AMTRAK® SYSTEM TIMETABLE

40TH ANNIVERSARY • 1971-2011

TIME FLIES *when you're* BUILDING AMERICA

After four decades of passenger rail service, we have our eye on what's down the tracks as we work to make train travel faster and more convenient. In honor of Amtrak's 40th anniversary, we are featuring historic paint schemes on locomotives, releasing a commemorative book and producing a documentary. An exhibit train featuring memorabilia will be touring the country as well. For tour dates, see the inside back cover.

The Amtrak System

Welcome Aboard!

Welcome aboard America's Railroad!

Amtrak will celebrate its 40th anniversary on May 1. Forty years ago, Congress created Amtrak because the privately owned railroads could not sustain the vital public service of intercity passenger rail. Today, we see increasing demand for passenger rail, as evidenced by the ridership records Amtrak has set in seven of the last eight years.

In addition, many policymakers see rail as a solution to transportation congestion, economic recovery, infrastructure investments, global competition and reliance on foreign oil. Even in this cost-cutting environment, there is recognition on the part of our country's leadership that advancing our country's railroad infrastructure and system is a sound investment and a key element of our nation's strategic vision.

The pages in this timetable help tell part of our story — how we have grown with support from states for more service, provide popular high-speed rail, reach and connect communities, and link to other modes of transportation. We offer millions of Americans a safe and reliable way of commuting to work, family and friends, or fun.

It is in large part thanks to you — our new and frequent riders — that Amtrak can serve more than 500 destinations in 46 states and Canada. Because we know that you have travel options, we strive to make Amtrak an appealing choice and to make your travel experience enjoyable.

You may be familiar with some of our destinations, but I encourage you to peruse these pages to find out more about where Amtrak can take you. Our destinations offer something for everyone, and our services offer a variety of amenities and accommodations, including dining cars, lounge cars and sleeping cars on our long-distance trains.

If you have any questions or need help booking your trip, please visit Amtrak.com or call 1-800-USA-RAIL (1-800-872-7245). Our station agents or on-board crew members would also be happy to help.

Thanks for choosing Amtrak, we are proud to be America's Railroad. Enjoy the journey!

Sincerely,

A handwritten signature in black ink that reads "Joe Boardman".

ABOUT THE COVER

Cover: The Amtrak *California Zephyr* cruises through the Dotsero Cutoff at Bond, Colorado, on a late summer afternoon, coming from Glenwood Springs some 200 miles west and bound for Denver, 132 miles to the east. The Colorado River flows to the immediate north of the train. This 40-mile section of track was completed in 1934 to connect the Denver and Rio Grande Western Railroad with the Denver and Salt Lake Railroad, giving Denver a direct transcontinental link to the west. The name is a reverse spelling of the actual location, Orestod, rather than a shortening of "Dot Zero" as is commonly thought.

PURCHASING YOUR TICKET

You may purchase your Amtrak ticket with a credit card [MasterCard, Universal Air Travel Plan card (UATP), American Express, Discover and VISA] on Amtrak.com, over the phone at 1-800-USA-RAIL, at Quik-Trak kiosks and at ticket offices. Debit cards (with credit card logos) are accepted at Quik-Trak kiosks and ticket offices, and cash is accepted at ticket offices. You will be required to show acceptable identification when purchasing your tickets. Personal checks are not accepted. If no other ticketing option is available, you may pay your fare to the conductor on the train. Credit cards (but not gift cards) and cash are accepted. Please see page 138 for further information.

PASSENGER ID POLICY

Amtrak passengers are required to provide acceptable identification when purchasing tickets, whether at the station or on board the train, and while checking baggage. Valid acceptable identification includes: valid state-issued photo driver's license; state-issued photo ID for non-drivers; passport; government agency ID and other specific forms of identification. Ask agent for details.

Amtrak, in compliance with the Federal Transportation Security Administration (TSA), has a random passenger identification verification policy on board trains. Adult passengers (18 years and older) are randomly asked to produce acceptable identification by conductors on board. The random identification checks are based on a passenger's ticket number.

CANCELLATIONS

Many tickets are refundable before travel begins; a refund service charge normally applies, or you may in most cases apply the value toward future travel without a service charge. Some discounted tickets are non-refundable once purchased. Sleeping accommodations cancelled fewer than seven days prior to departure (but before actual departure) are non-refundable but the value may be applied toward future travel within one year. **If Sleeping car reservations are not cancelled prior to travel, customer will forfeit accommodation charges. Exceptions exist for late trains. Please see page 139 for further information.**

PLANNING TIPS FOR TRAVEL ON AMTRAK

1. Arrive at least 30 minutes before departure time to avoid delays. If you are purchasing your ticket or checking baggage, make sure you come even earlier, have your luggage properly labeled with your name and address, and have proper identification.
2. Pack wisely. Carry-on luggage is limited to two bags per person. You may check additional baggage through to your destination on many trains.
3. Keep track of your belongings. Store carry-on items in overhead luggage compartments, and be sure to collect all of your belongings before you leave the train. Report any suspicious people, packages, or activity to a train conductor, station personnel, or the Amtrak Police Department at 1-800-331-0008.
4. For planning your trip or to request train-specific timetables or an extra timetable for a friend, call 1-800-USA-RAIL, download what you need online at Amtrak.com or order online.
5. If you are planning to spend more than an hour on board, bring your favorite bestseller and sit back, relax and enjoy every word in comfort. Bring your laptop and create the short story you've always wanted to write.
6. Traveling with children can be fun for everyone. To keep them busy, we suggest bringing books, toys, games, crayons or markers and paper and perhaps a CD or DVD player with headphones and their favorite music or videos. To maintain a pleasant atmosphere for all our passengers, headphones must be used when listening to radios, CDs, tapes, etc.
7. The main focus of Amtrak is to ensure our passengers have a safe travel experience. Please watch your step boarding and leaving the train. Use the handrails when moving about on board and wear shoes at all times when walking about the train. Take a few minutes to read the Amtrak Safety Instruction card for important information. Never try to board or exit the train while it is moving.
8. Amtrak service attendants are there to assist you throughout your trip to make your trip more enjoyable. Tipping is certainly not required, but it is a much-appreciated way to let employees know they have made your trip enjoyable.
9. Look for scenic photo opportunities. Our trains pass many beautiful and interesting sights, so bring your camera. If you use film, we recommend medium speed (ISO 200 or higher).
10. Train travel gives you plenty of room to move around, stretch your legs and chat with fellow travelers. Hungry for a snack? Visit the Café car, which offers a variety of sandwiches, snacks, and beverages. On long-distance trains, enjoy the Dining car — a family-style restaurant serving freshly prepared foods. You'll most likely be sitting with other travelers who are also enjoying their trip.

Connecting To and From Amtrak Trains

It's easy to connect the Downeaster to and from other Amtrak trains! Downeaster trains arrive at Boston's North Station. All other Amtrak services in Boston depart/arrive at South Station and Back Bay Station.

To connect to Amtrak at Back Bay, take the MBTA ORANGE subway line between North Station and Back Bay Station. It takes approximately 15 minutes to make the connection. If you have a lot of luggage, you may wish to take a taxi between North Station and South Station. Taxis are usually located outside North Station. The one mile transfer will cost approximately \$10-\$15.

Train Host Program

In cooperation with Train Riders/Northeast, volunteer train hosts assist passengers with travel information and transportation connections for stations along the route.

Time appears to stand still as you take in the wooden bridges, horse-drawn buggies and 18th century ways of life of the Pennsylvania Dutch, Amish and Mennonites. Stop and visit the famous Civil War battlefield at Gettysburg, check out the state capital and museums at Harrisburg, or visit quaint Lancaster – capital of the American Colonies for one day in 1777 – and its historic Hamilton Watch factory building, home of the world’s first electric watch. Amtrak in the Midwest means not only making connections between Eastern and Western long-distance trains in Chicago at the center of our national system — it also means frequent daily departures between Chicago and key cities in the five-state area including Illinois, Indiana, Michigan, Missouri and Wisconsin.

