First Shot Kicks Off National Matches

By Patrick Pfanner, Staff Reporter, Sandusky Register

PORT CLINTON — A loud bang rang out as a bullet fired out of a rifle and zipped down range at Camp Perry.

Major General John C. Harris Jr. fired the ceremonial first shot Monday morning to officially kickoff to this year's National Matches.

The matches, a five-week shooting competition, features national and international marksmen. The marksmen use both short- and long-range firearms to shoot targets at varying distances at the gun ranges at Camp Perry.

The National Matches are organized by the National Rifle Association and the Civilian Marksmanship Program.

"Program records show the number of competitors who normally attend the National Matches averages out to more than 6,500 each year," said Larry Fletcher, director of Lake Erie Shores and Islands, the region's tourism bureau. "Those folks, because of the long stretch of competition, make a significant economic impact."

Fletcher said the National Matches help generate almost \$20 million in revenue, from hotels, restaurants and other sources.

Harris, along with numerous veterans, government officials and contest participants, attended Monday's first shot ceremony.

During an opening speech, Harris shared inspiring stories about determined veterans and inspiring young competition shooters.

"Its those traits that make competition shooters so great," Harris said. "The system— weapon plus shooter — is at the center of these matches. Technology may have changed, but the shooters are unchanged."

Harris lauded Camp Perry's historic facility and the thousands of shooters who make the competition possible.

MG John C. Harris, Assistant Adjutant General of the Ohio Army National Guard, was the guest of honor and fired the traditional First Shot at the opening 2017 National Matches ceremony.

The CMP was honored to have World War II vets Lloyd Boyer, center, a WWII veteran, serving with General George Patton's command, and Corporal Kathryn Gray USMC Meteorologist WWII, serving at Parris Island Aug. 1943 - Dec. 1945 in attendance, standing alongside one of the many re-enactors.

National Trophy Rifle Matches

A Message from the COO:

The CMP is pleased to provide this special printed edition of the *Final Results of the 2017 National Trophy Rifle Matches*. We hope this publication, with its featured information and photos, will be a memento of your unforgettable National Matches experience.

The 2017 National Match rifle events commenced this year with an additional line of new select matches, labeled as the CMP Cup Series. The events were fired 26-30 June and included three 800 Aggregate matches, an EIC match and a 4-Man team event. Also added to the National Match schedule in 2017 was the Oliver Hazard Perry Match and the Roosevelt Commemorative Match – providing even more competition opportunities for our many match-goers.

The traditional rifle events began on Friday, 14 July, with our fun and educational rifle clinics. Both adults and juniors increased their knowledge in maintenance and marksmanship techniques during the Marine Corps Junior Clinic, Rifle Small Arms Firing School and Advanced Clinic (led this year for the first time by members of CMP's highpower team). Competitions kicked off on Sunday, 16 July, with the SAFS M16 EIC Match. The first day of competition also welcomed the inaugural Oliver Hazard Perry event to the National Match lineup. The National Trophy and CMP Games Matches concluded on 29 July, with over 9,800 entries for events and clinics recorded.

As always, the matches featured many incredible shooting performances by noteworthy marksmen and women that included:

- SFC Brandon Green, 32, of the U.S. Army Marksmanship Unit (AMU), who was the first overall winner of the 2400 Aggregate title during the inaugural CMP Cup Matches. SFC Green went on to break the Mountain Man Trophy National Record with outstanding aggregate scores in the President's 100, National Trophy Individual (NTI) and National Trophy Team (NTT) events – setting the new standard at 1293-69x.
- SFC Green also fired an unbelievable NTI score of 499-30x during his memorable National Match performance, earning a new National Record as the high-scoring Army competitor.
- SFC Green fired a perfect 300 score as an individual in the Hearst Doubles team match, with 18 x-ring hits.
- SFC Green dropped only 7 points through the duration of the Matches.
- SSG David Bahten, 28, also of the AMU, who joined Green at the top of the pack of the NTI event – breaking the previous National Record and falling just short of the win by x-count with an outstanding score of 499-21x. Though outshot by Green in the end, SSG Bahten still etched his name in the record books for the 25th Infantry Division Trophy as the highest scoring Infantryman, Active, Reserve or National Guard competitor.
- SSG Amanda Elsenboss, 28, of the AMU, who earned the Women's Rifle Trophy as High Woman of the NTI event. She also set a new National Record, with a score of 496-19x.
- Liam McKenna, 20, of Warrenville, IL, who set a new National Record in the NTI match as the High Junior with a score of 494-21x, only one point off of High Civilian, James Vaughn, 46, of Bloomington, IL. Liam also set a new National Record for the Col. Bill Deneke Trophy with an aggregate score of 1279-49x.
- Justin Utley, 32, of Mineola, TX, who was the winner of the President's 100 Rifle Match with a score of 396-17x. Utley was also the winner of the Pietroforte Trophy, reserved for the high-scoring civilian with the combined scores of the NTI and NTT matches. He fired a new National Record of 986-42x in the aggregate.
- Gabrielle Pitre, 20, of Louisville, KY, who set a new National Record as High Woman of the President's 100 Rifle Match with a score of 391-10x. She was also the High Junior of the event.
- SGT Ben Cleland, 24, of the AMU, who was the first winner of the Oliver Hazard Perry Match with an outstanding score of 299-11x.
- Junior Tyler Lane, 18, of Wilton, NH, who fired a score of 389-11x to win the M16 Match that accompanied the Small Arms Firing School and also earned his first EIC points.
- Brian Williams, 43, of Granby, MA, who set a new National Record with his K-31 Swiss in the National Vintage Military Rifle Match with a score of 294-13x. Williams was also named the 4-Gun Aggregate winner of the Games Matches.
- PVT Sammy Richardson, 20, of the U.S. Army Reserve, who also broke the Vintage Military record with a score of 293-11x. PVT Richardson went on to win the National Springfield Match with a score of 296-12x and was also the 3-Gun Aggregate champion.
- Mark Stout, 48, of Waterford, MI, who topped the Carbine match for the second consecutive year with a National Record total score of 380-7x. His son, Mark Stout II, 19, was the High Junior of the event for the second time, with a score of 342-3x.
- SSgt. Stephen Ferguson, 35, of the U.S. Marine Corps, who was the first winner of the inaugural Roosevelt Commemorative Match with a score of 288-9x.
- Brianna Toikkanen, 19, of Conneaut, OH who made marks in the Rimfire Sporter Tactical Class for the third year in a row – having finished as the High Junior in 2015 and 2016 and this year earning High Woman in the category.

