in his second season as the head coach of LaSalle. Now in his seventh season as a member of the Explorers' coaching staff, Stalcup was instrumental in helping former head coach, Bill Manlove re-start a program that had been defunct since 1941.

Before arriving at LaSalle, he was the linebackers' coach and defensive coordinator for Rowan University for five years. Now in his 38th season as a football coach, Stalcup is a former starting center for the Rowan Profs and played under Rowan's Hall of Fame coach, Richard Wacker.

#### Lion Extra Points

- After last week's 21-14 home win over SUNY Cortland, the Lions have now combined to go 16-3-1 on opening day in Lions' Stadium. The Lions have now won four games in a row on their opening day.
- TCNJ currently ranks second in the NJAC in both scoring offense (24.5 ppg) and scoring defense (15.5 ppg).
- As a team, the Lions also lead the league in kickoff returns (30.8), rushing offense (171.5 ypg), and first downs (38), while standing in second in rushing defense (113.0 ypg), total offense (340.0), pass efficiency (117.2) and sacks by (6).
- Individually, **John Hedgepeth** leads the league in rushing with his 100.0 yards per game and all-purpose yards (121.5 ypg).
- In total offense, **Bob Schurtz** is fourth in the NJAC with a 165.0 ypg average, while **Hedgepeth** is fifth (100.0 ypg).
- **Schurtz** is also ranked second in the conference in pass efficiency with a 117.2 rating.
- **Joe Bergondo** leads the league in kickoff returns with a 24.0 yards per return average, while ranking second in punt returns with a 7.1 yards per return average.
- In terms of scoring, both **Steve Andrews** and **Jon Hedgepeth** now have 18 points on the year, and are second in the conference in points per game (9.0).
- Sophomore kicker **Blake Abbot** leads the NJAC with his 7-7 effort in PAT's and is the co-scoring leader with 3.5 ppg.
- Defensively, the Lions' **Michael Sykes** leads the NJAC with his four sacks (-26 yards), while also ranking first in tackles for a loss, six for -36 yards.
- **Jason Julio** tops the NJAC statistics as well in fumble recoveries with a pair.

### Mark Your Calendar

#### October 11, 2003 Community Fest 2003

On Saturday, October 11, TCNJ in combined effort with Ewing Township will hold its annual Community Fest. The activity is designed to promote family and community involvement. There will be a wide variety of activities that day. In addition, to vendors, crafters, and rides, there will also be a number of main stage performers. The list includes the Tone Rangers, the BStreet Band, the Tropical Steel Band, the Paul Plumeri Band and the Ivan Taub Overdrive Orchestra. The event is **FREE and OPEN TO THE PUBLIC.**

The rain date for Community Fest is October 12. For more information, call the Community Fest Hotline at 609-771-3262.

#### October 12, 2003 TCNJ To Sponsor A Charity Run/Walk

The College of New Jersey's Athletic Department will be sponsoring a Charity 5K Walk-Run on October 12, 2003. All proceeds raised from the event will be donated to the Trenton Area Soup Kitchen (TASK).

On October 14, 2001, TCNJ's Athletic Teams sponsored a 5K Walk-Run to help aid in the raising of funds for the Disaster Relief Effort after the events that rocked the nation on September 11. On that day, TCNJ's Department of Athletics sponsored the event, which was open to the public and saw nearly 500 people run or walk the 3.1 mile course around the campus. All of the varsity athletes from TCNJ's 21 teams were on hand in uniform to do the run-walk and collected sponsors for the event. Over \$13,000 was raised to lend financial assistance to the families of the victims of the World Trade Center Attack and Pentagon attacks.

With such an initial success, TCNJ's Athletic Department has made the concept of a Charity Run/Walk an annual event. Last year, TCNJ donated money to the American Heart Association in memory of Caleb Bohman (Sussex, NJ), who tragically passed away from a heart ailment on January 6, 2002.