Travel for business... travel for pleasure... travel to visit relatives and friends... or travel between home and school – with the choice between Business and Coach class and snacks, sandwiches and beverages in the Café car, Amtrak is the sensible and comfortable alternative to driving between key cities in the Midwest.

With so many colleges and universities in the region, students can pick from among a large number of frequent departures. And when they show their Student Advantage or International Student Identity Card, they can save 15% on their fares. (See page 128-129 for more information.)

Chicago is the rail transportation center for Westbound and Eastbound trains.

ROOM TO SWING MY ARMS AND MIND

This sums up what I want in life—room to swing my arms and to swing my mind... Where is there more opportunity to enjoy the elemental values of living, bright sun and clean air and space. We have room. We can be neighbors without getting in each other's hair. We can be individuals.

Denver Station is Relocated

The Denver station has been temporarily relocated from the historic Union station to 1800 21st Street at the intersection of Wewatta Street near Coors Field in the Prospect Neighborhood. When completed in the spring of 2014, Union Station's redevelopment will include a new commuter station as part of a multimodal hub.

In the meantime, the temporary station is completely accessible to passengers with disabilities, offering Quik-Trak self-serve kiosks, free WiFi, and vending machines stocked with snacks and beverages.

Passengers are encouraged to plan pick-up and drop-off at the station if possible. The temporary station is also served by an RTD bus stop only steps from its door.

Thruway Bus Connections

Amtrak offers an extensive system of Thruway bus connections throughout California with direct train/bus transfers at train stations serving the Pacific Surfliner, Capitol Corridor and San Joaquin routes. This includes direct connections for many off-line cities in Southern California, the Sacramento Valley, the Bay Area, Northern California and Nevada.

Amtrak Thruway Service provides coordinated train/motorcoach connections, as well as through fares and ticketing. Amtrak USA Rail Pass fares and other excursion fares are honored on Amtrak Thruway Buses, subject to availability. Passengers traveling on Amtrak Thruway connections must be ticketed before boarding the buses in order to obtain through fares. Tickets may be purchased at Amtrak stations, travel agencies or via ticket-by-mail. Please see page 132 for details on Thruway Service.

Amtrak Thruway Service connections in California are funded by Caltrans — the California Department of Transportation.

The map below displays the Amtrak California train and connecting Thruway Service.

Under California state law, Thruway bus travel is permitted only in conjunction with a rail ticket.

GIANT TREES
are a breeze!

Take Amtrak Thruway Bus connections and local transit to Sequoia National Park from the train at Hanford and experience the five largest living giant sequoias in the world, plus 300 animal and 1,400 plant species.

Peaceful tranquility – unsurpassed beauty – endless attractions – here’s one vacation that’s a lot of “bark” with only a little “bite” on your budget!

Visit Amtrak.com or call 1-800-USA-RAIL for details.

SEQUOIA NATIONAL PARK (Summer Season)
To reach the park, take Amtrak to Hanford, Amtrak Thruway Bus to the Visalia Transit Center and an all-reserved Visalia Transit van to the park. The van costs \$15.00 roundtrip. It makes hotel pickups and connections to free internal park shuttles at the Giant Forest Museum. Call Visalia Transit at 1-877-287-4453 for schedules and dates.

The Capitol Corridor serves 16 stations along the 170-mile rail corridor connecting the Sacramento area, the San Francisco Bay Area and San Jose. An extensive, dedicated network of bus connections provides transportation to destinations beyond the train stations. Together, this system serves the second-largest urban area in the western United States.

Heading to work or taking a weekend getaway? Either way, you'll arrive refreshed and ready. The Capitol Corridor Joint Powers Authority partners with Amtrak, Union Pacific Railroad, Caltrans and the communities comprising the CCJPA to provide travelers a cost-effective, viable and safe intercity passenger rail service another "no-hassle" way to see and do more in California!

We look forward to seeing you onboard!

GLOSSARY OF AMTRAK SERVICES AND AMENITIES

Amtrak trains and Thruway Service routes connect more than 500 destinations, offering a variety of services and amenities tailored to each route. Following is a summary of services available on our trains and at our stations, as well as explanations of service symbols that appear throughout this timetable.

AMTRAK TRAIN SERVICES

Acela Express®

Amtrak *Acela Express* trains offer premium, limited-stop service between Boston, New York and Washington, featuring higher-speed trains with comfortable seating, large windows, and the ability to tilt around curves for a smooth ride. *Acela Express* offers First class service with complimentary meals and beverages served at your seat, and Business class service with a Café car nearby offering a variety of food and beverages for sale, and, on some trains, a cart service. Both classes of service feature comfortable seating, plenty of legroom, large windows, sizable overhead storage, adjustable reading lights, electrical outlets under the window by your seat, and either large fold-down tray tables that will fit your laptop computer, or conference tables between facing seats.

Other corridor/daytime trains

These include *Northeast Regional*™, *Keystone Service*®, *Empire Service*®, *Downeaster*™; *Midwest Corridor: Wolverine*®, *Blue Water*™, *Pere Marquette*®, *Lincoln Service*® and other Illinois routes, *Missouri River Runner*™; *Hiawatha*® *Service*, *Heartland Flyer*®; California Corridor: *Pacific Surfliner*®, *Capitol Corridor*®, *San Joaquin*® and Amtrak *Cascades*® Corridor trains, as well as longer-distance day trains such as the *Carolinian*™, the *Palmetto*™, the *Vermont*™, the *Adirondack*® and the *Maple Leaf*™.

These services offer comfortable coach seating, plenty of legroom, overhead storage, reading lights, electrical outlets under the window by your seat (in most cars), and fold-down tray tables. A Café car is provided on most trains offering a variety of food and beverages for sale. (The Conductor will announce the location of the Café car or can direct you to it.) Many of these services offer, in addition, a reserved Business class car, which features additional legroom, a complimentary beverage, and a newspaper (amenities may vary by service). See the timetable section for trains that offer Business class and Café service.

Long distance trains

Amtrak long-distance trains are designed to give passengers a comfortable and pleasant travel experience both by day and overnight. Sleeping cars offer a variety of room sizes including rooms accessible to passengers with mobility impairments, and coach cars offer reclining seats, fold-down tray tables, reading lights, and, on many cars, electric outlets under the window. Food service is offered in Lounge cars and Dining cars (on some trains these services may be offered from the same car). There are two types of long distance trains.

Superliner®: These bi-level cars operate on long-distance trains west of Chicago and New Orleans, as well as on the Washington-Chicago *Capitol Limited*™ and the Lorton, Virginia-Sanford, Florida *Auto Train*®. Sleeping cars, Coach cars, Lounge cars, and Dining cars are featured. Most passengers ride in the upper level, affording a panoramic view of the scenery; lower level accommodations, as well as space accessible to passengers with mobility impairments, are also offered by request. See page 88 for room sizes.

Single level: These cars operate on long distance trains east of Chicago. Viewliner® Sleeping cars that include a window for the upper berth passenger, coach cars, Lounge cars, and Dining cars are featured. See page 60 for room sizes.

Thruway Service 🚌

Thruway Service extends the reach of Amtrak services to many more cities than those that can be served only by train. These services, mostly by bus but occasionally by van, taxi, commuter train or ferry, make coordinated connections with Amtrak trains. In most cases the connection is at the Amtrak station, and through fares are often available (prior ticketing required to obtain through fares). Accessible accommodation on Thruway services can vary and must normally be reserved in advance so the proper vehicle can be provided; contact Amtrak for details.

