

# WorkCentre® 5016 / 5020

## Multifunction Printer

### Essential features, bottom line savings

Print. Copy. Scan. All of your business-critical office functions in one affordable device.

#### Cost-saving features

- Low-cost, 3-in-1 functionality saves space and money by consolidating existing standalone devices.
- Power Save and Toner Save modes help you spend less on electricity and consumables.
- For greater cost control, Multiple Account Mode allows up to 10 password-protected user accounts with individual copy-job limits.

#### Streamlined performance

- Get more work done with a fast 16 / 20 ppm device.
- Built-in scanning reduces paper clutter and gets your office digitally organized.
- Paper capacity of up to 800 sheets means fewer interruptions to reload paper and greater media handling versatility.
- Increase workgroup productivity with shared printing, enabled through 3rd party devices.

#### Ease of use

- Walkup functions and features at the touch of a button.
- A centre output tray helps the device fit easily in tight spaces.
- High-end features like N-up and ID Card Copy simplify work processes.
- Designed for fast and simple installation and set-up.
