

UNIVERSITY OF  
CALGARY

# Viewbook

for fall 2023 applicants

The University of Calgary acknowledges the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to the Métis Nation of Alberta, Region 3.

Learn about our Indigenous Strategy, *ii' taa'poh'to'p*, at: [ucalgary.ca/indigenous](https://ucalgary.ca/indigenous)

▶ Watch Dr. Reg Crowshoe, Traditional Knowledge Keeper in Residence at UCalgary, share **why territorial acknowledgements are important.**

# UCalgary at a glance

-  Founded in **1966**
-  **28,000+** undergraduate students
-  **Five** campuses
-  **14** faculties
-  Canada's **entrepreneurial** university
-  Youngest **Top-5** research university in Canada
-  **94%** after-graduation employment rate
-  **95%** undergraduate retention rate

# Start something.

## Ready to join Canada's most entrepreneurial university?

Experience a premier education at one of the nation's top five research universities. Whichever of our 250+ program combinations you choose, we'll help you turn your next big idea into a reality.

Access many resources designed to spark innovation, including creative labs to develop your ideas, programs to help launch start-ups and mentorship from local entrepreneurs.

If you're ready to find your voice, take the spotlight and shape the future, this is the place to make it happen.

Join **innovative projects**, such as the UCalgary solar car (below).

Use **creative spaces**, such as a virtual reality studio and a makerspace with 3-D printing.

Take **specialized programs**, like LaunchPad (left), designed to fuel your inner entrepreneur.

## Meet Gillian

one of our student innovators

Gillian's chemical engineering courses **sparked an idea** for a better moisturizer acne solution.

As part of LaunchPad, a program that builds entrepreneurial skills, Gillian further **developed her idea**.

Gillian **launched bAlm**, a company that provides skin health education and products to help people be confident in their skin.

bAlm **finished in first place** in the 2021 Innovation Rodeo competition, receiving \$12,500.

Where will your UCalgary journey lead you?

# Live your best university life

Explore the Rocky Mountains, including breathtaking mountain views and world-famous destinations like Banff and Lake Louise.

Bike one of North America's longest urban pathway systems or float through Calgary on the Bow River.

Hey! Looking for your next **big opportunity?** This is the place to find it.

Most patents per capita in Canada

Most head offices per capita in Canada

Highest average personal income in Canada and no provincial sales tax

Canada's highest concentration of high-tech workers

Calgary has 270+ festivals and a vibrant arts scene with 18 theatre groups and 13 museums and galleries.

Forge your path in Canada's entrepreneurial city, a hotbed for start-ups including alumni-owned Skip the Dishes, Uber and Rviita Energy Tea (pictured).

## Your vibrant community

Calgary is Canada's youngest and third-most diverse city. Explore lively neighbourhoods, festivals like Beakerhead or the Calgary Folk Music Festival, and world-class attractions like the National Music Centre, Central Library or Calgary Tower.

## Your city of opportunity

Calgary is the innovation capital of Canada, a leader in many fields including aerospace, agribusiness, creative industries, energy, financial services, interactive digital media, and life sciences. Get your start in a city famous for fresh ideas and new beginnings.

3<sup>rd</sup> most livable city in the world

6 major ski resorts within 3 hours

Canada's sunniest major city

10,000+ hectares of green spaces

25 of Canada's top 100 restaurants

# Explore your university

Live and study in a park-like setting — a hub of social, cultural and academic life. Day or night, there's always something new to discover. With transit connecting the university to the rest of Calgary, it's easy to explore the city too. The university's light rail station (LRT) is just five short stops from downtown.