Non-Thruway services

This timetable contains, as information, selected connecting services that are not part of the Amtrak or Amtrak Thruway system. These may operate from a different terminal, and the individual carrier's fares and policies apply. If Amtrak sells tickets for such services, Amtrak acts only as the selling agent for these carriers and disclaims liability in connection with services performed by these carriers. Contact Amtrak or the carrier for more information.

Flag Stop ✨

Train stops only when passengers are present, either on the train or station platform, and ticketed to and/or from this station. Reservations are required. Boarding passengers must reserve as far in advance as possible.

Airport Connections ✈

Several Amtrak stations (BWI Airport, Newark Airport, Milwaukee Airport, Burbank Airport) are near or adjacent to their respective airports, with connecting service provided by the other airport. In most other cities with airports that have scheduled air carrier service, a variety of transfer options between the Amtrak station and the airport are available; contact Amtrak or the airport carrier for more information.

If You're Keen on Going Green - Amtrak Leads the way

Concern about their carbon footprint has led travelers to seek more energy-efficient methods for transportation. How to get from point A to point B has never been more of an issue than it is today. **How can we balance our travel needs and protect the environment while not adversely affecting our economy?**

ENERGY USED IN BTUs*

Rail travel is more energy efficient, using less fuel per passenger mile than cars or airplanes. And that's not all. Visit Amtrak.com to learn about other changes Amtrak has made to conserve energy.

* Figures listed refer to BTUs used per passenger mile. BTU stands for British Thermal Unit, a standard unit of energy. From the U.S. Department of Energy Transportation Yearbook (2010)

Charter/Group Services

Amtrak Charter Services can accommodate your group with a private chartered train to a variety of destinations, tailoring the equipment and on board service to meet your needs. For more information call Amtrak at 1-800-USA-1GRP.

Host Railroads

On most of the Amtrak route system outside of the Northeast Corridor, Amtrak trains operate over track owned by freight and commuter railroads. Amtrak personnel operate the trains, and the host railroads provide and maintain the track over which they operate. The first page of each section in this timetable indicates the various host railroads for trains within that section.

ACCOMMODATION TYPES

Coach class

Coach class is available on all trains except *Acela Express*. Amtrak coaches feature wide, comfortable seats with fold-down trays and, on most trains, overhead storage and individual reading lights. At-seat electric outlets are available on some trains. Most coach seating is reserved (by train, not by individual seat). On Superliners, a few seats are on the lower level, near the entrance and the restrooms. These are not considered accessible seats and may be reserved by anyone on a first-come, first-served basis. A few short-distance corridor services (*Capitol Corridor*, *Pacific Surfliner*, *Hiawatha®Service*, and *Keystone Service* between Harrisburg and Philadelphia) have unreserved seating, where tickets are valid on any train unless restricted by the fare paid. Every effort is made to provide sufficient seats, but seating is not guaranteed. The *Keystone Service* and *Pacific Surfliner* corridors operate on a reserved basis during the Thanksgiving holiday period.

First class

Business class

Business class on *Acela Express* trains offers reserved seating (by train, not individual seat), with extra legroom, individual reading lights, fold-down seat trays, at-seat electric outlets, and ample overhead storage. On many other corridor trains and some medium-distance day trains, reserved Business class operates in addition to Coach class and offers the same amenities as *Acela Express* Business class; in addition, a complimentary newspaper and beverage (may vary by train) are included, except on *Empire Service* trains that operate only between New York and Albany, and on the *Maple Leaf* between Niagara Falls and Toronto.

Acela Express® First class

Acela Express First class offers spacious seating with at-seat service in a quiet, elegant atmosphere. A complimentary meal appropriate to the time of day, and beverages including beer, wine by the glass and premium spirits, are included in your fare. Hot towels and a complimentary newspaper are also included. *Acela Express* First class passengers have same-day access to ClubAcela® lounges in Washington, Philadelphia, New York and Boston.

Accessible seating

Accessible seating is provided in Coach class, Business class and *Acela Express* First class for passengers who use wheelchairs or have mobility impairments that require these seats. You may reserve a seat that allows you to transfer to a seat from your wheelchair, or reserve a space for your occupied wheelchair. On Superliner trains, accessible seating is in the same area as the non-accessible lower level seats, near the restrooms; meals will be brought to you if you are unable to use the stairs to the upper level. If you have a companion that will assist you enroute, this person may also occupy a seat in this area so that you may travel together. Contact Amtrak for details about accessible seating.

Superliner Coach class

Superliner Roomette

Sleeping cars

All trains: Amtrak operates Sleeping cars on most overnight long-distance trains. Sleeping cars offer private rooms with seating during the day and beds at night. Meals in the Dining car are included, as well as bottled water, morning wake-up service including coffee, tea, juice and a newspaper, and all necessary bedding. A wash basin, toilet, and shower are either within your room or nearby in the car. Sleeping car passengers have same-day access to ClubAcela, Amtrak Metropolitan Lounge®, or separate Sleeping car passenger waiting rooms, where available at boarding or detraining stations.

Superliner Sleeping cars: Superliner bi-level Sleeping cars operate on long distance trains west of Chicago and New Orleans, on the *Capitol Limited*, and on *Auto Train*. The upper level features five large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed toilet and shower; and ten Roomettes with upper and lower beds that become two facing seats during the day (public washrooms and shower are elsewhere in the car). The lower level features four more Roomettes, a Family Bedroom with beds for both adults and children (public washrooms and shower for both are down the hall), and an Accessible Bedroom with two Roomette-type beds, a toilet, and a wash basin, and ample space for a wheelchair. The Roomettes have limited room for storing baggage but there is storage on the lower level of the car.

Viewliner Sleeping cars: Viewliner Sleeping cars operate on most eastern long-distance trains. These cars feature two large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed toilet and shower. A third Bedroom is accessible to passengers who use wheelchairs. The car also includes twelve Roomettes with upper and lower beds, each with its own window, that become two facing seats during the day, and a non-enclosed toilet and wash basin. A public shower is at the end of the car. Viewliner Roomettes have limited room for storing baggage.

SERVICES ON TRAINS

The schedule portion of this timetable indicates the services available on any particular train.

Dining cars 🍴

Dining cars offer full meal service – breakfast, lunch, and dinner – in a restaurant setting. Full course meals, including a vegetarian selection, are offered, and kosher and vegan meals can be requested with 72 hours' notice by calling 1-800-USA-RAIL. A variety of beverages – coffee, tea, milk, soft drinks, beer, and wine – are available. Meals and beverages in the Dining car (except alcohol) are included in the price of a Sleeping car ticket; coach passengers may purchase meals at menu prices. The hours of operation vary depending on the train's schedule; some Dining cars offer an all-day casual menu.

Lounge cars

Lounge cars operate on long distance trains, with table and casual seating, and a variety of carry-out food and beverage items, including liquor, wine and beer. On Superliner trains, panoramic windows on the upper level afford an expansive view of the passing scenery. Food service is normally available from early morning until late evening, except during a few short periods as announced by the attendant.

Dining car

Café cars ☕

Café cars operate on most corridor trains, with table seating, and a variety of carry-out food and beverage items, including liquor, wine and beer. Enhanced menu items are offered on *Acela Express* Café cars. Food service is normally available throughout the journey until nearing the final destination of the train.

Quiet cars 🤫

Most Northeast Corridor and *Hiawatha* Service trains have a Quiet car, where the use of cellular phones is not allowed, nor the use of devices that emit sound audible to others, and where passengers are asked to speak only in subdued tones. This car provides a quiet atmosphere for those who want to work, read or rest without distractions. Seating is first-come, first-served and cannot be reserved specifically. The train crew can direct you to the Quiet car as you board.

On board entertainment 🎬

Recently-released movies are offered in *Auto Train* lounge cars. They are also shown on the *Coast Starlight* in the Pacific Parlour Car for Sleeping car passengers. Headphones are not required.