National Trophy Rifle and Pistol Matches

*The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.*

SFC Brandon Green Wins Aggregate Title at Inaugural CMP Cup Matches

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – SFC Brandon Green, 32, of the U.S. Army Marksmanship Unit, fired a score of 2368-97x to earn the championship title in the 2400 Aggregate Rifle event held during the inaugural Civilian Marksmanship Program (CMP) Cup Matches. SFC Green is a gifted competitor who has collected a number of National Match awards, including multiple overall service rifle honors. As a junior, he was the recipient of Distinguished Air Rifle Badge #1— fittingly continuing his tradition of being a leader in CMP events as the first winning individual competitor of the Cup Match legacy.

“I’ve been very fortunate to get support from friends, family and the ROTC programs in high school, and of course from the CMP and NRA as well, which kind of catered to someone like myself, coming in as a junior and shooting all the way up through the highpower sports,” said Green of his marksmanship career. “I’ve also been lucky enough to gain so many opportunities from being a part of the Army and the AMU.”

“It’s been a long learning journey, but it’s been a good one,” he added.

The CMP Cup Matches, which kicked off the 2017 National Matches at Camp Perry, were introduced as an extra series of elite match and service rifle competitions. The schedule included a 4-Man Team Match, three consecutive days of 800 Aggregate matches and an EIC Service Rifle Match. A 2400 Aggregate award was also given to the high competitor of all three combined 800 Aggregates.

The CMP Cup Series week was one for the history books – establishing a new era of matches at Camp Perry and serving as the first successful competitions ever fired on the base’s ranges using CMP’s mobile electronic targets. Over 36,000 rounds were sent downrange, with less than 50 questioned by competitors throughout the week.

For many, the Cup Matches provided an initial look at the CMP’s target system. Even Green revealed he had never shot a match on this type of highpower electronic targets. He went on to say he believes the minor issues the

SFC Brandon Green was the overall winner of the 2400 Aggregate competition at the CMP’s first Cup Matches.

The 4-Man Team Match was the first of an entire week full of successful events fired entirely on the CMP’s electronic highpower targets.

Inaugural CMP Cup Matches Continued

CMP has experienced will soon be resolved and made ready for the future of competitions.

“I watched the very first shots go down range through my spotting scope, I saw the bullet holes on paper – everything was right on track from what I saw,” he said. “It was pretty neat to see them work and to see them work so accurately. I was happy with that.”

From here, Green plans to keep on perfecting his game – sticking to a consistent practice schedule to prepare for another round of Camp Perry competitions during the National Trophy Rifle Matches, set to begin July 16 with the new Oliver Hazard Perry event and continuing through July 25.

Also making marks in the 2400 Aggregate match during CMP Cup Week was SSG Amanda Elsenboss, 28, of the Army Marksmanship Unit, who earned the High Woman Award, as well as Serena Juchnowski, 18, of Richfield, OH, who snagged the High Junior credit. Paul Terrence, 65, of Cleveland, OH, was named the High Senior of the event.

Winning the 4 Man Team Match was the U.S. Army Marksmanship Unit Craig, with a score of 1954-63x. Firing team members were SPC Verne Conant, SGT David Bahten, SFC William Pace and SPC Daniel Lowe.

SPC Lowe was also the winner on Day 1 of the 800 Aggregate Match and finished second overall in the 2400 Aggregate competition. A frequent competitor with the U.S. Army Marksmanship Unit air rifle team, Lowe also competed in the men’s 10-meter and 50-meter air rifle competitions during the 2016 U.S. Summer Olympic team. He has been firing with the service rifle athletes since March and has been able to positively make the transition between disciplines.

“I’ve gained a lot from cross-training with the service rifle team,” said Lowe. “It’s a different game, but all the fundamentals are the same, and that’s why I’ve been so successful.”

Fellow Olympian, SGT Nick Mowrer, 28, of the U.S. Army Reserve, came in third overall in the 2400 Aggregate and also won the third day of the 800 Aggregate competition. SGT Mowrer is another talented athlete who bounces between disciplines, having attended the

2012 Olympic Games in the 10-meter air and 50-meter free pistol events. In the CMP Cup EIC Match, Sgt Mark Windmassinger, 30, of the U.S. Marine Corps, was the overall winner with an outstanding score of 497-18x. Sgt Cody Luckinbill, 26, also of the Marine Corps, fired a score of 491-14x to become the high non-distinguished competitor – earning fourth place overall.

