

3D Printing Policies

- I. The printers are available to library card holders to make three-dimensional objects in plastic using a design that is uploaded from a digital computer file. The Library's 3D printers may be used only for lawful purposes. The public will not be permitted to use the Library's 3D printers to create material that is:
 - a. Prohibited by local, state or federal law.
 - b. Unsafe, harmful, dangerous or poses an immediate threat to the wellbeing of others. (Such use may violate the terms of use of the manufacturer.)
 - c. Obscene or otherwise inappropriate for the Library environment.
 - d. In violation of another's intellectual property rights; for example, materials that are subject to copyright, patent or trademark protection

- II. The Library reserves the right to refuse any 3D print request.

- III. There will be a materials charge of 15 cents per gram of filament used in the printing process, with a minimum charge of \$2.50. Objects will be rounded up to the nearest gram for pricing purposes. Payment must be received prior to printing.