Alberta's first fair trade campus

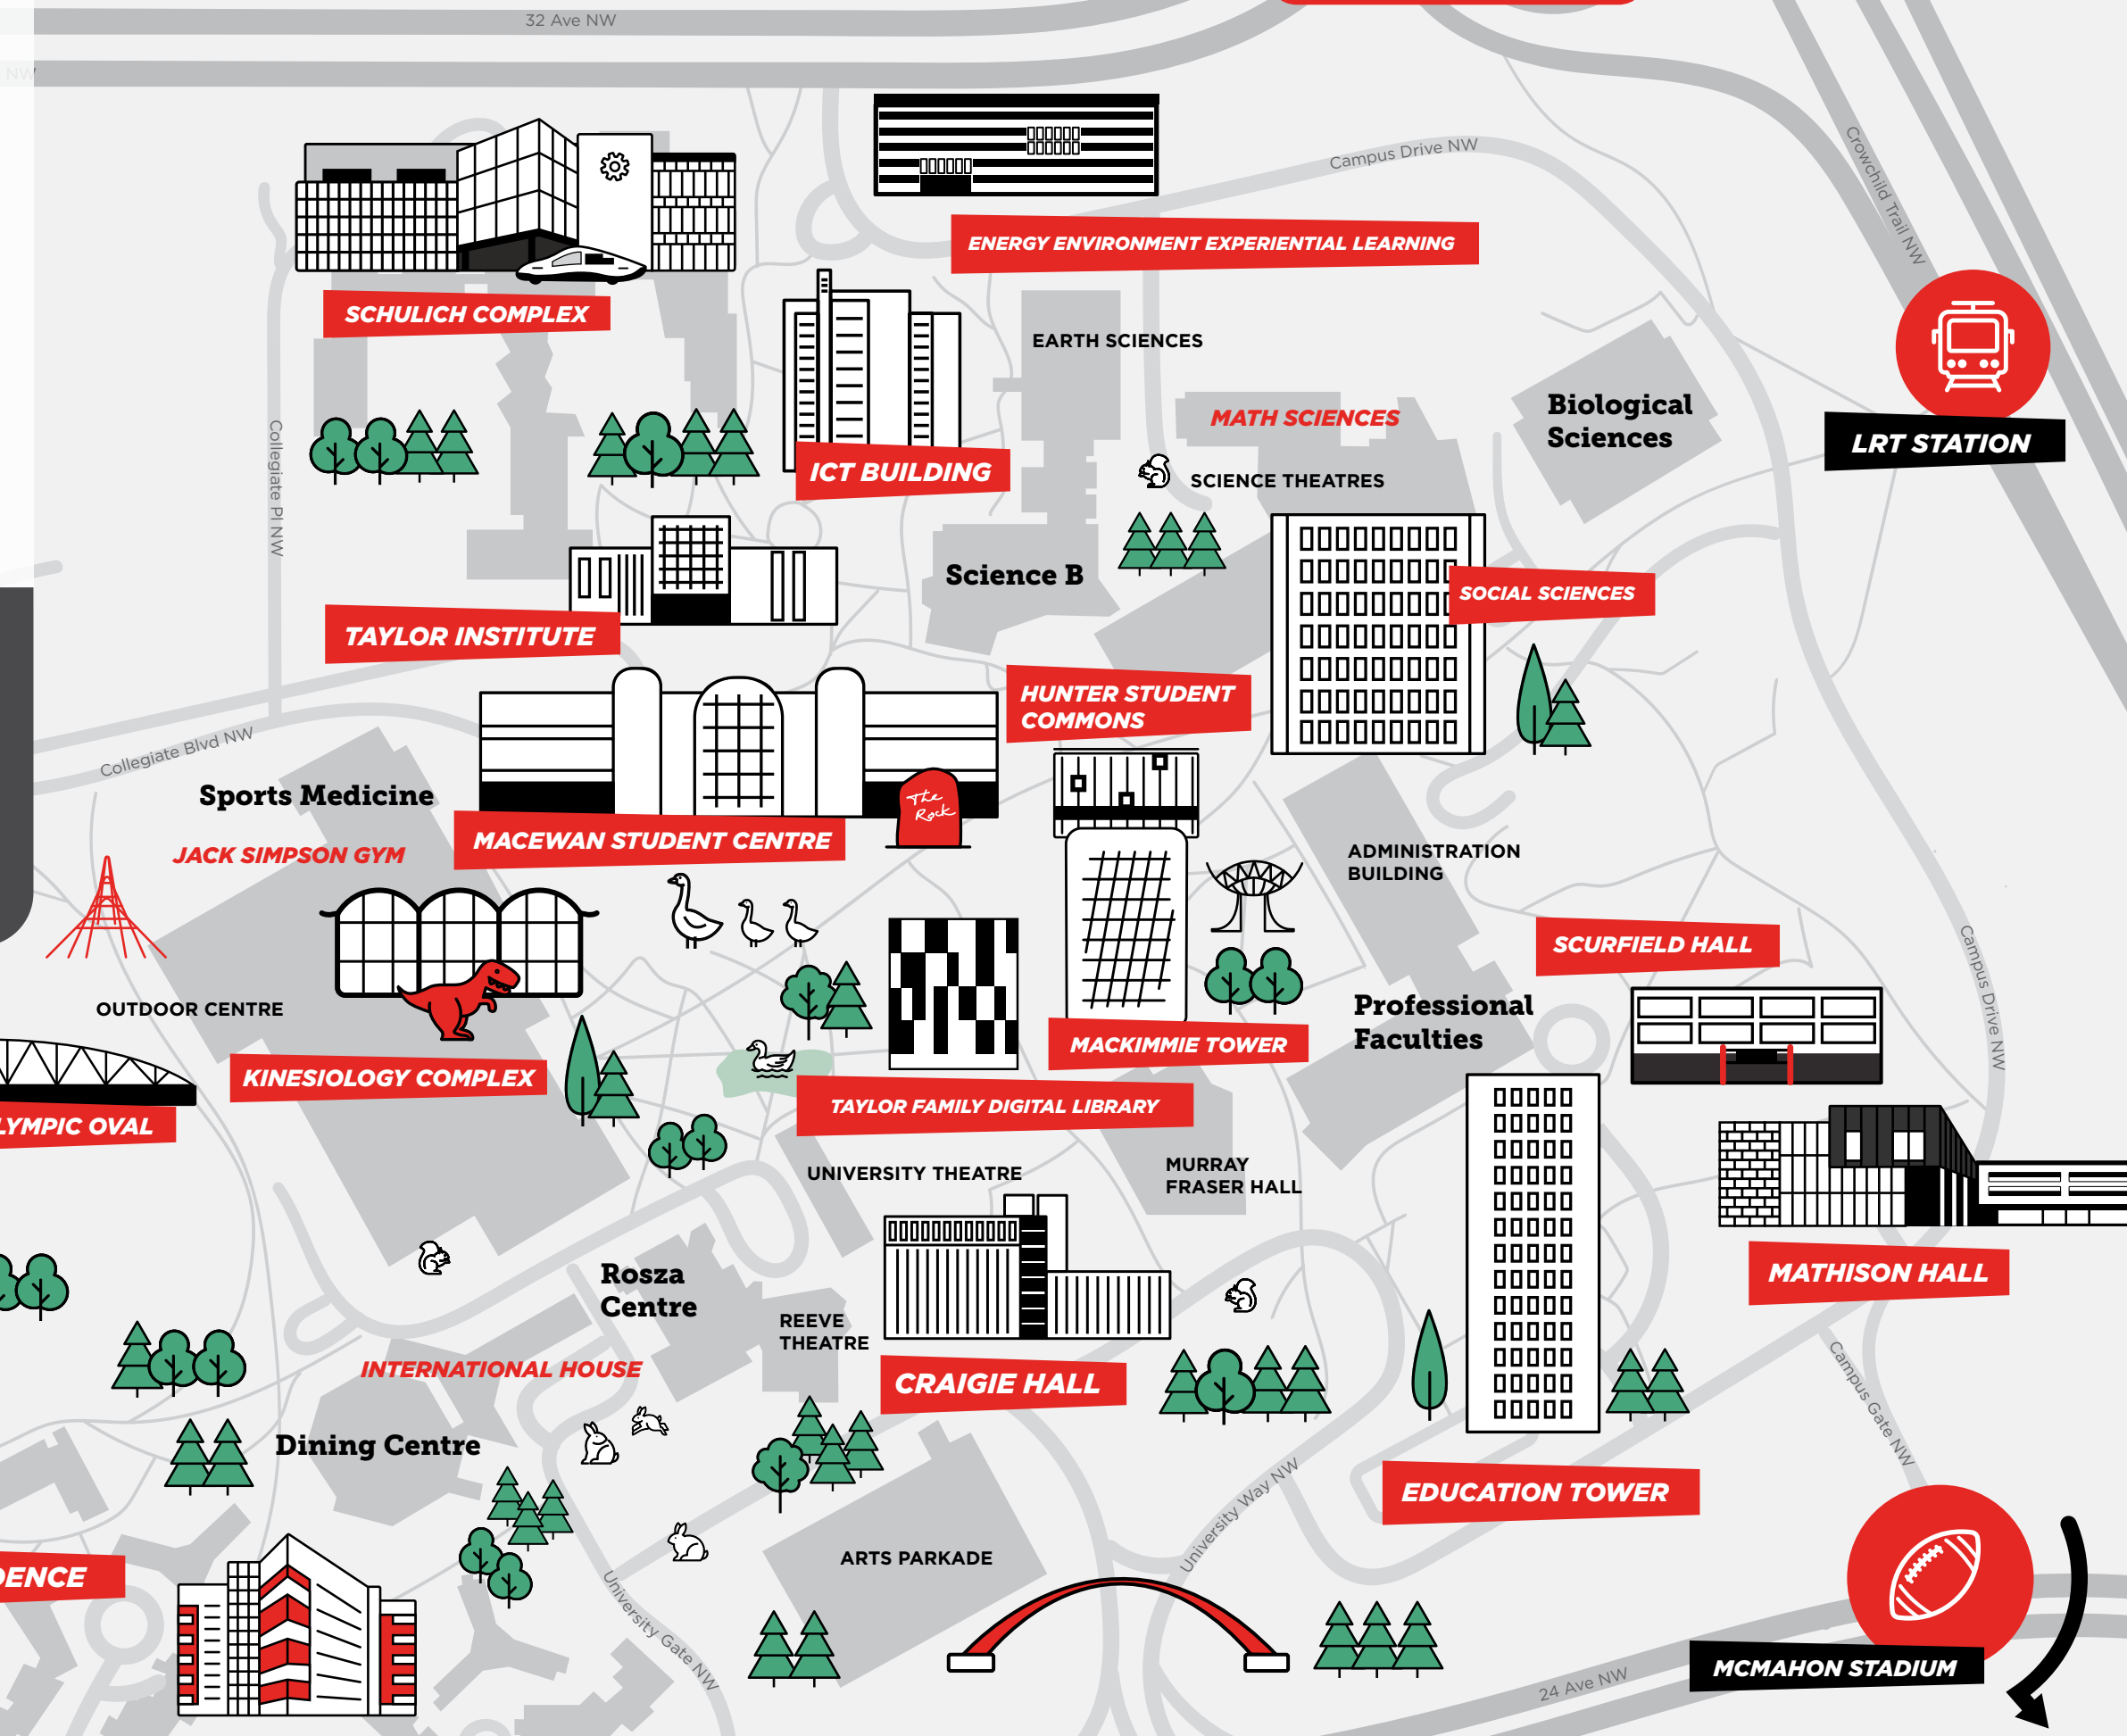

Top 5% globally for advancing the UN sustainability goals

Heated walkways between buildings

Community edible gardens

Diverse local wildlife

Check out UCalgary on [Google Street View](#)

UNIVERSITY DISTRICT

FOOTHILLS CAMPUS

MCMAHON STADIUM

## Exceptional facilities

📍 **Energy Environment Experiential Learning (EEEL) building** — One of the most energy-efficient laboratory buildings in North America, renowned for its pioneering architecture, innovative instructional and study spaces, and platinum-level LEED certification

