CAMPAIGN  
FOR  
**Colorado  
State**  
University

**DONOR HONOR ROLL**  
July 1, 2005 to June 30, 2012

## DONOR HONOR ROLL

July 1, 2005 to June 30, 2012

In 2005, Colorado State University embarked on its first campaign: an audacious effort to raise \$500 million in seven years to support students and faculty, fund academic programs, and build state-of-the-art classrooms and laboratories.

When the campaign concluded on June 30, 2012, CSU had not only met its goal, it had exceeded it, raising \$537.3 million.

The campaign has transformed the University in ways tangible – providing greater access to higher education for students; recruiting exceptional teachers and researchers; and building facilities to enhance learning – and in ways intangible – proving that when those of us who believe in Colorado State University come together with commitment, vision, and passion, we can accomplish anything.

This honor roll recognizes all who contributed to the success of the Campaign for Colorado State University. Thank you for your generosity and engagement, and for making a profound difference at Colorado State University.