Photos of the events can be found on the CMP Zenfolio page: <http://cmp1.zenfolio.com/f308381592>. Information on CMP Targets can be found at <http://thecmp.org/competitions/talladega-marksmanship-park/cmp-target-systems/>.

SPC Daniel Lowe earned second in the 2400 Agg. match, along with winning Day 1 of the 800 Aggregate competitions.

U.S. Marksmanship Unit Craig was the winning team in the 4-Man Team Match.

SFC Brandon Green Smashes Record Board at 2017 Camp Perry National Rifle Matches

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – SFC Brandon Green, 32, of the U.S. Army Marksmanship Unit (AMU), gave an incredible record-breaking performance at the Civilian Marksmanship Program’s (CMP) 2017 National Trophy Rifle Matches – firing an unbelievable score of 499-30x in the National Trophy Individual (NTI) Match and earning 996-53x in the NTI/National Trophy Team (NTT) match aggregate. He also landed in second in the President’s 100 Match to help set a new record score in the President’s 100/NTI/NTT aggregate, earning the Mountain Man Trophy, with a total of 1293-69x.

For his score in the NTI, he also etched his name to a new record for the Association of the United States Trophy as the high-scoring Army competitor. Additionally, Green earned the Pershing Trophy as the high-scoring individual in the NTT, with a score of 497-23x., along with the Rattlesnake Trophy as the highest scoring Army, Active, Reserve or National Guard competitor.

SFC Green was the Overall Individual Service Rifle competitor back in 2014 and was also this year’s overall high competitor during the inaugural CMP Cup Matches fired in late June. It was then that he simply summarized his highly decorated career as a marksman, even earning Distinguished Air Rifle Badge #1 as a junior, saying, “It’s been a long learning journey, but it’s been a good one.”

Dropping only seven points over his entire 2017 National Match showing, SFC Green also fired a perfect 300 score as an individual in the Hearst Doubles team match, with 18 x-ring hits.

SSG David Bahten, 28, also of the AMU, joined Green at the top of the pack of the NTI event – breaking the previous National Record and falling just short of the win by x-count with an outstanding score of 499-21x. SSG Bahten still etched his name in the record books for the 25th Infantry

Division Trophy as the highest scoring Infantryman, Active, Reserve or National Guard competitor.

High Woman of the match, with a new National Record score of 496-19x, was SSG Amanda Elsenboss, 28, of the AMU, and earning the Nathan Hale Trophy as High Civilian was James Vaughn, 46, of Bloomington, IL, with a score of 495-16x.

Only falling two points short but hoping to someday take home the trophy himself is Liam McKenna, 20, of Warrenville, IL, who also set a new National Record in the NTI match. McKenna was the High Junior of the competition, with a score of 494-21x. He also earned the title as the overall high junior service rifle competitor of the matches – setting an aggregate National Record of 1279-49x.

“It’s Camp Perry – I knew there was going to be a lot more competition from around the country, and I knew I was

going to be a contender but not for sure at the top,” McKenna said. “All you can do is shoot the best you can and hope to be at the top. It turned out okay this week.”

Justin Utley, 32, of Mineola, TX, was the winner of the 2017 President’s 100 Rifle Match with a score of 396-17x. The event served as his fourth time making the famous the President’s Shoot Off, previously placing as high as third place.

“I’ve been training pretty hard this year so I was really looking forward to it,” he said. “My first shot was a 9, and after that, I saw a few other shooters shoot 9’s. And after that, I didn’t drop any more points.”

Though the first shot made him nervous, he quickly corrected his wind call and treated every shot like a new one for the rest of the shoot off. Utley has been coming to the National Matches since 2000, with winning the President’s Match as a constant goal he kept in his mind. Now that he’s accomplished that feat, it’s time to move forward with his new list of achievements.

“I’ve got to keep trying and win the other ones,” he said with a laugh.

Utley was also the winner of the Pietroforte Trophy, reserved for the high-scoring civilian with the combined scores of the NTI and NTT matches. He fired a new National Record of 986-42x in the aggregate.

Like Elsenboss, setting a new National Record as High Woman of the President’s 100 Rifle Match with a score of 391-10x was Gabrielle Pitre, 20, of Louisville, KY. Pitre was also the High Junior of the event.

Winning the inaugural Oliver Hazard Perry Match was SGT Ben Cleland, 24, of the AMU, with an outstanding score of 299-11x. The Course of Fire for the match includes sitting rapid, rapid prone and slow-fire prone. SGT Cleland’s only dropped point came in the sitting portion – finishing out the match with 100-5x and 100-4x in the prone phases.

A local to the Northwest Ohio area, growing up in Swanton, near Toledo, SGT Cleland is also a talented archer – having fired in the World Games for the event and securing a place on the U.S. Olympic Archery Team as a junior. SGT Cleland connected with the U.S. AMU service rifle team in 2015, fulfilling a childhood dream, and continues to be successful in his marksmanship endeavors.

In addition to the history-making scores set at the 2017 National Matches, over 45 talented marksmen received their Distinguished Rifleman’s Badge onstage at Camp Perry. Earning his first of 30 points towards becoming Distinguished was junior Tyler Lane, 18, of Wilton, NH, who fired a score of 389-11x to win the M16 Match that accompanied the Small Arms Firing School. Good luck on the search for your remaining points.

