

DAVID L. COOPERRIDER CENTER FOR
Appreciative Inquiry
 CHAMPLAIN COLLEGE | STILLER SCHOOL OF BUSINESS

Developing an Appreciative Mindset 4-week online course

COURSE DESCRIPTION

Gain preliminary exposure to Appreciative Inquiry and how to begin to apply it within your own life. Through an interactive online portal with readings, videos, online discussions, and personal application opportunities, explore a new appreciative topic each week. Learning applications are designed to provide you with experiences in AI's unique form of delivery through interviewing and inquiry. There is an emphasis on journals, reflection, and sharing learning through online discussions.

WEEKLY TOPICS

- WEEK 1: Appreciative Living
- WEEK 2: The Elevation of Strengths
- WEEK 3: The Spectrum of AI Applications
- WEEK 4: Personal & Professional Applications

ELEMENTS OF EACH WEEKLY MODULE

- OVERVIEW: Brief details of learning aims
- RESOURCES: Readings/videos for your self-directed review
- APPLICATIONS: Activities to put your learning into practice
- DISCUSSIONS: Online forum to share and reflect with other participants
- LIVE MEETINGS: A "real time" conference call for us to connect as a learning community.
Only Weeks 1 & 4. Live meetings will be recorded and made available afterward.

REQUIRED TEXTS

Additional required readings or videos will be provided to you as a weblink, PDF, or via our online site.

LEARNING OBJECTIVES

Understand and apply the principles of AI to your personal life

Better recognize your own strengths and the strengths of others

Begin crafting your own AI-inspired applications for your personal and/or professional life

CERTIFICATE OF COMPLETION

Upon completion of this course, you will be considered an AI Affiliate (AIA) and a member of the growing global AI Community of Practice centered at the David L. Cooperrider Center for Appreciative Inquiry.
