Lenovo recommends Windows Vista™ Business.

SMART. CAPABLE. UNDEMANDING.
THINKCENTRE A55

The ThinkCentre® A55 desktop is now available in a space-saving small form factor and a versatile expandable tower. Outfitted with Intel® Dual Core™ Processors, ThinkCentre A55 models provide impressive multitasking performance. And with a host of unique ThinkVantage® Technologies and design features, these competitively priced desktops combine robust security with outstanding quality to deliver exceptional overall value.
New Thinking. New ThinkCentre.™

lenovo

IF IT MADE COFFEE, YOU'D NEVER LEAVE THE OFFICE.

Outstanding value comes standard.

Your choice of technologies, like the Intel 946GZ Express chipset for faster performance and new Intel Dual Core Processors for multitasking and multimedia, make the ThinkCentre A55 desktop the perfect solution. Easily configured to your needs, ThinkCentre A55 models suit the way you work, right out of the box. Steel chassis with toolless access simplify service. And a choice of warranty options[1] means you're covered by international warranty service[2] when and where you need it. Plus, TopSeller models have been designed and priced with small and medium businesses in mind. Select models come preloaded with Genuine Windows Vista™ and are Microsoft® Office ready for the 2007 Microsoft Office Business Suites. ThinkCentre A55 desktops are products of Lenovo, a global company incorporating the former IBM PC Division. Find out more at **lenovo.com**
