

SEWING

Super Sewing with 80 Built-in Decorative Stitches

Built-in stitches and buttonholes

- 80 built-in sewing stitches including 7 style of one-step buttonholes.

Computerized easy stitch selection via 4 cursor keys and LED screen

- Ability to easily select the stitch pattern using the cursor keys and LED screen.

Quick-Set™ bobbin

- Just drop in a full bobbin, pull the thread through the slot and start sewing.

Adjustable presser foot pressure

- Adjust the presser foot pressure to align with the feed dog motion for smoother delivery of fabric height variations.

Advanced needle threading system

- With the press of a lever, the thread is pushed through the eye of the needle.

Super bright LED work lights

- Helps reduce eye strain when sewing on dark fabrics and ensures accurate seams and stitch quality.

Hard cover

- Helps protect your machine from dust.

Included bilingual operation manual

Overview

The Innov-ís NX-250 is the right machine for that individual who wants to get back into sewing. Easy to use and fun to show off to your friends at sewing club. Enjoy the convenience of an automatic buttonhole

creator, an advanced needle threading system and a drop in bobbin. With all the function buttons at your fingertips on one user-friendly touchpad you are able to create your vision easier than ever before.

Choose from an ample selection of utility and decorative stitches. The 80 built-in stitches and many other great features allow you to sew virtually perfect seams on any fabric.
