# WELCOME IN DEADWOOD

Make a Deadwood information location your first stop when you get to town. The Deadwood Welcome Center (501 Main Street) features free parking, an indoor trolley waiting area, creek access and loads of great information to help plan your stay and activities. Additional information locations include the History and Information Center (historic train depot at 3 Siever Street) and the Information Wagon (seasonal, a historic chuckwagon that travels to various locations on Main Street).

Once you've parked your car and have a plan, hop on a Deadwood Trolley. Rides only cost \$1 per person, per ride and the trolleys' loop routes mean you'll rarely walk more than a couple blocks before reaching a boarding location. Trolleys run from morning into the night, picking up at each location throughout the day. Trolley operating hours and frequency change with the seasons. Trolleys can be tracked in real-time at [TrackMyTrolley.com](http://TrackMyTrolley.com).

# GET LUCKY IN DEADWOOD

.....  
**IN 1876, THOUSANDS OF PROSPECTORS DESCENDED UPON DEADWOOD GULCH. THE PROMISE OF GOLD AND A BETTER LIFE INSPIRED A FLOOD OF FORTUNE-SEEKERS INTO THE CANYONS AND PEAKS OF THE LAKOTA'S SACRED BLACK HILLS.**  
 .....

*Though many gold rush towns died almost as soon as they started, Deadwood was different. The nearby mines went through booms and busts, but the gold kept coming. Generations of miners toiled underground, and when their shifts were over, they came to Deadwood saloons, brothels and gambling halls to unwind and relax. It didn't matter that this was all mostly illegal; Deadwood had always been a town on the edge of the law, and the people who came for a good time didn't mind bending a rule or two.*

*Things changed in 1989. After more than a century of gambling on the down-low, Deadwood became the third place in the United States*

*(after Atlantic City and the state of Nevada) to allow legal gaming. The card tables and slot machines came out from the back rooms, and the town boomed. Fueled by the new tax revenue, the town began an ambitious historic preservation effort that continues today. Gaming expanded again in 2015, when roulette and craps joined the town's existing poker tables, blackjack games and slot machines. And in 2021, sports wagering will be added to the lineup. Visit [Deadwood.com/casinos](http://Deadwood.com/casinos) for more information.*

**Not sure where to start? Here's a quick primer on the kinds of games you'll find in Deadwood.**

## SLOT MACHINES

Slot machines are the most common casino game in Deadwood, but the games are as diverse as they are universal. Penny slots are the crowd favorite, with a multitude of betting options that makes the game fun and low-cost. Progressive systems link the same machines throughout town creating an ever-growing jackpot amount. And many machines have the flexibility of being multi-denomination, so your desired bet changes with the click of a button.

ask around you'll find some single-deck tables, which give the house a significantly smaller advantage. Ask most any gaming professional and they'll tell you blackjack offers the best odds in the house.

## POKER

A good poker game in Deadwood is always available, but you'll have to search a little longer than you do for slots. A handful of casinos offer live poker games, and the play at them is outstanding. The most popular flavors are Texas Hold'em and Omaha, both community card games. Depending on times, games start with blinds as low as \$2 and \$4. There's a variety of additional table

games offered in Deadwood, such as Let It Ride, Caribbean Stud, Ultimate Texas Hold'em, 3-Card, 4-Card and more. If you're unfamiliar with the game, stop in a casino that offers poker during a slower time of day; most dealers will be happy to help you learn the basics. And remember, all you need is a chip and a chair.

## ROULETTE

Roulette is one of three games new to Deadwood in 2015. Roulette can be found at the town's larger gaming venues. Another easy game to learn, your roulette strategy can be kept simple by betting on red or black, on odds or evens, or up the potential winnings by selecting particular numbers. Then, just sit back and watch the wheel do the work.

## CRAPS

Like blackjack, craps is one of the most popular casino games in the world. You can walk through about any casino and if there's crowd gathered, you can almost bet it's around a craps table. Craps is played by one player, or a group of players betting against the house. Though the board and action can look intimidating, the game is easy to learn and fun to play.

## SPORTS WAGERING

In November 2020, South Dakota voters approved sports wagering in Deadwood. At the time of publication, operators and officials are in the process of drafting legislation to govern this new addition to Deadwood's games of chance. Sports wagering will likely be available in the Fall of 2021. For more information visit [Deadwood.com/casinos](http://Deadwood.com/casinos) or call 800-999-1876.

## BLACKJACK

Blackjack, also called 21, is a game that's easy to learn, making it the most popular casino game in the world. You'll find blackjack at most of the medium-size and larger gaming venues in Deadwood. While most games use multiple decks, if you

## HISTORY NUGGETS WILD BILL HICKOK

Although Wild Bill Hickok is Deadwood's most famous resident, he was in town less than a month before he was shot down by Jack McCall on August 2, 1876.

