

2022 Nature at Night Registration

Registration is by **mail only** and must be postmarked on or by **June 1**.

You may register for both a Selman Bat Watch event, which will occur in July, and a Nature at Night event, which will occur in August. Selection for both events will take place on June 15, beginning with the Nature at Night registration process. If you have registered for both events and are selected for a Nature at Night evening, your Selman Bat Watch registration will be withdrawn, and that payment will be returned. If you have registered for both events and are unsuccessful for a Nature at Night evening, your Selman Bat Watch registration will remain eligible for the July events and the Nature at Night payment will be returned. If you choose to register for both events, the separate registration forms and payments may be included in one envelope.

When Would You Like to Attend?

Select the dates you can attend and rank the dates in the order you prefer to attend. Mark 1 for first choice, 2 for second choice.

August 2022

| Sunday | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday |
