

National Tracking Poll #2005131
May 31 - June 01, 2020

Crosstabulation Results

Methodology:

This poll was conducted between May 31-June 1, 2020 among a national sample of 1624 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MC2_1: <i>How much have you seen, read, or heard about each of the following? Protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd.</i>	8
2	Table MC2_2: <i>How much have you seen, read, or heard about each of the following? Protesters looting stores and setting a police station on fire in Minneapolis in response to the death of George Floyd</i>	12
3	Table MC2_3: <i>How much have you seen, read, or heard about each of the following? Reporters being arrested during protests and demonstrations</i>	16
4	Table MC4_1: <i>In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The protest in general</i>	20
5	Table MC4_2: <i>In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? Protesters</i>	25
6	Table MC4_3: <i>In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The police</i>	30
7	Table MC5_1: <i>And, in general, would you say that you support or oppose each of the following other protests that have been occurring recently? Protests in Hong Kong</i>	35
8	Table MC5_2: <i>And, in general, would you say that you support or oppose each of the following other protests that have been occurring recently? Protests in the United States to 'Reopen America'</i>	40
9	Table MC6: <i>Which of the following comes closer to your view, even if neither is exactly right?</i>	45