Team CMP Advanced Highpower Clinic Debuts at 2017 National Matches

By Ashley Brugnone, CMP Writer

Members of the 2017 Advanced CMP Highpower Clinic

CAMP PERRY, Ohio – During the weekend of July 14, the new Advanced CMP Highpower Clinic made its first appearance at the 2017 National Matches. Formerly held by Remington, the new class is designed to provide a fresh interpretation of course material, led by members of the CMP highpower team. Members Nick Till, Robert Taylor, Johnny Fisher and team captain Sarah Rozanski collaboratively worked for months to create an enhanced advanced clinic that gives participants a renewed perspective through hands-on instruction and class participation.

“It went pretty well. I think we’ve got-

ten a lot of compliments on how we did it a little bit differently,” said Rozanski. “We were excited and honored to do it. Me, as a team captain, I’m lucky to have the team that I have – that they’re all willing to help and do anything.”

With each member of Team CMP living in California, Michigan and Alabama, respectively, the planning process became somewhat challenging at times. But, eventually, each found a niche that added a unique element to the course.

Johnny Fisher, who is an expert at presentations during his everyday job, put together and explained slides and materials, while Robert Taylor, a junior shooting coach and instructor in California for adults and juniors, took the helm for class work and discussion.

Till and Rozanski, both accomplished marksmen, added insight during class dialogue and on the firing line. Rozanski said one of the most important things she wanted for the course was input from all members of the team in order to provide a well-rounded cur-

riculum for students as well as to allow each experienced Team CMP member to have a voice.

“I kind of wanted to do it how everyone on the team wanted to do it, and I want everyone on the team at the time to have a say in it,” she said. “Our team takes time out of their own schedules to plan for the class so that we get a better product out there.”

Rozanski and crew also invited guest instructors, which this year included John Hollinger from White Oak Armament, who helped inform the class on gun cleaning techniques. Bob Gill, a talented California marksman, Jared Perry, the 2012 President’s Rifle Match Winner, and Dan Arnold, a CMP State Director who teaches clinics at his home range in Oklahoma and instructs during the Oklahoma CMP Games, also assisted during the course.

Team CMP plans to have a variety of guest instructors each season to give participants a new set of viewpoints year after year.

“I think when you get to a higher level of shooting, it’s not a one-size fits all kind of thing,” Rozanski said. “We hope to have an evolving product so it doesn’t become stale, doing the same things over and over again.”

Rozanski, who had helped previously with the Remington Advanced Highpower Clinic as a member of the Remington team, says the new course Team CMP designed is more hands-on than the previous format, with a focus on more individual interaction.

To meet the needs of each participant and

allow more time for instruction drills, the class was split into groups of five with an instructor assigned to each group. Each instructor would begin to teach a position, then the groups would rotate to a different instructor.

Saturday brought training in position work and mental game, along with one of the most successful course items – wind reading. Bob Gill, who often shoots long-range events, conducted the wind reading lesson. Groups also went to the back of Rodriguez Range, where the juniors were participating in the U.S. Marine Corps Clinic, to guess what the wind was doing based on shots.

To practice hold, Till even brought in lasers so participants could dry-fire offhand and see what their shots were like, then critique from there.

“I think they learned a lot from it. I’m a visual person, so if somebody explains to me what I’m supposed to see, unless I really see it as they’re explaining it to me, I won’t understand it as well,” Rozanski said. “A lot of people said they really appreciated that.”

Sunday served as more of a question and answer period for the 35 participants in the class, which included a few juniors. Junior coaches involved really found value in the new format of the clinic, saying they foresee themselves having their shooters go to the Small Arms Firing School, then the Marine Corps clinic and finally move on up to the Advanced class.

To continue the improvement of the course, surveys were given to each participant. Team CMP will carefully read over each one and reconfigure the class as needed to be able to better serve the needs of the students and tailor the clinic to their expectations in the future.

“We’re going to be more apt to changing things to curtail to what they want instead of just giving them the same class over and over,” Rozanski said. “Also, out of that, we’d like it if participants came one year, then we’ll change something the next year or we’ll have different guest instructors, so those people will want to come back again. We hope to get new people and repeat people as well.”

Unlike the past National Match Advanced Clinics, each instructor is a civilian with no military experience. According to Rozanski, it’s a rare opportunity to find a clinic for civilian training, since there aren’t many available once aging out of the junior class. And although those stemming from the military receive some of the best marksmanship education around, she added that having civilian insight allows a unique appreciation for the sport.

“For us (civilians), it’s a hobby, and we understand that they’re taking time from their vacation and time away from their kids to come out here, and we want them to get the most out of it,” she said of the class participants.

To those who have already taken the course, Rozanski invites them to come and give it another try, saying, “We’ll be teaching different things. Our clinic isn’t as regimented, so if one person teaches a class and then someone else comes up and teaches it, they might explain it a little differently and may learn more. That’s why we want to rotate out our instructors – so it’ll be an evolving thing.”

Other fundamental classes and clinics held during the rifle portion of the CMP National Matches included the Small Arms Firing School and U.S. Marine Corps Junior Highpower Clinic. Additionally, more specific match courses were offered, including the As-Issued Military Rifle, USMC Infantry Trophy, M1 Maintenance and Rimfire Sporter clinics, all held throughout the month.