The proceeds will benefit TASK, which has been receiving volunteer support from TCNJ's varsity athletes for the past two years. On the third Wednesday of every month, TCNJ's athletic teams take turns assisting with the TASK dinner meal and have served between 5,000-6,000 meals to date. "Our teams have established a special relationship with the Trenton Areas Soup Kitchen and both our student-athletes and the facility have really benefited from their involvement," noted athletic director Kevin McHugh. McHugh added, "The 5K run-walk offers a great opportunity to now contribute financially to a very worthy cause and to one which we have intimate experience with."

For more information on the project, please contact the athletic department at The College of New Jersey at 609-771-2230.

### Andrews Cited by NJAC and ECAC

A defensive back, **Steve Andrews** was a key offensive contributor for the Lions as they topped visiting SUNY Cortland 21-14 in the first NJAC conference game of the year. He rushed five times for 49 yards and two touchdowns including a 13-yard scamper into the end zone in the third quarter which proved to be the game-winning score. He also registered the first touchdown of the day for TCNJ with a career long 33-yard scoring run. Through two games, Andrews' 18 points scored and 71.5 all-purpose yards per game lead the Lions in both categories. His average of 9.0 points per game currently ranks second in the NJAC. Andrews was cited by both the NJAC and the ECAC as the Offensive Player of the Week for his efforts.

### TCNJ's Camillone To Be Honored

Congratulations to TCNJ's Head Athletic Trainer, **Joe Camillone!** A 1968 graduate of the University of Findlay (Ohio), Camillone is being honored with the school's Distinguished Alumni award on September 19. In his 31 years as the Lions' head athletic trainer, Camillone has never missed a Lion football game, until tonight when he will be recognized by his alma mater for his outstanding contributions to the athletic training profession.

### Dolan Tapped As Recipient 2003 Roy Van Ness Award

Tonight TCNJ is also honoring the 2003 recipient of the Roy Van Ness Award, which is given annually to a Lion coach, who has exemplified the College's ideals of dedication and hard work. The presentation to this year's winner, Steve Dolan, cross country and track and field coach, marks the 17th year this award has been handed out.

Last year, Dolan again guided both the men's and women's cross country, indoor track and outdoor track teams to a sweep of the New Jersey Athletic Conference Championship Meets on the 2002-2003 seasons. This is the sixth straight year the Lions have run the table in the NJAC. He also lead the women's cross country team to its eighth straight Top 15 finish at the NCAA Division III Championships, with the men's ninth place finish and the women's 11th place finish in 2002. The men's track squad won its fifth straight prestigious ECAC Indoor Track Championship and finished in fifth place nationally at the 2003 NCAA Indoor Championships and 17th at the 2003 NCAA Outdoor Championships, while the women's outdoor track squad posted an 11th place finish in the team race.

Over the course of his coaching career at TCNJ, Dolan has already coached 54 All-American performers, who have earned 101 All-America citations. He has been honored as the NCAA Regional Coach of the Year on 10 different occasions, most recently as the 2003 Division III Atlantic Region Men's Indoor Track and Field Coach of the Year.

The 2003 TCNJ Seniors and Head Coach Eric Hamilton

### Kevin Galbraith #56

Offensive Lineman  
6-0 240 Senior  
Westville, NJ/Gateway Regional

A two-sport stand-out in high school, Kevin Galbraith has emerged as a leader for the Lions on the offensive line during the course of high collegiate career. A two-year letterwinner at TCNJ, Galbraith has helped the Lions collect six wins in each of the past two seasons and has been a factor in the success of TCNJ's offensive unit.

During 2001, the Lions averaged 132.8 yards per game on the ground and 222.7 yards per game in the air. Galbraith helped the squad average 355.5 yards per game of total offense, while ranking third in the league in team rushing. On the season, the Lions averaged 27.6 ppg and held the ball an average of 32:57 minutes per game.

### Jon Hedgepeth #40

Running Back  
5-11 200 Senior  
Little Egg Harbor, NJ/Holy Spirit

A three-year letterwinner at TCNJ, Jon Hedgepeth has emerged as a top running back for the Lions after a breakout campaign in 2002. The Lions' top returning rusher from 2002, Hedgepeth averaged 32.9 yards per game on the ground last season after playing in all nine games.

