

Model Specification

The amazing Evolution 230-HDX Steel Cutting Circular Saw builds on the phenomenal Evolution 180 but offering more power and a higher spec. With its 230mm TCT blade, high power 1750-watt motor, bevel cutting, and extra laser guide feature, it takes Steel cutting technology to a new level. Large cutting capacity yet still compact and portable, it is easily transported to site in its supplied carry case. All backed by the Evolution 12-Month warranty.