Team CMP captain Sarah Rozanski emphasized the evolving course material the class will provide to give students a fresh perspective each year.

Each participant in the course was presented a graduating certificate by CMP’s chief operating officer, Mark Johnson.

Each year, the class will feature guest instructors who are experts in specific areas of interest.

William Keil Winner of CMP/Springfield M1A Match at Camp Perry

Written by Ashley Brugnone, CMP Writer

A competitive marksman since 2001, the M1A event was Keil's first National Match win.

CAMP PERRY, Ohio – Overtaking the Springfield M1A Match fired at the 2017 National Rifle Matches was William Keil, 46, of Omaha, NE, with a score of 377-6x. He initially thought his score was only average – never dreaming that he could be the champion of the event.

“I felt good about my shots. I was holding very well, but I did not think at all that I was going to make the cut,” he said of his performance.

After the match was over and he had moved on with the rest of his day, a good friend of his sent him a text and said, “Congratulations on the M1A Match!” He didn't know what it meant until he took a look at the results list and found his name right at the first position.

“It shocked me,” he said. “Being at the top of the list is just – wow, I've never had that.”

Keil grew up with guns and joined the military, where he was in the 82nd Airborne for four years. In 2001, he began competitive

shooting competitions back home at Eastern Nebraska Gun Club. He's been competing in CMP and other matches consistently ever since then, for over 15 years now.

This year serving as his eleventh trip to the National Matches, the M1A Match was his first win. He also earned 10 total leg points during this year's Nationals with his M1A in the National Trophy Individual Match, where he shot a 478. He now only has two points left to earn before he'll receive his Distinguished Rifleman's Badge.

“Going Distinguished is very important to me. But this win really confirms that shooting the M1A – you can do it. Even when everyone is switching to the scoped AR's, the M1A is still functional and you can still win matches with it.” he said.

Springfield Armory awarded \$1,500 to Keil as the overall winner of the match. A Lewis Class System was used for the awards for the 2017 Springfield

M1A Match. The 1st place civilian was Roy Mitchell, of Parma, Ohio, 376-8x, receiving \$1000 from Springfield Armory. The 2nd place civilian was Nick Till, of Howell, MI, 375-8x, earning a \$750 from Springfield Armory. The 3rd place civilian was Jerry

William Keil earned the distinction as winner of the 2017 CMP/Springfield M1A Match.

The High Grand Senior was William Hammers, of West Bloomfield, MI. The High Service winner was SSgt Timothy Snyder, USMC. Each of these award winners earned a \$500 Springfield Armory credit voucher courtesy of Springfield Armory.

The Springfield M1A Match was added to the CMP Camp Perry lineup in 2017. The match has been held at Camp Perry since 2007.

Members of the M1 for Vets team also fired in the event.

A mix of men, women and juniors lined up to compete in the match.

The Springfield M1A Match, sponsored by and conducted in collaboration with Springfield Armory, was added to the CMP National Match events in February and provides an additional way for competitors of all ages and experience levels to enjoy the world of marksmanship. The match is set to return in 2018, with plans to be a permanent staple in the CMP National Match lineup.

The match was fired on the ranges of Camp Perry during the 2017 National Matches.

High Junior of the event was Brendan Clark with a score of 364-5.

National Air Rifle Champ Gains Unanticipated Highpower Experience at 2017 National Matches

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Jaycie Hoenig, 18, had an incredible week back in July. It was her first trip to the National Matches, where she had planned on only attending the Small Arms Firing School, just for a little taste of highpower shooting. Unbeknownst to her, the small taste would turn into a smorgasbord – and she would end up learning more than she could have ever dreamed.

“This is a game-changer,” she said.

A talented competitor, Jaycie was named the 2017 CMP Three-Position Air Rifle Sporter National Champion in June. Having graduated high school in the spring, she was a four-year member of the Zion Benton JROTC air rifle team, but had never given highpower a try. The 2017 Small Arms Firing School (SAFS) was the first time in her life that she had ever fired a highpower rifle, and it was the beginning of a whirlwind adventure.

“(After air rifle Nationals) I realized I wasn’t done shooting yet – that I didn’t want to leave it. So I figured, why not try highpower to see if I like it?” she said. “I just needed to go to the National Matches. I wanted to get an idea of what I could do, and it was probably one of the best decisions I’ve made.”

Jaycie was brought to Camp Perry by her mother, Shanda. Her supportive father, Jason, also wanted to come along but had to stay behind after heavy rainfall at their homestead held him back – creating the perfect opportunity for a few new mother-daughter memories for Shanda and Jaycie.

Though it was a long ride from the family’s home in Winthrop Harbor, Ill., Shanda was more than willing to make the drive to give her daughter a chance to take part in something new.

Jaycie says she’ll be ready to return to next year’s National Matches for even more fun.

“It was a no-brainer,” Shanda said. “For me, as a parent, I’ve always encouraged and supported my kids in whatever they decided to do. It was really more on Jaycie’s end – if that’s what she wanted to do.”

Shanda added, “She was very good at air rifle, and I really wanted to keep her in that competitive streak. Even though she didn’t want to shoot competitively in college, she wanted to focus on her academics, I still wanted her to keep in the loop of shooting because she’s a natural.”