He added four rushing scores and will be looked to this year to carry the load as the Lions graduated three starters on offense. An athletic player, Hedgepeth's solid frame make him a hard player to stop.

As a sophomore, he played in all ten games, but only carried the ball seven times for a net of 44 yards. As a rookie, he had 13 carries

A starter for the Lions in 2002, he helped the Lions rank second among the league's leaders in scoring (29.7 ppg), while also ranking third in total offense with 360.0 yards per game and second in rushing offense (167.6 ypg). Together with the Lions' offensive unit, TCNJ averaged 192.4 yards passing per game on the year, again surpassing the 1,000 yard mark for the second straight season. He was also part of an offensive line that helped TCNJ rank first in the NJAC in 2002 in third down conversions (44.7%) as the Lions converted 55-of-123 third down tries.

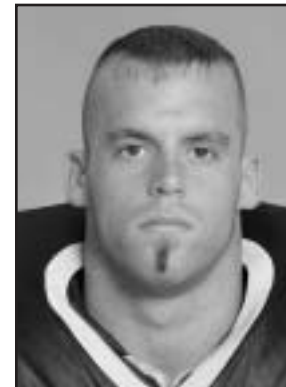

He has started both games thus far for the Lions in 2003 and has helped the team average 24.5 points per game as well as 171.5 yards per game on the ground. The Lions are averaging 168.5 yards per game in passing yards, while having combined for 680 yards of total offense in two games.

A two-sport star and team captain at Gateway Regional in football and baseball, Kevin is a mechanical engineering major at TCNJ. In his spare time, he enjoys repairing old cars.

for 93 yards rushing before an injury shortened his 2000 season to only five games.

Through two games this fall, Hedgepeth has already rushed for 200 yards and has a 100.0 yards per game. He just missed a 100 yard rushing performance against Cortland as he netted 85 yards on 23 carries. He has also chipped in three touchdowns on the season and is the team's co-leading scorer with 18 points. He has a 100.0 yards per game of total offense thus far in 2003, while also adding 121.5 yards per game in all-purpose yards.

A nursing major at TCNJ, Hedgepeth plans on pursuing a career as a pharmacist upon graduation and is a former National Honor Society Student at Holy Spirit High School. While at Holy Spirit, he also earned recognition as a NFF College Hall of Fame Scholar-Athlete and starred in both football and track.

### Scott Paterson #43

Defensive Lineman  
6-0 200 Senior  
Scotch Plains, NJ/Scotch Plains-Fanwood

As a rookie, Scott Paterson was named the recipient of the Coach Hank Johns Award as the player who worked hard and improved the most to make himself and the team better over the course of the season. He played in nine games as a rookie that season and contributed 23 tackles with five sacks.

He followed up his rookie season starting all ten games for the Lions and handed out 26 stops, which was tenth best that season. He added five tackles for a loss and helped the Lions record six wins in 2001. By year's end he had also been named to the NSCA All-America Team for his accomplishments in the weight room and the classroom.

Paterson is coming off a junior season where he had only 14 tackles, but contributed four hits for a loss with three sacks while playing at

### Michael Sykes #22

Defensive Lineman  
5-9 220 Junior  
Absecon, NJ/Holy Spirit

As a rookie in 2000, Michael Sykes earned a letter for the Lions as a linebacker with his 11 tackles. He returned in 2001 ready to step up his level of play, only to miss the entire campaign with an injury.

Sykes returned to the lineup in 2002 and emerged as a force on the defense for the Lions with his team-best 18 tackles for a loss (-85 yards). He added nine sacks (-61 yards) and finished the season with 37 tackles and is the second leading returning player this fall. Ranked No. 3

linebacker. He will be looked to this season to handle a new position as he makes the move to the defensive line.

A two game starter thus far in 2003, Paterson has contributed 10 tackles thus far with two hits coming for a loss (-5 yards). He has also helped the Lions' defense allow just 113 rushing yards per game, while hammering out six sacks on the young season. The Lions are also allowing just 15.5 points per game and only 316 yards per game of total offense. He is also a candidate for the National Football Foundation National Scholar-Athlete Postgraduate Scholarship.

