Guaranteed Accurate Weights

At CAT Scale, we stand behind our weights. Period. The next time you need to weigh, look for the black and gold sign and get weights you can trust.

“ Arizona DOT gave me a \$5,000 fine. I weighed on a CAT Scale so I knew I was legal. I called CAT Scale and they never flinched. CAT Scale was in my corner. They defended me. It's not just advertising.”

– Ben
Texas