At first, Jaycie was nervous about holding a much larger rifle than she was used to handling. She was also concerned about the recoil she might feel after firing the powerful firearm as well as about matching the talents of other competitors on the line. But with each shot she fired, the more confidence she gained. She dropped her anxiousness and began to feel the thrill of the rifle – and then, she was hooked.

“It really wasn’t too bad, and the more I shot it, the bigger the thrill was. I just loved it,” she said as a smile beamed across her face.

She admitted one of her biggest challenges was the rapid fire portion, along with the sitting position – areas she says she initially stressed over. Wind reading was another tough transition, since she was used to the stable indoor conditions always promised by air rifle competition.

But, Jaycie said her SAFS coach, Larry Stonecipher, helped her load her magazine and showed her the best ways of holding the rifle in each position. She credits him with helping her to feel more at

ease about the unfamiliar territory.

“He was amazing. He definitely made it a comfortable experience,” Jaycie said. “I was so nervous when I walked up . . . he was just an overall excellent coach and a great mentor for my first time, and I’m so blessed to have had him as my coach.”

She enjoyed her time in the two-day SAFS course so much that she decided to stay an additional day to fire in the prestigious President’s 100 Match – then she stayed another day, and another – and another. Her trip that began as just a weekend getaway turned into a week-long excursion of learning and rifle fun.

“Yeah, I’m hooked,” Jaycie said.

Each day, her skills improved. In only her third highpower competition ever, Jaycie started off her National Trophy Individual match with a standing score of 95-2x out of a possible 100 – an incredible standing score for any competitor, let alone a beginner.

Brad Donoho, a CMP program coordinator who had previously shot air rifle including as an NCAA competitor at the University of Kentucky, says it’s actually surprising how quickly an air rifle marksman can become competitive in highpower. Besides having to learn the outdoor elements, such as mirage and wind, the fundamentals of sight alignment and trigger control are already present in a seasoned athlete.

“We’ve always said that the transition from sporter to highpower is pretty easy, and many

sporter shooters have proven to do that,” said Brad, who was the one who convinced Jaycie to give highpower a try when she thought her shooting days were over.

Brad went on to say the transition from air gun to highpower is a breeze because the target in air gun is half of a millimeter wide – a much more difficult target than service rifle. He says it requires more skill to hit such a small area, giving air gun shooters more precise training in the fundamentals.

“Transitioning to service rifle, the 10-ring opens up for them and there’s a lot more leeway for error. Typically, if they shoot a shot they think is a 7, it’s usually a 10,” he said. “There’s a big gap we have to bridge between air rifle and service rifle in trying to transition those shooters over because a lot of those kids don’t even know it exists.”

Even Jaycie admits she had absolutely no clue.

“It’s something that we have to work on at CMP, to provide those opportunities to those kids, get them out here to try it out and maybe spark an interest in transitioning to service rifle and continue shooting throughout their lives,” he said. “It’s part of the mission of the CMP – to grow the sport. And we’re going to work on that.”

Now that Jaycie has had a taste of highpower, she’s ready to jump right in, full force, even with team events. During the matches, members of the CMP helped connect her with out-of-competition teams so that she could fire in the National Trophy Junior Team Match, National Trophy Team Match and the National Trophy Infantry Match towards the end of the National Match week.

Jaycie, in only her fourth competition, and her teammate for the National Trophy Junior Team Match, Richard (RJ) Bohn, of Metamora, MI, scored high enough to be named the winning At-Large team, which earned her a spot onstage during the esteemed rifle awards ceremony.

Of course, playing one of the biggest roles in Jaycie’s highpower journey was her mother, Shanda. Like Jaycie, SAFS served as Shanda’s first time with a highpower rifle.

“I didn’t really want to shoot,” she admitted. “But I was encouraged by certain individuals that it would be a fun event with no stress. I decided that even though I was here to support her, I could have a little fun”

Shanda was also extremely nervous. She said she didn’t even know if she was going to be able to man the gun because of its weight, or if she was going to make errors. But, after she sent her first shot downrange, Shanda, like Jaycie, said to herself, “This isn’t so bad at all.”

And, her first shot was in the 10-ring.

Shanda said she attended SAFS to support Jaycie, but she also wanted to learn something new for herself as well. Being so uneasy, not knowing what to expect, she was afraid she couldn’t be the rock that Jaycie may need in her first attempt at a new endeavor. But when she met their coach, Larry, and began to dry-

fire, getting more acclimated to the rifle, her worry began to fade.

“It was hundreds of pounds lifted off my shoulders knowing that he was watching every move that I did and that he would correct me when I needed to be corrected and provide words of reassurance when I did something right. So it was just an overall very comfortable and positive experience with him,” Shanda said. “He was fantastic.”

“And now there might be a little mom/daughter competition!” Shanda added as she and Jaycie laughed together.

With an unbelievable first National Match trip, Jaycie’s taste of highpower has now become an unquenchable thirst. She’s ready to learn more and more about the sport and is enthusiastic for new experiences to come in the future.

“I knew I was going to like it, because, I mean, it’s highpower,” Jaycie said. “But actually getting to come out here and shoot it was like, ‘OH MY GOSH this is AMAZING. THIS IS AWESOME!’”

“It was so much fun, and I’m just so excited to keep shooting more.”

Unanticipated Highpower Experience Continued

Next year, she plans on bringing her dad to SAFS to allow him to give it a try as well.

“I think he’d really enjoy it. Because, I mean, who doesn’t enjoy this?” she added.