Seasonal presentations and on board commentary are offered on a number of trains by volunteer Rangers of the National Park Service through the Amtrak Trails and Rails program. The California State Railroad Museum gives seasonal presentations on the *California Zephyr* between Sacramento and Reno, and volunteers provide information about North Carolina points of interest on the *Carolinian* and *Piedmont*.

SERVICES AT STATIONS

Amtrak has more than 550 train stations and several hundred more Thruway bus stops. More than 200 stations are staffed; some unstaffed stations offer a waiting room and restrooms, but some offer a platform only. Most Thruway locations not at stations are curbside stops. Contact Amtrak or visit Amtrak.com for details about facilities at any given station.

Ticket offices ●●○○

●: Amtrak Staffed Location. Station has staffed ticket office for the purchase exchange and refunding of tickets and an enclosed waiting room. Checked baggage, assistance with baggage and other services may also be available. The ticket office may not be open for all departures.

●: Attended Location. This location is an enclosed waiting room within a station building, which has an attendant who is non-Amtrak staff providing limited services to passengers. There is no ticket office sales window and no checked baggage service is available. There may be an Amtrak Quik-Trak self-serve ticketing kiosk available.

○: Unstaffed location. No Amtrak ticket office and no checked baggage service available. This location may be an open shelter on the platform, an enclosed waiting room within a station that is open by a caretaker for a limited period only at train time, or a thruway vehicle boarding/alighting location.

Quik-TrakSM self-serve ticketing kiosks QT

Quik-Trak self-serve ticketing kiosks are available at many stations, including some unstaffed stations, to help you avoid long ticket lines and obtain your tickets quickly. At the kiosk, you may make a new reservation (except Sleeping car) and obtain tickets, or you may obtain tickets for a reservation you have already made. A credit card (MasterCard, Visa, American Express, Discover or Universal Air Travel Plan) is required to purchase tickets. If you have already made a reservation, you may obtain the tickets using a credit card (which will not be charged again if the reservation is already paid), your Amtrak Guest Rewards[®] card if the Guest Rewards number is included in your paid reservation, or by using your confirmation page from your Amtrak.com or call center booking. This confirmation page contains a bar code; bring it to the kiosk and wave it in front of the reader, which is just below the keypad. Your reservation will immediately display and you may obtain your tickets within a few seconds. We recommend that you arrive at the station at least 30 minutes before departure.

When you make your reservation on Amtrak.com or through a call center agent, you will be told if a Quik-Trak kiosk is available at your boarding station.

Metrolink ticket vending machines

Metrolink ticket vending machines are available at Metrolink and many Amtrak stations in southern California. You may obtain tickets for prepaid reservations to any station. You may also pay for and obtain tickets for reservations not already paid, or make and pay for a new Coach reservation, to any Amtrak station within the state of California. Discount and promotional fares require advance reservations. You may also obtain Metrolink commuter train tickets. Metrolink ticket vending machines accept cash and credit cards. You will be notified at Amtrak.com or by a call center agent if a Metrolink ticket vending machine is available at your boarding station.

Passenger assistance

If you need assistance with baggage, with moving through the station using a station-provided wheelchair or people mover, etc., please let us know as far in advance as possible. This service is available at most staffed stations. At major stations, uniformed Red Caps are available to help you. All baggage handled by Red Caps is protected by a claim check. Please do not accept assistance from anyone other than a uniformed Amtrak or VIA Rail Canada employee. A number of other stations have self-service baggage carts available for a nominal charge.

Babies and toddlers

Long-distance trains operated with Superliner equipment have changing tables in the restrooms for your convenience. We are unable to store baby formula in our refrigerators or warm a baby bottle using our equipment, but bring your container and upon request we can supply you with ice or hot water. Mothers who breast feed their infants are always welcome.

Station accessibility

Station accessibility is shown by the following symbols in the individual schedules within this timetable.

♿ All available station facilities are accessible to passengers using wheelchairs, and there are no barriers to access between the station, the train platform, and any of the trains in that particular schedule.

♿ There are no barriers to access between the station, the train platform, and any of the trains in that particular schedule, but some of the facilities within the station are not accessible.

If neither of these symbols appears in a given schedule, there may be barriers to access between the station, the train platform, and the trains in that schedule. Contact Amtrak at 1-800-USA-RAIL for more information.

Station lounges

Amtrak offers several types of private lounges for *Acela Express* First class passengers, Sleeping car passengers, and current Amtrak Guest Rewards Select Plus members. For access, present your same-day ticket (departing), ticket receipt (arriving) or your Amtrak Guest Rewards Select Plus membership card. Continental Airlines President's Club members with a valid membership card or a Continental Business First ticket for same-day travel are welcome at the New York ClubAcela.

Club Acela is offered at Washington Union Station, Philadelphia 30th St. Station, New York Pennsylvania Station and Boston South Station. ClubAcela provides a quiet, refined atmosphere where passengers may wait for their trains or unwind after detaining. ClubAcela features comfortable seating, complimentary

non-alcoholic beverages and snacks, Internet terminals, free local phone calls, fax service, newspapers and periodicals, and television, as well as attendants who can assist you with reservation and ticketing needs.

Amtrak Metropolitan Lounges are available at Portland (Oregon) Union Station and Chicago Union Station. Similar to Club Acela, these lounges are available to Sleeping car passengers and Amtrak Guest Rewards Select Plus members. A similar service using the TRAXX restaurant is offered to Sleeping car passengers boarding Train 14, the *Coast Starlight*, at Los Angeles Union Station.

Unattended, separate Sleeping car passenger and Amtrak Guest Rewards Select Plus waiting rooms are available at St. Paul/Minneapolis, St. Louis, New Orleans, Raleigh, and Miami. Features and amenities vary.

PLANNING YOUR JOURNEY

Amtrak.com

Amtrak.com is your complete full service rail travel site on the Internet, providing you with everything you need to explore your travel options, plan your trip, pay for your tickets, and arrange for hotel rooms, rental cars and more. You can reserve coach travel, upgrade to *Acela Express*, business class or sleeper, and take a three-dimensional virtual tour of our Sleeping car accommodations. Amtrak.com also features a complete Spanish-language version at espanol.amtrak.com, a complete German-language version at deutch.amtrak.com, a complete French-language version at francais.amtrak.com, and you can connect to Amtrak Mobile on your BlackBerry®, Palm®, iPhone® or other web-enabled mobile device.

Fares

Amtrak offers a variety of fares. On reserved trains, a range of fares may apply based on passenger demand for a particular train. On unreserved trains, fares may be higher during peak travel periods. Amtrak will quote and price your travel at the lowest fare available at the time you make your reservation. Changes to your itinerary will cause your reservation to reprice at the lowest fare available at the time you make the change, which may be higher than the fare initially obtained. Some fares may require advance reservation and/or purchase, and be non-refundable. Amtrak offers discounts to members of certain associations; advance reservation is required. Please see pages 128-129 for details.

Reservations

Reservations are required for all *Acela Express*, Sleeping car, accessible accommodation, business class, and most coach travel. Reservations are also required for all passengers requiring assistance, including unaccompanied minors, even if the train is

otherwise unreserved. *Acela Express*, business class and coach bookings reserve space on the train but not any particular seat. If not paid immediately, a date will be given, no more than seven days after booking, for paying your reservation; if it is not paid by that date, it will automatically cancel early the next morning. If you do not pick up your tickets before the train leaves the station from which you booked your first departure, the entire reservation will cancel, even if the reservation has been paid.

You may obtain fare and schedule information, and make your reservation, in a number of ways.