Active in TCNJ's Army ROTC program, Paterson has been a leader on and off the field for TCNJ over his career. He recently served as a platoon leader in the 25th Infantry Division in Hawaii. A Dean's List student with a 3.5 GPA, Paterson is an exercise science major and is also a three-time TCNJ Scholar-Athlete honoree. Scholastically, he was a two-sport athlete at Scotch Plains-Fanwood, serving as team captain for football, where he also earned MVP honors. He plans on pursuing a career in the Army upon graduation with aspirations of becoming an officer.

in the NJAC in 2002 in tackles for a loss, Sykes averaged 2.0 per game and also finished ranked fourth in the conference in sacks per game with his 1.0 per game average. By year's end he had also been named to the NSCA All-America Team for his accomplishments in the weight room and the classroom becoming TCNJ's third NSCA Strength All-American.

After finishing 2002 with a strong effort, Sykes has picked right back up this fall and has already racked up a team-best four sacks this year, including three in the Lions' win over Norwich. The team's leader with 16 tackles, he has also had six tackles for losses (-36 yards), with a pass deflection and a fumble recovery.

Scholastically, Sykes tried his hand in several different sports, earning letters in crew, track, wrestling and football at Holy Spirit High School. A team captain and defensive MVP in football, Sykes is a health and physical education major at TCNJ. The son of Michael and Kathy Sykes, Syke's father was the Fireman of the Year in 1998 in Atlantic City.

# 2003 The College of New Jersey

## Honored At Halftime

### TCNJ To Honor 2002-2003 All-Americans At Halftime

For the 2002-2003 academic year, TCNJ Had 44 student-athletes combine to earn 78 All-America citations. Williams College (MA) won the NACDA Directors' Cup for the seventh time in the last eight years, while TCNJ finished in third place with 695.75 points. The third place finish by the Lions' athletic teams marks the fifth straight third place showing in the race for the Directors' Cup by TCNJ and extends the program's streak as one of just two Division III to have finished in the Top four in every year of the Directors' Cup.

Now the seven-time defending Directors' Cup winner, Williams College ran away with the cup after scoring 1158.25 points. Formerly, known as the Division III Sears Directors' Cup, the NACDA Directors' Cup was developed by NACDA and was first awarded in 1995-1996.

Since that time, only TCNJ and Williams College have finished in the top four places in the standings in each of the program's eight previous years. Williams has now won seven titles overall, including the last five in a row.

THE NATIONAL COLLEGIATE ATHLETIC ASSOCIATION

## Putting the Student in Student-Athlete

Over the last few years, the NCAA and its member colleges and universities have worked hard to emphasize the student in the term student-athlete. Academic standards and rules have been developed and changed to ensure that student-athletes can excel in the classroom as they do in their sports. The result of these reforms has been that student-athletes are more likely than ever before to succeed in the collegiate environment.

The CHAMPS/Life Skills program was developed by the NCAA to help prepare student-athletes for the challenges of life beyond the playing field. The focus of the program is on commitments viewed as critical to personal growth: academic excellence, personal development, service and career development. In addition, NCAA schools work hard to offer further academic support programs to help student-athletes prosper. These programs offer access to study facilities and tutors as well as monitor student-athlete progress.

One result of these programs is that NCAA Division I student-athletes have been consistently graduating at a rate higher than the rest of the student body. For the class entering college in 1990, 56 percent of the overall student body at NCAA Division I institutions graduated, while Division I student-athletes graduated at a rate of 58 percent. The rate does not include student-athletes who transfer to and graduate from another institution.

Minimum academic requirements that student-athletes must meet to play sports as freshmen in college are one reason for the higher graduation rates. In 1982, a group of college presidents, sponsored by the American Council on Education, proposed a set of minimum academic standards to determine freshman athletics eligibility. The first set of standards was implemented in 1986. They required that freshmen graduate high school with a minimum grade-point average of 2.000 in 11 core academic courses and a minimum standardized test score of 700 on the SAT or 15 on the ACT to be eligible to play sports and receive an athletics scholarship.