📍 **Hunter Hub for Entrepreneurial Thinking** — A space to help students develop entrepreneurial thinking and to connect start-ups with investors and industry leaders

## Student activities

📍 **Lab Next Makerspace** — Features technology to design your own projects, such as 3D printers and scanners, milling machines and a virtual reality simulator

📍 **Olympic Oval** — Built for the Olympic Winter Games and featuring the world's fastest ice, a great place to skate with friends or watch international speed skating

📍 Play on one of our **50+ intramural sports teams**

📍 Get all the adventure gear you need at the **Outdoor Centre**, the largest centre of its kind in North America

📍 Join one of **300+ student clubs**

📍 Attend on-campus **dance, drama and music events**

📍 **Cheer on your Dinos** and be entered into draws for scholarships and other prizes

📍 **Taylor Family Digital Library** — One of North America's most technology- and information-rich facilities, home to a state-of-the-art visualization studio and Canada's largest gaming collection

📍 **The Atrium** — A favourite study space for students, featuring lush vegetation and lots of natural light

📍 **MacEwan Student Centre & MacEwan Hall** — The hub of social activity on campus, with 20+ food outlets and one of Calgary's premier concert venues

📍 Use **world-class facilities** like the Aquatic Centre, Olympic Oval or Fitness Centre

📍 Join a **Leadership and Student Engagement program**, like the annual Camp Lead

📍 Find **supportive community** in friendly spaces like the Women's Resource Centre or Faith and Spirituality Centre

# Hear from UCalgary students

Want an insider's perspective of what it's like to be part of our **Dinos community**? Some of our students share their experiences, as well as their best tips for navigating UCalgary life like a pro.

## Future students blog

[ucalgary.ca/news/future-students](http://ucalgary.ca/news/future-students)

Read these stories and many more – like tips for making friends on campus or what students wish they'd known in their first year.

**Meet Areeb (kinesiology)** as he shares his favourite things about UCalgary and his program.

Best breakfast spot, best place to take a nap, weirdest UCalgary tradition — **get the inside scoop** from five students.

A day in the life of Tessa

**What's a day in the life of a student look like?**

Let Tessa, Damilola and Bharat show you what they do on a typical day at UCalgary.

A day in the life of Damilola

A day in the life of Bharat

← **Meet Kim (business)** and hear how getting involved in his student community gave him new perspective and direction

Take a **closer look** at life as a UCalgary student

 Find these and many more videos about life as a student and the amazing opportunities available on our **Choose UCalgary** YouTube channel.

# Make yourself at home

Join 2,500 students from across Canada and more than 75 countries. Apply for residence by **May 1** and receive a **guaranteed room for your first two years of study.**

### Choose convenience

Skip the commute and live as close to your classes as possible. Easily access the library, labs, professors, study lounges, the Fitness Centre, study groups and more.

### Immerse yourself

Living on campus makes it easy to meet new friends, get involved in your student community, and access leadership, academic and wellness resources.

### Select your roommate

You can choose your roommate through a matching service or request to live with a friend. Gender-neutral wings are available.

Move-in day at UCalgary is one of the most exciting days of the year, and our friendly student volunteers will be there to help you settle into your new home.

Traditional style room

### Eat what you want—when you want

The Landing offers the 5-day and 7-day unlimited-entry *All You Care to Eat* meal plans with multiple fresh food options available including gluten-free, vegan, vegetarian and halal.

Food labelling and one-on-one consultations are available with a staff dietician and the executive chef.

The Landing, where a variety of fresh food options are available daily.

Employment and leadership opportunities

Wellness and academic support

Short walk to classes, library, labs and activities

Residence events, activities and themed dinners

Fully-furnished units (including internet, utilities and more)

Dedicated academic communities

24/7 security

### First-year residence room costs

First-year shared accommodations	\$3,953 - \$7,508
First-year single accommodations	\$6,752 - \$9,053

### First-year meal plan costs

A 7-day or 5-day *All You Care to Eat* meal plan is mandatory for first-year residence students. Optional swipe plans are great for students who live off-campus.

7-day <i>All You Care to Eat</i> plan	\$5,025
5-day <i>All You Care to Eat</i> plan (Mon. - Fri.)	\$4,043
250 entries swipe plan	\$2,870 (+GST)
120 entries swipe plan	\$1,507 (+GST)

**Note:** Fees are per student for an eight-month period (Sept. - April) and based on the 2022-23 academic year.

# Explore your world

**Earn credits toward your degree in another country!** With 200+ partners and programs worldwide, our Study Abroad program is a chance to explore new ideas through study and travel.

UCalgary students using the world as their classroom! Where better to study the history of early Greece than where it all happened?

Starting salaries **17% higher** than other graduates on average

**97%** working **within 12 months** of graduation

What students gained from the experience

**97%** say they gained **maturity & awareness**

**96%** say they increased their **self-confidence**

Photo by Gavin Schneider in Norway

## Find your inspiration

Studying in another country has inspired many students to make positive change. UCalgary's first campus bikeshare program was started by Gavin Schneider, who got the idea from his studies in Europe.

*What innovative idea will you bring back from your travels?*

## But wait! Can I afford it?

As part of the Study Abroad program, you pay your normal UCalgary tuition and avoid the much higher fees you would have to pay as an international student.

There are many Study Abroad funding opportunities available for UCalgary students.