- Amtrak.com: Make your reservation on the Amtrak full service rail travel site, using your personal computer or your web-enabled PDA or cell phone. Payment by credit card is required at the time of booking. Print the confirmation page that will be displayed to you when your booking is completed, and you can take that page to any Quik-Trak kiosk, scan it, and immediately obtain your tickets. Other ticketing options, as available, will also be presented to you. You can also have your itinerary sent to one or more e-mail addresses, and cancel and refund your online reservation provided it has not yet been ticketed. **Note:** This confirmation page is not a "boarding pass" and will not be honored on trains. You must obtain actual tickets before boarding the train or, for *Auto Train* check in at the ticket counter before boarding. If this is not done the conductor will collect a fare for your journey, even if you have already paid online, and your reservation will cancel.
- Julie (Julie), the Amtrak interactive automated customer agent, available by calling 1-800-USA-RAIL, can give you 24-hour fare and schedule information, provide the operating status of a train, and make simple reservations. She can also accept payment by credit card. If you know the answer to a question she is asking before she finishes it, you can interrupt her with the answer, and if you need assistance from a live agent such as modifying a reservation, reserving Sleeping car space, traveling on *Auto Train* or requesting special assistance on the train or at the station, you can bypass Julie by saying "agent" or pressing zero.
- Call center agents, available by calling (800) USA-RAIL, are also available 24 hours a day. They can make any kind of reservation, accept payment by credit card, give you complete information about services, amenities and features, assist you with any special needs, and refer you to our partners for hotel and rental car reservations.
- Quik-Trak self-serve ticketing kiosks can make *Acela Express* or Coach reservations to any destination shown on the kiosk.
- Ticket agents at stations can make reservations; if your itinerary is lengthy or in the future, you should contact us at (800) USA-RAIL or use Amtrak.com to make your booking. This will greatly shorten your time at the ticket window.
- You may also make and pay for a reservation for another person. Contact Amtrak for details.
- When making your reservation, please include a telephone number where you can be reached both before and during your journey, in the event we need to notify you of any service changes.

Connections

Amtrak offers connections between many trains, and between trains and Thruway services. These connections are valid if they are shown in the Amtrak reservation system. Some are also displayed in this timetable. Connections not shown in the reservation system or in this timetable are normally not valid, including connections between Amtrak and

TRAVEL INFORMATION

any other carrier; if you intend to attempt such a connection, you are responsible for all expenses if the connection is missed. If a valid connection is missed due to a late arriving train or other reason beyond your control, Amtrak will protect you by providing alternate transportation on another Amtrak train or on the services of another carrier, or by providing lodging or other services until you can resume travel. In some cases this may be done by transferring you at a station other than the normal connection point. Contact Amtrak for more information about connections.

OBTAINING YOUR TICKETS

Stations: Many stations have ticket agents on duty, and there are more than 300 Quik-Trak self-serve ticketing kiosks available as well. In Southern California, Metrolink ticket vending machines are available at many Amtrak and Metrolink stations. Please see "Services at stations", on page 136.

Mail: If your boarding station does not have ticketing services available at the time of your departure, Amtrak will be happy to mail your tickets to you, provided you are departing at least nine days from the day you make your reservation, and pay for your tickets by credit card at the time you make your reservation. We can mail your tickets to any address in the United States or Canada, except to APO and FPO addresses because those are actually overseas. Remote addresses may require more time.

Express delivery: If you are departing within nine days of the day you make your reservation, but at least three days before, or if your boarding station has ticketing services available at the time of your departure but you want them sent anyway, we can send your tickets by FedEx®. There is a \$15.00 charge. The tickets and this charge must be paid by credit card at the time you make your reservation. An adult must normally be available at the delivery address to sign for the tickets.

Travel agents: Many travel agents make Amtrak reservations and issue tickets. Some may charge a fee for this service.

On the train: If there is not enough time to send your tickets, and your boarding station does not have ticketing services available, you may pay the conductor for the first segment of your journey, and pick up the rest of your tickets at a connecting staffed station.

Cash and credit cards are accepted, and a receipt is issued for all fares paid on trains. If your boarding station has a ticket office that is open at the time of your departure, but you board the train without a ticket, the fare charged by the conductor will be higher; this additional amount is not refundable. (Please note that your Amtrak.com confirmation page is not a ticket and will not be honored on the train. Some trains and stations do not allow you to board without a ticket or pay on the train.) At some unstaffed stations on a few routes advance paid tickets are printed at a preceding staffed station and given to the conductor for delivery to you. If this service is available you will be notified at the time you make your reservation. This service may not be available if you make your reservation close to departure time. In all cases identification must be presented to the conductor when paying fares or obtaining tickets on the train. If your boarding station is a flagstop, as indicated by this symbol , see page 132.

Upgrades to business class, *Acela Express* First class, or Sleeping car service may be purchased on the train if unsold space is still available. Contact the conductor.

FORMS OF PAYMENT ACCEPTED BY AMTRAK

Cash: Amtrak accepts US paper money and coin at all stations and on trains for payment of fares and food and beverage services. Canadian paper money (only) is accepted on trains that serve Canada directly, and at stations served by those trains. Canadian coins are only accepted on the *Maple Leaf* between Toronto and Niagara Falls, Ontario, as this is actually a VIA Rail Canada train between those points.

Credit cards: Amtrak accepts MasterCard, Visa, American Express and Discover at all Amtrak ticket offices in the United States and Canada, at Quik-Trak kiosks, at Amtrak.com, by telephone at 1-800-USA-RAIL, and on trains for payment of fares and food and beverage services. The UATP (Universal Air Travel Plan) is accepted at all ticket offices in the United States only, at Quik-Trak kiosks, at Amtrak.com, and by telephone at 1-800-USA-RAIL, but not on trains. Amtrak requires that credit cards be signed and that the signature on the ticket matches the signature on the card.

Debit cards with a credit card logo (“check cards”): These are accepted in the same manner as credit cards. Debit cards requiring a PIN are not accepted.

Gift cards and other prepaid cards with a credit card logo: These are accepted only when the transaction can be electronically validated: at station ticket offices, at Quik-Trak kiosks, at Amtrak.com, by phone at 1-800-USA-RAIL, and on trains for food purchases only. They are not accepted on trains for payment of fares or anywhere else where the transaction cannot be electronically validated. Refunds are made back to the gift card, so be sure not to dispose of it once you have used up its value until you are certain that you will not return anything that you have paid with it.

Travelers cheques, money orders, and cashier’s checks: Amtrak no longer accepts travelers cheques or money orders. Amtrak accepts cashier’s checks issued by local banks. The cashier’s check must be payable to Amtrak, and the maximum amount of change given is \$20.00. Refunds are not given at stations but will be mailed by the Philadelphia refunds office.

Personal checks: Amtrak does not accept personal checks, except by prior arrangement for group travel. Contact the Amtrak Group Department for details.

Company and government checks: Amtrak accepts U.S. dollar checks from known companies and from government agencies. You must show both personal identification and identification proving that you are an employee of the company or government agency.

FARES

Fares on Amtrak are determined by the service you are using and by travel date, departure time and/or availability at the time the space is reserved. Generally, the best prices will be available with early booking. For current fares, please check Amtrak.com, your travel agent, or call 1-800-USA-RAIL.

Acela Express: Business Class rail fares vary depending on travel date, departure time and customer demand for each departure. First class: These prices are determined by adding a First class accommodation charge to the Business class rail fare.

Northeast Regional, Midwest and West Corridors

Coach class: Amtrak Coach class rail fares vary depending on travel date, departure time and customer demand for each departure.

Business class: These prices are determined by adding a Business class accommodation charge to the Coach class rail fare.

Long Distance

Coach class: Amtrak Coach class rail fares vary depending on travel date, departure time and customer demand for each departure.