Five years ago, the number of required core academic courses was raised to 13

and in 1996, a grade-point average and test-score sliding index went into effect for Division I. This scale allows student-athletes with higher grades to qualify with lower test scores and vice versa.

#### Wanna Play? Know the Rules

Any high-school student who is interested in playing sports at the NCAA Division I or II level should learn about the standards as early as possible. In addition, high-school student-athletes should talk to their guidance counselors and coaches to learn more.

High-school students can also call the NCAA's Eligibility Hotline, 800/638-3731. This number features recordings with information on a number of freshman eligibility topics, including accommodations for students with learning disabilities. Students can also order a free copy of the "Guide for the College-Bound Student-Athlete" by calling the hotline and following the prompts. Information about the recruiting process and about initial-eligibility requirements is available online at NCAA Online ([www.ncaa.org](http://www.ncaa.org)).

The NCAA's Initial-Eligibility Clearinghouse ensures that student-athletes have met the academic requirements and certifies their eligibility to play sports as freshmen. High-school student-athletes aspiring to play Division I or II athletics

should register with the clearinghouse after completing their junior year.

Clearinghouse information and registration forms are available from high-school guidance counselors; from the NCAA Eligibility Hotline (800/638-3731) or from the NCAA Clearinghouse, P.O. Box 4044, Iowa City, IA 52243-4044, telephone 319/337-1492. The clearinghouse keeps registered student-athletes informed about the qualifications they have and have not met concerning freshmen eligibility.

Once student-athletes are enrolled in college, there are more academic standards to be met. Student-athletes must show continuing progress toward a degree each year, including a minimum number of credits passed. From the junior year on, these standards place great emphasis on progress made toward a specific degree program and ensure that student-athletes don't accumulate large numbers of credits that won't help them earn a specific degree.

The NCAA also has established various scholarship and grant programs to encourage student-athletes to pursue their undergraduate and postgraduate degrees. The Degree-Completion Grant program assists those who have exhausted their eligibility for institutional financial aid. There are also Women's and Ethnic Minority Enhancement programs and several postgraduate scholarship opportunities.

The end result? Student-athletes are now more likely than ever to enter their collegiate programs prepared and ready to succeed athletically and academically. ■

# LIONS' FOOTBALL... An Endless Pride

Calling all alumni, fans, families & friends...

## THE COLLEGE OF NEW JERSEY GRIDIRON GROUP

Join the Friends of Lions' Football!

For information on how you can join the fun – and help support TCNJ Football -- please call us at (609) 771-2340 or email us at [football@tcnj.edu](mailto:football@tcnj.edu). We invite you to mark your calendar and plan to join us for the following upcoming events:

**NOVEMBER 1, 2003  
ALUMNI WEEKEND  
HOMECOMING PIG ROAST**  
Get into the Homecoming huddle at our pre-game team breakfast and Tailgate at the **Gridiron Group pig roast** when we take on MONTCLAIR STATE UNIVERSITY at 2:00 pm.

**FEBRUARY 14-15, 2004  
ALUMNI/ATHLETIC HALL OF  
FAME WEEKEND**  
Celebrate the induction of former Lion Gridders Don Steel '55 and David Bryan '60 into TCNJ's Alumni/Athletic Hall of Fame at the Lafayette Yards Trenton Marriott

**FEBRUARY 8, 2004  
10<sup>TH</sup> ANNUAL BANQUET**  
Spend a Sunday morning at the Princeton Hyatt Regency by suiting up for our 10<sup>th</sup> Annual Football Banquet/Brunch.

**AUGUST 1-2, 2004  
SOCIAL / GOLF OUTING**  
Start pre-season drills with us as we "roast" one of our own. It's a great time to meet, greet, play golf and share war stories before the 2004 football season begins!

**INTERNET FANS:** [www.tcnj.edu/~football](http://www.tcnj.edu/~football)

*Thank you for your continued support of Lions' football!*

Get in touch TODAY by calling the Football Office at (609) 771-2340, the Office of Development & Alumni Affairs at 1-800-347-9621, or by sending us an e-mail at [football@tcnj.edu](mailto:football@tcnj.edu).