## Learn more about Study Abroad

[ucalgary.ca/international/study-abroad](http://ucalgary.ca/international/study-abroad)

# We're here for you

## Your academic success

The Student Success Centre has advising, learning support and writing support staff who can assist you in achieving your goals.

## Your health & wellness

Student Wellness Services provides a variety of supports on campus, including medical, chiropractic, massage, mental health support, and wellness workshops.

## Your career path

Our Career Services team can help you find a career you'll love. You can also prepare for your future with Co-Curricular Record and leadership training programs.

*Learn more about all our services*

[ucalgary.ca/future-students/undergraduate/services](http://ucalgary.ca/future-students/undergraduate/services)

## Our diverse community

UCalgary is a diverse community committed to removing barriers encountered by equity deserving groups, including women, Indigenous peoples, visible/racialized minorities, persons with disabilities, and LGBTQ2S+ students.

Learn more at:  
[ucalgary.ca/equity-diversity-inclusion](http://ucalgary.ca/equity-diversity-inclusion)

*"My involvement with the Women's Resource Centre was essential to my growth personally and as a leader. Working on campus now, I feel prepared both as an international relations graduate and from being involved in the university community."*

**HEND**

# Go beyond the classroom

**Your education is so much more than a degree.** Choose a university that provides experience in your field and meaningful research opportunities.

Students and faculty are working to develop new ways of measuring brain activity in real time.

Work-integrated learning projects, like iCare, give students the chance to gain experience and impact their community.

## Work-integrated learning

More than a quarter of UCalgary students benefit from co-ops, practicums and internships – gaining valuable work experience and making connections with potential employers. Our students gain experience with a variety of leading companies, including Amazon, Garmin, Suncor and BMW.

### What are co-ops, internships and practicums?

Co-ops	Optional	Paid	4, 8, 12 or 16 months (full time)	Available for Arts and Commerce
Internships	Optional	Paid	12 - 16 months (full time)	Available for Sciences and Engineering
Practicums	Required for some programs	Paid or unpaid	Varied durations, integrated with the program	Available for Education, Engineering, Kinesiology, Nursing, and Social Work

*Learn about work-integrated learning*

## World-changing research

Whether solving the mysteries of the quantum world or addressing food insecurity, our researchers are making a difference. As **one of Canada's top five research universities**, UCalgary provides more opportunities for students to get involved in world-changing research.

★ More than **1,600** undergraduate students have conducted real-world research in the past two years.

*"My project investigated potential vaccine development to combat Legionnaires' disease. It was an opportunity to **explore beyond my degree**, pursuing my interest in the intersection between business and health care."*  
**QUYEN**

*"From engineering cells with the iGEM Team to simulating COVID-19 in virtual reality, the **hands-on, interdisciplinary research** showed me that innovation occurs when we break out of the rigid roles we set for ourselves."*  
**MICHAEL**

*"The UCalgary Global Online Research Program helped me gain international exposure. The learnings I acquired from my research assisted me in **landing an internship** with a leading energy corporation."*  
**PRAGYA**

*Learn about student research opportunities*

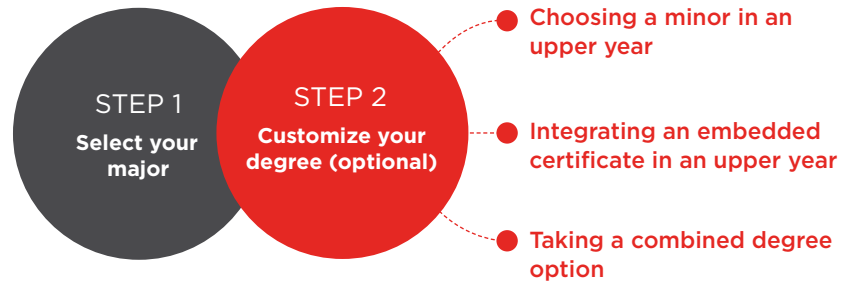

*Learn what it means to be a top-5 research university*

# Areas of study

**Selecting and customizing a degree** to match your goals is a simple two-step process.

Learn more about choosing your degree

[ucalgary.ca/future-students/undergraduate/choosing-your-degree](http://ucalgary.ca/future-students/undergraduate/choosing-your-degree)

## SCHOOL OF ARCHITECTURE, PLANNING AND LANDSCAPE (SAPL)

We offer the first undergraduate degree in Western Canada that combines design thinking with a focus on innovative change in the physical and social infrastructure of cities. The unique curriculum integrates studio-based learning, real-world projects and courses that address climate change, sustainability, global citizenship, entrepreneurship and data science to prepare students to shape our future cities.

### Bachelor of Design in City Innovation

Design in City Innovation

Students tackle real-world problems by collaborating on industry-based, design studio projects.

## FACULTY OF ARTS

Learn to critically address today's complex events and circumstances. Take advantage of co-op placements in many programs or apply to join the Arts and Science Honours Academy offering exclusive courses and a small cohort experience. Dance, drama, music and visual studies students will receive a world-class education in the School of Creative and Performing Arts.