Sleeping car service: These prices are determined by adding a Sleeping car accommodation charge to the Coach class rail fare (the Sleeping car accommodation charge is usually applied to the lowest rail fare). When two or more passengers are sharing a Sleeping car room, only one accommodation charge is paid; each passenger pays the appropriate Coach class rail fare. Sleeping car accommodation charges vary depending upon customer demand for each departure.

REFUNDS

Rail fare (coach tickets, Acela Express Business class tickets, and the rail fare component of other tickets), and vehicle charges (automobile, van, motorcycle, bicycle): Most tickets are refundable if not used. Some discounted tickets are not refundable.

Acela Express first class and non-Acela Express business class seat charges: Refundable if the reservation is cancelled at least one hour before departure. If not, the seat charge amount will be applied to future Amtrak travel only, unless you have cancelled travel because the train is late by one hour or more at the boarding station.

Sleeping car accommodation charges: Refundable if the reservation is cancelled at least seven days before departure. If cancelled within seven days of departure but before actual train departure, the accommodation charge amount will be applied to future Amtrak travel only, unless you have cancelled travel because the train is late by two hours or more at the boarding station. If you do not cancel before train departure (“no show”), the accommodation charge amount is forfeited entirely, whether or not the train was late.

Multiride tickets: Refunds of multiride tickets (monthly, 10-trip, 6-trip, etc.) are limited or not allowed once the validity period has begun or after the first trip has been taken. Contact Amtrak for details.

Tickets issued by Amtrak for other carriers such as commuter agencies: The refund policy is determined by the carrier for which Amtrak has issued the ticket.

USA Rail Pass and California Rail Pass: Refundable only before the first validity date and only if all tickets against the pass are returned at the same time as the pass. Once travel has begun these passes are not refundable. See page 129 for details.

Refund fees: Any refund (in the form of cash, check, or credit card credit) is subject to a fee equal to 10% of the amount being refunded, with a maximum fee per reservation of \$100.00. If you choose to accept a non-refundable travel credit valid for future Amtrak travel within one year instead of a refund, however, no fee will be imposed.

On board downgrades: If your accommodations are involuntarily downgraded or if you reduce the number in your party, you must obtain a refund authorization form (NRPT 27) from the conductor and present this with the ticket or ticket receipt; actual refundability, if any, will be determined by the rules applying to the ticket.

Time limits: An Amtrak ticket becomes non-refundable, has no exchange value, and is not valid for carriage, one

year after the date of issue (or other period if so endorsed on the ticket) or after the “Not Valid After” date on the ticket, whichever is later. An exchange voucher (travel credit) is valid for one year after the date of issue, and may be renewed provided this is done before it expires.

Unticketed advance paid reservations: These are not automatically refunded if the reservation is cancelled; a refund must be specifically requested.

Must return original tickets: Cancellation or change of reservations does not generate a refund; the actual original tickets, and other documents as required, must be presented.

Method of refund: A refund will be based on the form of payment. Credit card transactions are refunded back to the card that was used for payment. Cash, check and cashier’s check transactions are made by refund check from the Philadelphia refund office; small cash refunds may be possible at the station.

Where to obtain refunds: Most refunds can be processed at an Amtrak ticket office, depending on the type of ticket and the form of payment. Exceptions exist; consult Amtrak for details. Stations do not have large amounts of cash on hand, so tickets that would be refunded in cash may have to be mailed in for refund (see below). Tickets paid at a travel agency must normally be returned to the issuing agency for refund unless an involuntary downgrade or service disruption has occurred.

Any unused ticket eligible for refund may also be mailed for processing to:

BAGGAGE

Carry-on baggage

Carry-on baggage is limited to two pieces* per passenger. The maximum weight per piece is 50 lb (23 kg) and the maximum size is 28" x 22" x 14" (700 x 550 x 350 mm), except on the *Capitol Corridor*, *San Joaquin* and *Pacific Surfliner* trains where due to the size of the overhead bins the maximum size is 28" x 22" x 11" (700 x 550 x 280 mm). Each item must be identified with a name tag containing your name and address; free name tags are available at staffed stations. Certain items are prohibited on trains; see the “prohibited items” section. Assistance at transfer points with carry-on baggage is normally not available.

*The following do not count toward the two allowable pieces of carry-on baggage: purses, small daytime backpacks (bookbags), briefcases, laptop computers, cosmetic cases, baby items such as car seats, diaper bags and folding strollers, and equipment required for your medical condition such as breathing assistance devices and oxygen tanks (consult Amtrak for weight and size limits on oxygen tanks).

Checked baggage

Amtrak offers checked baggage service at a number of stations and on many trains and Thruway buses, as shown in the schedules in this timetable. The free checked baggage allowance is three pieces per passenger. The maximum weight per piece is 50 lb (23 kg) and the maximum size is 36" x 36" x 36" (900 x 900 x 900 mm); a maximum of three additional pieces will be handled upon payment of a charge. Each item must be identified with your name, address and phone number, and acceptable identification

must be shown when checking baggage. Certain special items such as bicycles (see the “Special Items” section) may exceed the size limits, however, such oversized items checked to or from locations served by Thruway buses may be delayed. Other oversized or overweight items will not be handled. Amtrak sells small shipping boxes if you need to redistribute baggage contents to reduce weight.

Baggage on Thruway services

The carryon and checked baggage policies on Amtrak Thruway services in the 7000 and 8000 numbered series are determined by the operating carrier and may vary from those of Amtrak. For example, Greyhound allows one piece of checked baggage free but charges a fee for the second, and allows only one small item to be carried on the bus. Please ask Amtrak or the carrier for details.

Packing your baggage

Pack your baggage using sturdy luggage or containers able to withstand normal handling. Amtrak will not accept baggage packed in thin suit covers without handles, in plastic storage containers not designed for shipping, or in any other container that in the opinion of Amtrak can be damaged, can expose the contents to damage, or can cause damage to other baggage. Your name, address and phone number must be fastened to each piece of checked baggage (this may be hidden from view but must be available to Amtrak employees). Free name tags are available at staffed stations.

Checking Baggage

Check your baggage at least 30 minutes prior to departure, and at least an hour in advance at larger stations, if you also need ticketing or passenger assistance services, during busy times, or if you have to box a bicycle. Baggage checked later than those times may travel on a later train or on a later day and Amtrak is not liable for costs incurred due to this delay. Bicycle boxes and shipping boxes are available for purchase at stations that handle checked baggage.

Claiming Baggage

Checked baggage will normally be available for claiming within 30 minutes of train arrival. Items that require additional handling may take as long as an hour. Always identify your checked baggage by matching your claim check numbers to the tag on the item; Amtrak will collect your claim check when you pick up your baggage. Storage charges apply to baggage not claimed within two days of arrival.

Special items including bicycles

Amtrak accepts a number of special items in checked baggage service, including baby strollers, bicycles, golf bags, musical instruments, skis, etc. In most cases there is a handling charge. Bicycles must normally be in containers provided by the passenger, or in a bicycle box purchased from Amtrak. Bicycles to or from locations served by Thruway buses may be delayed, and tandem bicycles cannot be handled on buses due to their size. Certain trains, identified in this timetable, can handle bicycles not in containers; a reservation for this space is normally required for which a nominal charge is made. Unboxed bicycles are accepted as carry-on items at no charge on a no-reservation, first-come first-served basis on the *Capitol Corridor*, *San Joaquin*, and *Pacific Surfliner* trains. Space is limited and may not always be available.

Musical instruments

Large, delicate musical instruments in cases such as bass violins and harps cannot be sent as checked baggage, but may be brought on trains provided a second seat is purchased for the instrument, at whatever fare is available at the time of booking. The instrument may not extend into the aisle or present a safety

hazard. If the instrument will safely fit in your Sleeping car room you may bring it into that room at no charge.

Baggage to and from Canada

Baggage to and from Canada, checked or carry-on, must travel on the same train as you. All baggage must be unlocked for Customs inspection and carry a special numbered name tag, provided at stations serving these trains, that associates your items with you.