And, of course, Shanda will be right there, along for the ride.

“I’m her biggest fan,” Shanda said.

Jaycie also wanted to thank everyone who made her first highpower experience possible, including the Army Marksmanship Unit, especially Brandon Green, for teaching her how to properly shoot a rifle, as well as the CMP for providing some guidance towards realizing her new ambition.

“I’m extremely humbled and blessed to have been afforded this opportunity by members here of the CMP. Four years shooting air rifle, I just couldn’t thank the CMP enough for providing this opportunity for us. We would not have been here if it hadn’t been for them,” she said. “I couldn’t have done it without everyone’s support, so I’m eternally

grateful for that.”

****SAVE THE DATE****

Join Jaycie and her family at Camp Perry next year for the Rifle Small Arms Firing School – School check-in takes place on Thursday, July 26th and the school takes place Friday and Saturday, July 27-28th. Registration opens March 1st on the CMP website – see <http://thecmp.org/competitions/cmp-national-matches/> for more details.

A talented markswoman, Jaycie quickly caught on to highpower competition techniques. Jaycie says she is grateful for the information as well as the comfort she was able to earn during the SAFS course. Her coach, Larry Stonecipher, helped her and her mom during the school’s hands-on training.

Williams Breaks Lasting Vintage Military Record During 2017 National Match Games Events

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Brian Williams, 43, of Granby, MA, set a new National Record with his K-31 Swiss in the National Vintage Military Rifle Match, firing a score of 294-13x. Williams broke the previous record of 293-4x, which had stood since 2010.

Also breaking the record but landing in second place was PVT Sammy Richardson, 20, of the U.S. Army Reserve, with a score of 293-11x. PVT Richardson went on to win the National Springfield Match with a score of 296-12x.

With his outstanding performances, Richardson earned the 3-Gun Aggregate honor, with Williams following in second. PVT Richardson fired a combined score of 779-28x in the Springfield, Vintage Military and John C. Garand matches to receive his win.

Though second in the 3-Gun, Williams fired consistently strong scores in each of his events to be named the 4-Gun champion with a score of 1059-33x.

Meghann Beaver, 18, of Indianapolis, IN, earned the spot of High Junior of the match with a score of 281-5x.

In the As-Issued Carbine event, Mark Stout, 48, of Waterford, MI, topped the match for the second consecutive year with a National Record total score of 380-7x. His son, Mark Stout II, 19, was the High Junior of the event for the second time, with a score of 342-3x.

Younger brother Connor, 15, finished as the fourth overall junior. Next year, Mark II will compete as an adult against his father, leaving the High Junior spot up for grabs for Connor.

High Senior of the event was James Fletcher, 66, of Whitney, TX, with a new National Record score of 362-4x. High Grand Senior was Edgar Dorman, 76, of Shutesbury, MA.

Disrupted by bad weather, the John C. Garand Match was condensed from a three-stage event to only two – removing the standing portion to allow more time for the match to be carried out.

Winning by x-count, dropping only one point in the slow-fire prone series, was Steven Skowronek, 31, of Irwin, PA, with a score of 199-11x. Skowronek had previously won the event in 2005 and looks forward to coming to the Games Matches each year with his dad and a group of fellow marksmen from their home gun club.

“We were all relaxed because we didn’t think we were shooting, so we just went out to have fun,” he said. “It actually turned out to be a nice day.”

“I was just relaxed, and everything turned out the way it was supposed to,” he added with a laugh.

Earning the High Junior title was Gabe Rampy, 19, of Bremen, GA, with an overall score of 190-3x. Rampy was also the High Junior of the Vintage Military event.

David Thompson, 52, of Cumberland, MD, was the overall winner of the Modern Military Match, with a score of 294-7x. High Senior was Franco Scarpino, 70, of Pembroke, MA, finishing with an aggregate of 287-6x in the event. He was also the High Se-

nior of the Vintage Military event.

Collin Williams, 19, of Granby, MA, led as High Junior of the event, with a score of 285-5x. Collin is the son of Garand and 4-Gun Aggregate winner Brian Williams.

Falling one point shy of the National Match score in the Vintage Sniper event was team Hard Leg 1, with members Paul Patel and Terrence McCoy recording a score of 397-20x in the manual competition. Team

Winning the Springfield Match was PVT Sammy Richardson. He was also the winner of the 3-Gun Aggregate.

Owasippe Scouts, John Mitchell and John Mitchell, fired a score of 372-7x to overtake the semi-automatic class.

Fred Szablewski, 68, of Skippack, PA, was the high scoring individual of the Vintage Sniper Match, with an outstanding score of 200-4x.

Returning to the 2017 CMP match schedule was the Roosevelt Commemorative Match – named to honor the president who started it all for the practice of civilian marksmanship. The event featured the same course of fire as the John C. Garand Match.

Winning the event was SSgt. Stephen Ferguson, 35, of the U.S. Marine Corps, who fired a score of 288-9x. Only one of a handful of competitors who competed in the CMP Cup Matches, CMP National Match Pistol Portion and all of the National Match Trophy Rifle and Games Matches, SSgt. Ferguson spent an extended amount of time on the ranges of Camp Perry to not only to compete, but also to bask in the company of those around him.

“I enjoy the crowds that come out for CMP Games, and it’s a wonderful thing, in my opinion, to get out and talk to the crowds and help people with their shooting abilities and understand why we do the things we do – trying to get a face of the Marine Corps out there and help out as much as we can,” he said.