### Bachelor of Arts

- Ancient and Medieval History <sup>1,2</sup>
- Anthropology <sup>1,2</sup>
- Archaeology <sup>1,2</sup>

## HASKAYNE SCHOOL OF BUSINESS

At the Haskayne School of Business, we believe in purpose-driven business. Guided by the United Nations Sustainable Development Goals, students learn how to apply entrepreneurial ideas and risk management practices to impact sustainability and ethical leadership in businesses. Your BComm degree can be customized to suit a wide array of career pathways, with over 16 areas of teaching and extra-curriculars. We develop BOLD LEADERS who will change the world.

★ If you don't know which concentration to choose, you can select the Business concentration to take a variety of courses. You can remain as a Business generalist or switch to a more specific concentration in an upper year.

Each Bachelor of Education major includes 20 weeks of field experience.

Kayla Bellerose, a recent fine arts graduate, is an emerging Indigenous artist.

### Footnotes

- <sup>1</sup> | Co-operative education and/or internship options available
- <sup>2</sup> | Honours program offered in upper years
- <sup>3</sup> | Program offered as partnerships program
- <sup>4</sup> | Direct entry honours program
- <sup>5</sup> | Must meet entrance requirements for combined degree program
- <sup>6</sup> | Combined education program requires that students complete two degrees concurrently

## Bachelor of Commerce

- Accounting <sup>1,2</sup>
- Business <sup>1,2</sup>
- Business Analytics <sup>1,2</sup>
- Business Technology Management <sup>1,2</sup>
- Energy and Professional Land Management <sup>1,2</sup>

## SCHULICH SCHOOL OF ENGINEERING

Located in Canada's engineering capital, Schulich School of Engineering is where bold ideas are realized. Experiential learning, cutting-edge makerspaces and a celebrated paid internship program give our engineering graduates the skills to meet the challenges of the future.

### Bachelor of Science in Engineering

- Biomedical Engineering <sup>1</sup>
- Chemical Engineering <sup>1</sup>
- Civil Engineering <sup>1</sup>
- Electrical Engineering <sup>1</sup>
- Geomatics Engineering <sup>1</sup>
- Mechanical Engineering <sup>1</sup>
- Software Engineering <sup>1</sup>
- Sustainable Systems Engineering <sup>1</sup>

★ Engineering students who complete their first-year courses successfully are guaranteed placement in the program of their choice.

Maker Multiplex (M2) gives students the opportunity to explore robotics and mechatronics, art and textiles, music and sound, and much more.

State-of-the-art simulation labs and manikins provide real-world training scenarios.

The Rothney Astrophysical Observatory, one of Canada's best equipped astronomical teaching facilities, gives students the opportunity to use research grade telescopes.

Find detailed descriptions of all our undergraduate programs

[ucalgary.ca/future-students/undergraduate/explore-programs](https://ucalgary.ca/future-students/undergraduate/explore-programs)

The highly advanced CTEP Laboratory gives students the chance to contribute to research for the prevention and management of chronic diseases.

## FACULTY OF KINESIOLOGY

Join the #1 sport science school in North America. Be active while learning leadership skills in many sports – and study scientific topics including anatomy and biomechanics. Thrive in practicums with organizations like the UCalgary Dinos or Olympic teams that train at our Olympic Oval.

### Bachelor of Kinesiology

- Kinesiology <sup>2</sup>
- Leadership and Coaching <sup>2</sup>
- Motor and Psychosocial Aspects of Movement <sup>2</sup>

### Bachelor of Science

- Biomechanics <sup>2</sup>
- Exercise and Health Physiology <sup>2</sup>
- Kinesiology <sup>2</sup>
- Motor and Psychosocial Aspects of Movement <sup>2</sup>

## FACULTY OF NURSING

Our unique curriculum integrates theory courses with leading-edge nursing simulations and practicum placements that will prepare you for an exciting career. This student-focused nursing program can take you anywhere you want to go.

### Bachelor of Nursing

Nursing

## FACULTY OF SCIENCE

Many of our programs feature field schools and summer research opportunities. Whether in a lab working on quantum information and computing, studying auroras on one of Canada's largest telescopes, or examining European green crabs at the Bamfield Marine Sciences Centre, you have endless opportunities to explore.

### Bachelor of Science

- Actuarial Science <sup>1,2</sup>
- Astrophysics <sup>1,2</sup>
- Biochemistry <sup>1,2,3</sup>

- Biological Sciences <sup>1,2</sup>
- Cellular, Molecular and Microbial Biology <sup>1,2,3</sup>
- Chemistry <sup>1,2</sup>
- Computer Science <sup>1,2</sup>
- Environmental Science <sup>1,2</sup>
- Geology <sup>1,2</sup>
- Geophysics <sup>1,2</sup>
- Mathematics <sup>1,2</sup>
- Natural Sciences <sup>1,2</sup>
- Neuroscience (honours only)
- Physics <sup>1,2</sup>
- Plant Biology <sup>1,2,3</sup>
- Zoology <sup>1,2,3</sup>

## CUMMING SCHOOL OF MEDICINE

Join a leading medical school with seven research institutes and more than 2,500 students. Whether you want to pursue a career in health research to advance knowledge in areas such as cancer and infectious disease, or increase health outcomes in marginalized communities, our diverse program offerings will provide you with a solid foundation at the start of your career.

### Bachelor of Community Rehabilitation

Community Rehabilitation

### Bachelor of Health Sciences (honours only)

- Bioinformatics
- Biomedical Sciences
- Health and Society

Bachelor of Health Sciences students conduct research that could lead to improvements in the management of pre-term labour.