Firearms in Checked Baggage

Effective December 15, 2010, Amtrak will accept reservations of firearms and ammunition for carriage between Amtrak stations and on Amtrak trains within the United States that offer checked baggage service. Thruway Bus Services will not be included in this service change. The following policies are in effect:

- Notification that the passenger will be checking firearms/ammunition must be made no later than 24 hours before train departure by calling Amtrak at 1-800-USA-RAIL. Online reservations for firearms/ammunition are not accepted.
- The passengers must travel on the same train that is transporting the checked firearms and/or ammunition.
- All firearms and/or ammunition must be checked at least 30 minutes prior to scheduled train departure. Some larger stations require that baggage be checked earlier. Please contact your departure station for more details.
- All firearms (rifles, shotguns, handguns, starter pistols) must be unloaded and in an approved, locked hard-sided container not exceeding 62" L x 17" W x 7" D (1575 mm x 432 mm x 178 mm). The passenger must have sole possession of the key or the combination for the lock to the container. The weight of the container may not exceed 50 lb/23 kg.
- Smaller locked, hard-sided containers containing smaller unloaded firearms such as handguns and starter pistols must be securely stored within a suitcase or other item of checked baggage, but the existence of such a firearm must be declared.
- All ammunition carried must be securely packed in the original manufacturer's container; in fiber, wood, or metal boxes; or in other packaging specifically designed to carry small amounts of ammunition. The maximum weight of all ammunition and containers may not exceed 11 lb/5 kg.
- The passenger is responsible for knowing and following all federal, state, and local firearm laws at all jurisdictions to and through which he or she will be travelling.
- All other Amtrak checked baggage policies apply, including limits on the number of pieces of checked baggage, the maximum weight of each piece (50 lb/23 kg).
- Firearms/ammunition may not be carried in carry-on baggage; therefore, checked baggage must be available on all trains and at all stations in the passenger's itinerary.
- At the time of check-in, passengers will be required to complete and sign a two-part Declaration Form.
- BB guns and Compressed Air Guns (to include paintball markers), are to be treated as firearms and must comply with the above firearms policy. Canisters, tanks, or other devices containing propellants must be emptied prior to checking and securely packaged within the contents of the passenger's luggage.

Passengers failing to meet the above-mentioned requirements for checking firearms will be denied transportation.

Amtrak disclaims all liability under certain circumstances and for certain items. Amtrak disclaims all liability for carry-on baggage and for any other items brought on trains or Thruway services by passengers.

Claims for checked baggage

Claims for lost checked baggage must be submitted within 30 days of travel. Submit the claim at your arrival station; if not possible, call Amtrak at 1-800-USA-RAIL and ask for Customer Relations. Claims for damaged checked baggage or for a concealed loss (pilferage) within checked baggage must be submitted at the location where the baggage is claimed, before leaving that location.

Lost articles ?

Please report lost or misplaced items left on trains or in stations to a station employee as soon as possible. Every effort will be made to recover the lost item promptly. Amtrak disclaims liability for lost or misplaced items.

Amtrak Express

Amtrak offers small package shipping services to more than 100 cities.

Small package shipments: The maximum weight per piece is 50 lb (23 kg), and the maximum size is 36" x 36" x 36" (900 x 900 x 900 mm), with a limit of 500 lb (227 kg) per shipment. Bicycles in Amtrak bicycle boxes or other approved containers, and surfboards properly wrapped or boxed, are exempt from the size limit (but not the weight limit).

Heavy and commercial shipments: This service is available at a number of larger stations. The maximum weight per piece is 100 lb (45 kg), and the maximum size is 48" x 48" x 48" (1.2 x 1.2 x 1.2 m), with a limit of 500 lb (227 kg) per shipment. Items greater than 50 lb (23 kg) must be on a pallet; the pallet can weigh as much as 500 lb (227 kg).

Mortuary services (human remains): Amtrak Express offers station-to-station shipment of human remains to many express cities. At most stations, funeral directors must load and unload the shipment onto and off the train. Certain trains, even though they handle checked baggage, cannot handle human remains due to the type of equipment operated.

New York (Pennsylvania Station) does not originate express shipments (please use the Amtrak station at Newark, New Jersey), but will accept shipments from other stations.

For more information about rates, transit times and acceptable items, call the Amtrak Express desk at 1-800-377-6914, Mondays through Fridays, 8:30 a.m. - 8:00 p.m. Eastern time.

SECURITY

Security measures

Amtrak uses a range of behind-the-scenes and front-line security measures to improve passenger rail security, some of which are conducted on an unpredictable or random basis. These include uniformed police officers and K-9 units in stations and on trains, Mobile Security Teams, checked baggage screening, on board screening, security cameras and deployment of state-of-the-art security technology.

Randomly selected passenger baggage, handbags, backpacks and other personal items may be screened or inspected. The inspection will be completed as quickly as possible – usually in less than a minute – in a manner designed to respect passengers' privacy as much as possible. Passengers who decline to consent to security procedures will be denied access to trains and refused carriage, and a refund will be offered.

In compliance with Transportation Security Administration directives, passengers 18 and over are randomly asked by conductors to produce acceptable identification, even if they have previously done so when purchasing tickets. The random identification checks are based on a passenger's ticket number.

For your safety and security, be aware of your surroundings. Keep your personal items secure and in close proximity, and do not approach police dogs. Report any suspicious activity or unattended items to a train or station employee, to an Amtrak Police officer, or by calling the Amtrak Police at 1-800-331-0008.

Identification

Passengers 15 years of age or older must present acceptable identification when purchasing tickets, checking baggage, sending Amtrak Express shipments, and on board trains when paying fares or if otherwise requested.

Acceptable identification includes a driver's license, passport, government agency ID card, and other specific forms of identification. All identification must be current and valid. Contact Amtrak for specific details, including requirements for passengers 15-17 years old who do not have their own identification.

Photography and video recording

Photography and video recording by the general public from publicly accessible property and public areas of stations is allowed. Commercial and special photography requires explicit authorization from Amtrak. Ticketed passengers may photograph on station platforms while boarding or alighting from trains. Other photography from Amtrak-owned station platforms requires permission from a station manager or designee. Generally, on board photography is permitted by ticketed passengers but is subject to directions from the train crew. Suspicious activity can result in inquiries by Amtrak Police or other security personnel. Photography is prohibited in areas restricted to the public by signage, physical barrier, etc. The above language is excerpted from the Amtrak Guidelines on Photography and Video Recording. Complete guidelines can be found on Amtrak.com or by calling 1-800-USA-RAIL.

Animals and other pets

Trained service animals that assist passengers with disabilities are the only animals permitted on Amtrak trains, and must be kept under your control at all times. You are responsible for the care and feeding of your animal during the journey. Amtrak does not accept so-called “comfort animals” and if there is doubt, you may be asked to identify what service the animal is trained to provide for you.

Boarding times

Be at your boarding station at least 30 minutes before departure. Arrive at least an hour before departure if you need ticketing, baggage or passenger assistance services from a station employee. You should confirm boarding times the day before travel in case there has been a schedule or service change for which we were unable to notify you. At some stations, it may be necessary to discontinue ticketing and/or close boarding gates a few minutes prior to train departure to make sure you can board your train safely. If a train is running late, we will attempt to make up some of the delay by shortening the time the train is in the station to less than that which is shown in the timetable.

Auto Train boarding

Arrive at the *Auto Train* terminal by 2:00 p.m. on the day of departure; earlier arrival (but not before 11:30 a.m.) is recommended. Allow time for traffic enroute. Motorcycles that arrive after 2:00 p.m., and any other vehicle that arrives after 3:00 p.m., cannot be loaded as the train is then in the final stages of being assembled; you will have to rebook for another day. Please see page 64-65 for complete information about *Auto Train*.

