Versailles

A richly antiqued bronze finish, the body adorned in golden crystal, is reminiscent of the palatial style of Versailles.

The Garland Collection

Each of these exquisite pieces, hand-painted in delicate gold and silver leaf and adorned with crystal, is unique. Hand strewn glass beads embellish the free-form 'garland' to create a unique work of art as individual as you are.

The Petal

Mother Nature had a hand in the creation of this beautiful series in the form of real leaves. We've added delicate, whisper petals and finished it in an Earthy "granite", giving any room a Spring-like freshness...

The Donatelli Collection

Inspired by the work of the Italian sculptor, our own collection couples intricate scrollwork with a beautiful Platinum Bronze painting. The frost tipped 'Piastra' glass adds a flourish to this artistic creation.

23153

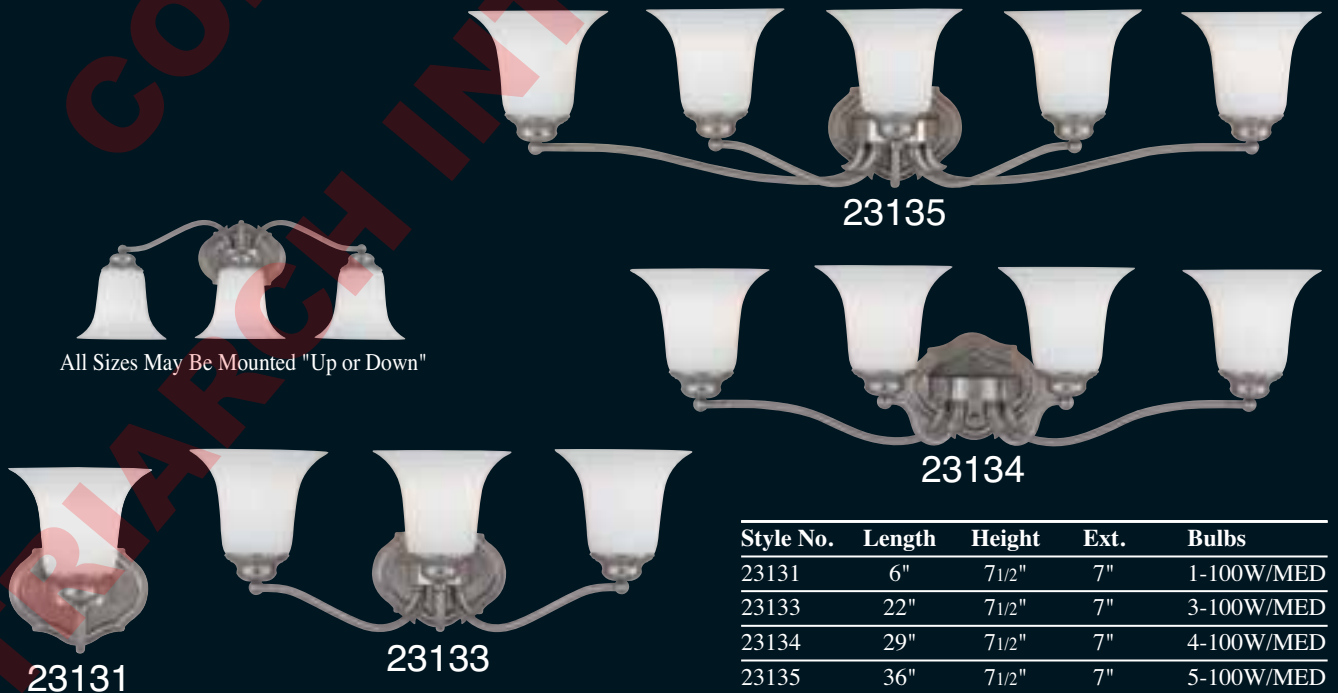

Tourmaline

Like the semi-precious stones, our own 'Tourmaline' is inspired by nature's palette. Exquisitely inlaid glass captures the light and is set against a subtle backdrop of softly Brushed Nickel.

Genevieve

A slightly French flourish in the styling adds attitude to these pieces. Set in a sassy Satin Nickel with traditional Opal Glass, they transition from the classic to the modern, offering a universal appeal.