**Programs requiring previous post-secondary study**

Education (after-degree)	Social Work <sup>5</sup>
Energy Engineering <sup>1,4</sup>	Veterinary Medicine (Canadian students with Alberta residency only)
Graduate Studies*	
Law	
Medicine (Canadian students only)	

\*UCalgary boasts a number of world-class graduate programs to further specialize after completing your initial undergraduate degree. Learn more at: [grad.ucalgary.ca](https://grad.ucalgary.ca)

**Footnotes**

- <sup>1</sup> | Co-operative education and/or internship option available

# Your first steps to becoming a Dino

1

**Explore** what UCalgary has to offer

**Learn about becoming a Dino**

Join one of our many online or in-person tours and events throughout the year. Check out our *Start Your Journey with UCalgary* webinar series or attend one of our national meet-and-greet events for prospective students.

[ucalgary.ca/future-students/undergraduate/tours-and-events](https://ucalgary.ca/future-students/undergraduate/tours-and-events)

**Choose your programs**

View our programs online and identify your top two.

[ucalgary.ca/future-students/undergraduate/explore-programs](https://ucalgary.ca/future-students/undergraduate/explore-programs)

2

**Check** program requirements

**Required courses**

Each program has five courses required for admission. You can see which courses are required for each program in the tables on the following pages.

**Your admission average**

Your admission average is calculated using the five required courses.

If you are in high school, an early admission average will be calculated with your Grade 11 or junior-level required courses (or equivalent). If grade 12 or senior-level courses (or equivalent) are completed, they will be used to calculate the average. This includes predicted results for students in a year-long curriculum.

3

**Submit** your application

**Apply early!**

Applications open **Oct. 1, 2022**. Apply online and pay the \$125 application fee (\$145 for students with international credentials).

When you apply, be sure to rank your program choices with your most desired program as your first choice. If you receive an offer to your first choice program, this is the only offer you will receive.

You can apply or change your program choice(s) until **March 1, 2023**.

Have questions along the way? Contact our recruiters. We're here to help!

[ucalgary.ca/recruiters](https://ucalgary.ca/recruiters)

# Admission requirements

Use this table to check the admission requirements for your program of choice. If you're from a province or territory other than Alberta, you can view a list of equivalent courses on pages 28 and 29.

**Ready to apply?**

Once you've checked the requirements, you can apply online anytime from Oct. 1, 2022.

[ucalgary.ca/future-students/undergraduate/apply](https://ucalgary.ca/future-students/undergraduate/apply)

Elementary Secondary K-12 \* Community-based program (unmarked programs are campus-based)

### Important notes

- Two courses in the same subject area may not be presented to satisfy entrance requirements unless the courses are Mathematics 30-1, Mathematics 30-2, Mathematics 31 or equivalent.
- Only one senior-level course of the same language may be used to satisfy admission requirements.
- A maximum of one Fine Arts course may be used for admission.

### Approved Alberta high school courses

<b>FACULTY OF NURSING</b>	Low 90s	<ul style="list-style-type: none"> <li>English Language Arts 30-1</li> <li>Mathematics 30-1 or 30-2</li> <li>Chemistry 30</li> <li>Biology 30</li> <li>One approved course or option</li> </ul>	<ul style="list-style-type: none"> <li>English Language Arts 20-1</li> <li>Mathematics 20-1 or 20-2</li> <li>Biology 20</li> <li>Chemistry 20</li> </ul>	Mathematics 30-2 is preferred.
<b>FACULTY OF SCIENCE</b>	Honours and Neuroscience: mid 90s Biology: high 80s Computer Science: mid 80s All other programs: high 70s <i>Natural Science and Environmental Science majors must meet the admitting average of their concentration.</i>	<ul style="list-style-type: none"> <li>English Language Arts 30-1</li> <li>Mathematics 30-1</li> <li>Two of Biology, Chemistry or Physics at the 30 level, Mathematics 31, CTS Computer Science 30 level (5 credit)</li> <li>One approved course or option</li> </ul>	<ul style="list-style-type: none"> <li>English Language Arts 20-1</li> <li>Mathematics 20-1</li> <li>Two of Biology 20, Chemistry 20, Physics 20</li> </ul>	Students are encouraged to take high school courses related to their intended major.

### English language requirements

There are three ways to meet our English language entrance requirements:

#### 1. High school studies

Three years of study in an ELP exempt country, or at an accredited high school (Canadian, American, British or CIS school) where English is the primary language of instruction. Your final English course must also be equivalent to Alberta's senior level (Grade 12) English.

#### 2. English language test scores

Present the minimum required score from an accepted test:

Duolingo - <b>115</b>	IELTS - <b>6.5</b>
TOEFL (internet-based) - <b>86</b>	

*Nursing & education require higher scores.*

Learn more online, including what other tests are accepted.

[ucalgary.ca/pubs/calendar/current/a-11](http://ucalgary.ca/pubs/calendar/current/a-11)

#### 3. Academic Communication Certificate (ACC)

If you apply for undergraduate admission and complete the Academic Communication Certificate (ACC) by the end of summer term in the year of application, you could be considered for conditional admission to a degree program.

Learn more at: [esl.ucalgary.ca/programs/academic-communication-certificate](http://esl.ucalgary.ca/programs/academic-communication-certificate)

Studying a different curriculum? Use our **admission requirements tool** to see the courses you need for your program of choice.