Canadian cross-border travel

Documentation required:

If you are crossing the border by land or sea, including on Amtrak trains and Thruway services, you must have one secure Western Hemisphere Travel Initiative-compliant document that proves both citizenship and identity.

- For United States citizens 16 or over, this document must be one of the following: passport, passport card, trusted traveler card (NEXUS, SENTRI or FAST), enhanced driver’s license, merchant mariner document, US military ID with military orders, or form I-872 (American Indian card).
- For Canadian citizens, this document must be one of the following: passport, trusted traveler card, or enhanced driver’s licence.
- For citizens of other countries, a passport, and in many cases a visa, are required.
- A passenger 15 and younger who does not have one of the above may present a copy of his or her birth certificate only.

For further information and to determine what is required for your particular situation (including permanent residents and others not mentioned above), contact the appropriate US or Canadian government agencies prior to travel.

An Amtrak brochure with additional details, “Important Information on Crossing the Border between the United States and Canada”, is available. Ask for it from an Amtrak agent.

Other details:

- Passengers under 18 not traveling with both parents require a letter from any parent not present giving permission to cross the border. If one parent is deceased, bringing a copy of the death certificate will minimize questioning and delay at the border. Children under 18 may not cross the US-Canadian border unaccompanied.
- Amtrak and VIA Rail Canada will require your date of birth, your country of citizenship, and your identification information. This

will be entered into your reservation record and provided to border authorities. If you do not provide this information we are unable to accept payment or issue your ticket.

- Admission into either country is solely at the discretion of border authorities, and possession of required documentation and the provision of required information in no way guarantees entry. Neither Amtrak nor VIA Rail Canada nor any other carrier is in any way liable if you are denied entry or removed from the train or bus.

Canadian train travel

Amtrak operates service to Vancouver, BC, Toronto, ON and Montreal, QC, from which VIA Rail Canada operates trains throughout Canada. See page 130-131 for more information, call VIA Rail Canada at 1-888-VIA-RAIL, or go to viarail.ca.

Fall and spring time changes

Amtrak operates according to prevailing local time, either standard time or daylight saving time. At the spring time change (second Sunday in March), Amtrak trains traveling overnight will become one hour late and will attempt to make up the time. At the fall time change (first Sunday in November), Amtrak trains traveling overnight will normally hold at the next station after the time change then depart on time. Arizona does not observe daylight saving time. Please observe footnotes in schedules for trains serving Arizona to determine your departure or arrival time.

Gift certificates

Gift certificates valid for Amtrak travel are available in amounts of \$50.00, \$100.00, \$250.00, \$500.00 or \$1,000.00 from Amtrak ticket offices, by phoning 1-800-USA-RAIL, or through Amtrak.com. You may purchase gift certificates in other amounts, up to \$5,000.00, by going to an Amtrak ticket office or phoning 1-800-USA-RAIL.

Lost, stolen or destroyed tickets

Your tickets have value. Please safeguard them as you would cash. Amtrak disclaims liability for lost, stolen, destroyed tickets. In order to travel, you will have to repurchase the tickets. In some cases a lost ticket refund application can be filed; the waiting period is five to six months, and a \$75.00 service charge will be deducted from any amount refunded. No refund will be made if the ticket has been used or honored in any way. Contact Amtrak for details.

Overnight travel

All necessary bedding is provided to Sleeping car passengers. Coach passengers may want to bring a blanket and pillow for added comfort. Blankets are provided to Coach passengers on *Auto Train* only.

Personal electronic devices

To maintain a pleasant environment for all passengers, Amtrak requires that any personal electronic device (laptop computer, MP3 player, DVD player, video game, etc.) not make any sound through speakers or earphones that are audible to others. Please also adjust your cellular phone, personal digital assistant, pager, watch, etc. to silent settings. In the evening and at night, please make your cellular phone calls from the Lounge car, not the coaches. Many Amtrak trains, including *Acela Express*, most *Northeast Regional*, *Keystone* and *Hiawatha* trains, have an Amtrak Quiet Car, in which loud conversations, the use of cellular phones, and the use of other sound-emitting devices are prohibited.

Personal food and alcohol

You may only consume personal alcohol within your Sleeping car room for which you hold a valid ticket. In all other areas of the train you may only consume alcohol that has been purchased from Amtrak. Amtrak reserves the right to limit or discontinue sales of alcohol to any passenger and will not sell alcohol to anyone under 21 (proof of age may be required).

You may consume personal food and beverages at your seat or within your Sleeping car room. Personal food and beverages may not be consumed in food service cars, except on the upper level of Superliner Sightseer Lounge cars, or in *Acela Express* or *Northeast Regional Café* cars. In all other food service cars only food purchased from Amtrak may be consumed.

Amtrak is unable to heat, refrigerate or store any personal food item or medicine due to FDA regulations. We can supply ice for your small personal container if you need to keep medicine cool. Do not put your medicine in checked baggage or leave it in your vehicle on *Auto Train* as you do not have access to it while enroute.

Rail Passes

Amtrak offers the USA Rail Pass and the California Rail Pass, allowing flexible travel within a certain time period. These passes may be purchased by US and Canadian residents as well as overseas visitors. Please see page 129 for details.

Smoking

Smoking is prohibited in all areas on all Amtrak trains (except *Auto Train*), on all Thruway services, and in all stations. At longer stops on long distance trains, smoking is allowed on station platforms; remain near the train to hear the boarding calls so you are not left behind. These stops may be shortened or eliminated entirely if the train is running late. State or local laws may prohibit platform smoking or require you to remain a certain distance away from train entrances. *Auto Train* has enclosed smoking rooms on the lower level of the Lounge cars, because this train does not make intermediate stops. All smoking is confined to those rooms (no smoking anywhere else, including sleepers) and if the cars with those smoking rooms are not on *Auto Train* for any reason, *Auto Train* is also entirely non-smoking.

Unaccompanied minors

A child under eight years old may only travel with another passenger 15 years old or more, who has responsibility for him or her.

A child eight through 14 years old, not accompanied by another passenger 15 years old or more, may travel unaccompanied under the following conditions:

- Amtrak trains only (no Thruway buses or other services).
- No transfers or connections are permitted, and no travel to or from Canada.
- Travel is allowed between 6:00 a.m. – 9:00 p.m. only.
- Both stations must be staffed at the time of departure or arrival.
- The child must be brought to the departure station, and picked up at the arrival station, by a responsible adult (at least 18 years old), at least one hour before departure.
- The child (not the adult) must be interviewed by the station agent or manager to determine ability to travel alone, a notification and release form completed and approved, and an unaccompanied minor wristband fitted to the child's arm (which may not be removed until after the child is picked up). If the child is traveling round trip, this interview must take place in each direction, even if the child already has a ticket for the return trip.
- Contact Amtrak for additional policies and conditions.

The Amtrak unaccompanied minor policies are subject to change.

Comments on service

We encourage you to give us the benefit of any comments, compliments or suggestions you may have regarding Amtrak service. Call Amtrak at 1-800-USA-RAIL and ask for Customer Relations.

LIMITATION OF LIABILITY

The fares, routes, schedules, service and accessibility information shown in this timetable are not guaranteed, are subject to change without notice and form no part of the contract between Amtrak and a customer. Amtrak reserves the right to change its policies without notice. Amtrak disclaims liability for inconvenience, expense or damage resulting from errors in this timetable, shortage of equipment or delayed trains, except that when such a delay causes a passenger to miss a guaranteed connection, Amtrak will provide alternate transportation on Amtrak, another carrier or overnight hotel accommodations at the discretion of Amtrak. Amtrak acts only as selling agent for Thruway connecting carriers and disclaims liability for travel on other carriers. Also see page 132 for Thruway service information.