“I didn’t really care about winning. I just wanted to hang out and enjoy the people to my right and my left,” he added. “There were a lot of smiles out there, and if I can make

someone else’s day better, then it was all worth it. And if I won, cool, and if I didn’t, that’s okay too.”

High Senior of the event was Larry Stonecipher, 64, of Ada, OK, with a score of 273-8x. He was also the High Senior of the Springfield event.

In the National Rimfire Sporter event, high

winds with gusts up to 25 mph challenged competitors on the line. In the end, James Rhodes, 56, of Clawson, MI, was the overall winner of the O-Class, with a score of 567-16x – topping the second place competitor by only one point. Past Rimfire champion Sam Payne, 18, of Kingston, GA, was High Junior of the event, finishing third overall.

Payne, who holds the T-Class National Record, was also the High Junior of that class and placed second behind Peter Yarbrow, 42, of Mishawaka, IN, who fired a score of 586-33x for the win.

Yarbrow went on to win the Tactical Class with a score of 585-27x. Dylan Zettlemoyer, 18, of Turbotville, PA, finished fifth overall as the High Junior of the match.

Brianna Toikkanen, 19, of Conneaut, OH, made marks in the Tactical Class for the third year in a row – having finished as the High Junior in 2015 and 2016 and this year earning High Woman in the category.

As in past years, many competitors traveled to Camp Perry to fire in the Games events.

Mowrer Defends Air Challenge Title During 2017 National Match Air Gun Events

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Saving his place as the overall competitor in the AiR-15 Challenge during the 2017 National Air Gun Matches was SGT Nick Mowrer, 28, of the U.S. Army Reserve. Last year, SGT Mowrer competed for the first time in the event, which is held at the Civilian Marksmanship Program’s Gary Anderson CMP Competition Center at Camp Perry, and won the overall title. Wanting to earn back-to-back wins, he admitted there was an added amount of difficulty to this year’s match.

“I felt a little more pressure than last year just because I really wanted to reach that goal,” he said. “But for the most part, I was pretty calm and relaxed in the beginning, and as things weren’t going the way I wanted them to go, it got a little more frustrating.”

He added, “But all in all, it was good. I just stuck to the fundamentals and kept bringing me back to it and execute good shots.”

Competitors qualify for the Shoot Off in a 20 Shot Match using AiR-15 lead pellet air guns that mirror the look of highpower service rifles. The overall winner of the event is determined when the Top 20 competitors of the event take the firing line to compete in an elimination challenge – with the last person standing as the champion.

Mowrer went into the Shoot Off in sixth position and stayed confident to fight his way to first. He’s accustomed to competition pressure, having fired in the 2012 London Olympics in the Men’s 50m Pistol. Just a few of his many other accomplishments include winning gold in the 2008 National Junior Olympic Championships in Free and Air Pistol, gold at the 2011 National Championships in Free Pistol and earning silver during the 2015

Pistol Selection in Free Pistol. He was also a member of The Ohio State University air pistol team and is currently on the Army Reserve shooting team.

Along with defending his title, Mowrer also received \$650 for his win. Looking to the future, he already has plans of coming back again to ensure his name stays in that first place spot.

“Yeah, I’ll be here next year,” he said with a smile.

Second place finisher Brad Schoenemann, 17, of Lodi, WI, was happy to finish behind Mowrer, saying, “I would’ve been happy with sixth place, but I was thrilled to get into the top three.”

A highpower shooter for the last three years, Schoenemann had his own successes on the outdoor ranges as a part of the WI Force Cheddar junior team that overtook the 2017 National Junior Trophy Team Match and was also named the High Junior Team of the National Trophy Team Match.

Team CMP Highpower member Nick Till, 43, of Howell, MI, landed in third in the Shoot Off.

In air rifle standing matches, Katie Frye, 17, of Greensburg, PA, fired a perfect score of 200 in the NMAR Match Rifle Standing Re-Entry event. SFC Daniel Dorosheff, 44, of the U.S. Army Reserve, topped the AiR-15 20 Shot Standing Match with a score of 194-2x.

Winning the 20 Shot Sporter Rifle Standing Re-Entry was National Match newcomer Jaycie Hoenig, 18, of Winthrop Harbor, IL, with a score of 196.

A series of Bench League rifle matches, fired from a fixed position, were also held during the month. Justin Kleinhans, 17, of Port Clinton, OH, led the 30 Shot AR-15 Bench League Match – only dropping two points with a score of 298-23x. Kleinhans finished one point above John Holliger from White Oak Armament, who recorded a score of 297-19x.

Winning the AiR-15 Challenge Shoot Off for the second consecutive year was SGT Nick Mowrer of the U.S. Army Reserve.

Top places in the AiR-15 Shoot Off each received monetary awards from the CMP.

Earning the second place spot was Brad Schoenemann of the WI Force Cheddar champion junior highpower team.

Miki Marciniak, 60, of Macomb, MI, won the 30 Shot Sporter Bench League event by only three x’s – beating out last year’s winner Nora Gallagher with a score of 297-26x. Firing an incredible score of 300-27x in the Bench League 30 Shot Precision Match was Nevada Todt, 22, of Becksville, OH. Todt also only won by three x’s to beat out last year’s second place finisher, Joyce Edwards.