# Additional pathways to admission

Explore other ways to become a UCalgary student.

## Are you an Indigenous student?

There are dedicated admission pathways for Indigenous learners. To be considered for all pathways, self identify as Indigenous when you complete your initial application.

Our Indigenous Student Recruitment Team is here to support. Connect at: [indigenous.recruiter@ucalgary.ca](mailto:indigenous.recruiter@ucalgary.ca)

You can find lots of great additional information for Indigenous students on our website.

[ucalgary.ca/future-students/undergraduate/indigenous](https://ucalgary.ca/future-students/undergraduate/indigenous)

## Are you 21 or over?

You can be considered for admission under our **adult student admission process** if you meet these criteria:

- 21 or older
- +
- Canadian citizen or permanent resident
- +
- Completed 12 or fewer post-secondary academic units (4 courses)

View the admission requirements under our adult student admission process.

[ucalgary.ca/future-students/undergraduate/requirements](https://ucalgary.ca/future-students/undergraduate/requirements)

## Have you considered our diverse qualifications option?

To be eligible, you need to demonstrate:

- Excellence in non-academic areas
  - or
  - High potential in academic or research activities
  - or
  - Perseverance under great difficulty or hardship
- +
- Canadian citizenship or permanent resident status

Learn about our diverse qualifications admission process.

[ucalgary.ca/future-students/undergraduate/diverse-qualifications](https://ucalgary.ca/future-students/undergraduate/diverse-qualifications)

## Do you plan to study elsewhere and transfer to UCalgary later?

If you have completed 12 or more post-secondary academic units, you'll be considered for admission based on your post-secondary academic standing.

(Some programs may also require you to complete, or be in the process of completing, specific course requirements at the high school and/or post-secondary level.)

View the admission requirements under our transfer student admission process.

[ucalgary.ca/future-students/undergraduate/requirements](https://ucalgary.ca/future-students/undergraduate/requirements)

# Tuition & fees

An education from one of Canada's top-five research universities is a valuable investment. UCalgary's tuition and fees compare favorably to other highly ranked universities.

## Estimated costs for your first year

	or		+		+	
<b>Domestic tuition</b>		<b>International tuition</b>		<b>General fees, books and supplies</b>		<b>Residence and meal plan expenses</b>
\$6,598 - \$8,646		\$24,408 - \$32,307		\$1,900 - \$2,400		\$7,996 - \$14,078

Estimated costs are for an eight-month period (September to April) and are based on an expected first-year course load and a typical student's experience in residence. Fees are based on the 2022 - 2023 academic year. Tuition fees are reviewed regularly by the Board of Governors, in consultation with students. You can find all the most up-to-date tuition and fee amounts at: [ucalgary.ca/pubs/calendar/current/p-1-1](https://ucalgary.ca/pubs/calendar/current/p-1-1)

Need help planning your expenses? Try our online **cost estimator tool**.

[ucalgary.ca/cost-estimator](https://ucalgary.ca/cost-estimator)

YOUR STUDENT FEES PROVIDE YOU WITH **GREAT BENEFITS.**

## ★ Payment plan option

We want to make it as easy as possible for our students to pay their tuition and fees. That's why UCalgary students have the option to self-enrol in a payment plan that allows them to pay in installments over the term rather than all at once.

[ucalgary.ca/registrar/finances/tuition-and-fees/payment-plan](https://ucalgary.ca/registrar/finances/tuition-and-fees/payment-plan)

# Financial awards

## Common misconceptions

### “I don’t qualify for an award.”

Criteria for awards at UCalgary varies – it is not always based on academic merit. What you do outside of the classroom has as much of an impact in selections.

### “The process is time consuming.”

Applying for High School Awards is easier than you think. In 15 minutes or so, you can complete one application to be eligible for hundreds of awards.

### “If I don’t get an award as a new student, I’ll never receive anything.”

There will be award opportunities throughout your UCalgary journey. 75% of awards are for 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year students.

## WHEN AND HOW TO APPLY

You can apply for awards as soon as you’ve submitted your application for admission. You don’t have to wait to be accepted.

View the step-by-step instructions on our awards web page. [ucalgary.ca/awards](https://ucalgary.ca/awards)

**\$20M+**  
Scholarships, bursaries and awards available annually

**\$39,400 - \$100,000**  
Value of prestige awards

**25%**  
Entering students who receive a scholarship, bursary or award

## Types of awards

Value	\$2,000 - \$5,000	\$500 - \$10,000	Up to \$25,000 per year
Application required	✘	✔	✔
Deadline	n/a	March 1, 2023	Dec. 1, 2022
Time to apply	n/a	15 minutes	Several hours (essay questions)
Examples of specific awards	\$5,000 <i>President’s Admission Scholarship</i> for students with an admission average of 95% or higher	\$600 <i>Chi-Yung Lee Memorial Award</i> for a student who contributed to their school through extracurricular activities	\$15,000 <i>Chancellor’s Scholarship</i> , renewable for four years

“Receiving the Chancellor’s Circle scholarship allowed me to engage more with my community through extracurricular activities while pursuing an undergraduate degree. This generous gift alleviated the stress and worry of having to finance a post-secondary education.”

**PAUL**  
Bachelor of Science (Neuroscience) graduate
