Wasatch Mountain State Park

Utah State Parks

Wasatch Mountain State Park

Year-round adventure awaits – golf, hike, bike, camp, horseback ride, snowmobile, ride ATVs, fish, cross-country ski and snowshoe in the spectacular setting of Wasatch Mountain State Park.

During spring, summer and fall, reserve a tee time at one of four, 18-hole golf courses. Throughout winter, cross-country ski, snowshoe or snowmobile through alpine terrain. The park is tucked away in Utah's beautiful Heber Valley, its 23,000 acres poised on the east slope of the Wasatch Mountains at an elevation of 5,900 feet.

Explore

Get directions, maps, brochures, travel guides and area information at the visitor center. Learn about the history of Midway or enjoy the scenic picnic area and children's fishing pond.

Cottonwood, Oak and Soldier Hollow group day-use pavilions offer tables, benches, grills, restrooms, sinks and electricity for groups up to 100 people. A volleyball area, horseshoe pits and parking are also available.

Bring your binoculars and cameras and view an abundance of wildlife. Wasatch Mountain is home to mule deer, elk, moose, mountain lions, raccoons, beavers, sandhill cranes, wild turkeys, bobcats, red-tailed hawks, coyotes, barn owls and golden eagles.

Visit Huber Grove, which is on the National Register of Historic Places. Settled and built by Johannes Huber, the grove is rich with culture, architecture and natural beauty. This historic site is one of the area's best examples of early pioneer life. Stroll the self-guided nature trail through an aspen grove and 130-year old orchard. Visit during the harvest months and pick a basket of apples to take home.

Become a Junior Ranger! Children six through 12 are invited to weekly, in-season programs to learn about nature. By completing fun events and activities, children may earn a badge and certificate.

Explore the Dutch Hollow Trail system on foot, horseback or mountain bike. This non-motorized trail complex offers 19 miles of trails with more than 13 miles open to equestrians.

Off-highway vehicle (OHV) riding opportunities abound along the nearly 30 miles of trails and roads within the park with access to another 30 on adjacent USDA Forest Service lands. Rent an OHV and take a guided tour or explore on your own. Lofty Peaks, an in-park concession, offers ATV rentals. For information on rentals and tours, call (866) 477-8981 or visit www.loftypeakadventures.com.

Golf

Play the Gold and Silver courses of Soldier Hollow or the Lake and Mountain courses of Wasatch Mountain.

Located at the south end of the Wasatch Mountain complex, Soldier Hollow was a major venue during the 2002 Olympic Winter Games. Two 18-hole courses, named Gold and Silver, offer challenging play and beautiful views of Heber Valley.

The Mountain and Lake courses, located at the northern end of the park, are consistently ranked among the most popular, affordable and scenic in Utah. Nationally, Golf Digest rated Wasatch Mountain as one of Utah's Best Places to Play.

Both Soldier Hollow and Wasatch Mountain amenities include full-service pro shops, driving ranges, practice greens and full restaurant services.
