PUB N GRILLE

OUR HISTORY

During the year 1731, a log house was built which constitutes the southern half of the present building and in 1760 the northern half was built.

In 1746, John Trexler applied to the Court for a license to conduct a tavern upon the site. The following is a copy of the original Petition, now on file in the Court House at Doylestown, PA, which was then the County Seat for the locality.

*"The petition of John Traxseler of Macongy Township humbly sheweth:
That whereas I live in such a part of the County where there is no tavern or house of entertainment near which reason I am burdened with Travelers, your petition humbly craves you would be pleased to grant me a Recommendation to his honour the Governor for his license in order that I may keep tavern or house of entertainment for the support of Travelers and we whose names are hereunder subscribed to Recommend him as a person filling for the business afore requested and your Petitioner as in duty bound shall pray Ec."*