The former gunfighter and lawman was famous long before Deadwood. He arrived by wagon train from Cheyenne in the company of Charlie Utter and Calamity Jane. Despite talk of prospecting for gold, Wild Bill didn't stray from the Badlands, a section of Main Street known for

its bars, brothels and gambling houses. He was playing poker in Nuttal & Mann's (Saloon No. 10) when Jack McCall walked in and shot Wild Bill in the back of the head. Bill was holding two pair, Aces and Eights, which became known as Dead Man's Hand.

Jack was first tried by a miner's court in Deadwood and found not guilty. He was later tried and executed in Yankton, the territorial capital, and buried with the noose still around his neck.

# LEARN ABOUT THE OLD WEST IN DEADWOOD

DEADWOOD WAS BORN IN 1876, WHEN A RUSH OF GOLD MINERS AND FORTUNE SEEKERS DESCENDED ON THE NORTHERN BLACK HILLS IN THE HOPES OF MAKING A BETTER LIFE FOR THEMSELVES. THE TOWN WAS PRACTICALLY LAWLESS IN THOSE EARLY YEARS, AND THE MEN AND WOMEN WHO FIRST CAME TO DEADWOOD WERE PEOPLE OF FORTITUDE AND STRENGTH – FOLKS WHO DIDN'T MIND A LITTLE STRUGGLE ON THE ROAD TO FAME AND FORTUNE.

*These folks were responsible for a number of lasting legends. The dime novel exploits of Wild Bill, Calamity Jane, Deadwood Dick and other heroes captivated turn-of-the-20th-century America. In many ways they still define modern Deadwood.*

*living history. You don't have to pore over old records or listen to lectures to know what Deadwood was like 140 years ago – though you can. Just walk the brick-paved streets, and you'll immerse yourself in continental America's last great gold rush.*

*True West Towns, as well as Best Old West Gunfighter Town, Best Town for Historic Entertainment and Best Historic Cemetery of the West.*

***Want to learn more? There are plenty of ways to put yourself in the middle of Deadwood's Wild West past.***

*That means that when you visit Deadwood, you're diving head-first into*

*That's why True West Magazine has named Deadwood one of the Top 10*

## DEADWOOD WALKING TOUR

Pick up a free brochure for this self-guided tour at one of Deadwood's visitor center, or at City Hall, 108 Sherman Street. Also, interpretive signs at important locations will tell short stories from Deadwood's past. Scan the QR codes with your smartphone to see rare photographs and videos.

## BROTHEL TOURS

Deadwood's last houses of prostitution closed following a raid in 1980. But now, visitors are able to tour one of these former bordellos at The Brothel, located at 610 Main Street, and understand how the world's oldest profession shaped more than a century of Deadwood's history.

## HISTORIC ADAMS HOUSE

Built in 1892, the Queen Anne home at 22 Van Buren Street was occupied by some of Deadwood's most influential merchant families. Its furnishings, hand-painted canvas wall coverings, stained glass windows and 19th-century plumbing sat undisturbed for almost 60 years during the middle of the 20th century. Guided tours

are \$10 for adults and \$5 for children. The fully restored home is open April through October. Ask about special events such as musical performances and history lectures during the summer on the lawn.

## ADAMS MUSEUM

The oldest history museum in the Black Hills, the Adams Museum at 54 Sherman Street originally had a Victorian cabinet-of-curiosities philosophy: collect anything that looks cool and put it in a glass case.

The museum still has an eclectic collection, including a one-of-a-kind plesiosaur fossil, Potato Creek Johnny's massive gold nugget, the mysterious Thoen Stone and a mining locomotive. However, the recently renovated museum features modern displays that use artifacts to tell the important stories of Deadwood's past. Ask about special programs and temporary exhibits. Admission is a donation of \$5 for adults and \$2 for children. Open year-round.

THE BROTHEL DEADWOOD

## DEADWOOD HISTORY TIMELINE

**1874** Col. George Armstrong Custer's expedition discovers gold on French Creek in the Southern Hills.

**1875** A much richer gold deposit is discovered in Deadwood

Gulch. The town of Custer is abandoned and miners stream north to stake claims.

**1876** Deadwood becomes an official town, although rough around the edges. Wild Bill Hickok is gunned down, and the Manuel brothers strike gold near present-day Lead.

**1877** Mining mogul George Hearst buys the Manuel brothers' claim for \$70,000 and establishes the Homestake Mining Co. It would operate for 126 years and pull untold riches from beneath the Black Hills.

# DEADWOOD HISTORY TIMELINE

**1879** Fire rages through the city, destroying buildings and leaving 2,000 people homeless.

**1890** The Fremont, Elkhorn & Missouri Valley Railroad begins passenger service to Deadwood.

**1903** The Franklin Hotel opens; Calamity Jane dies.

**1906** The Homestake Slime Plant (now the Deadwood Mountain Grand) is constructed.

**1908** The Lawrence County Courthouse is completed.

**1913** The Deadwood Auditorium (now the Deadwood Recreation Center) opens to the public.

## DAYS OF '76 MUSEUM

Located at 18 Seventy Six Drive, the newly built Days of '76 Museum has a large collection of horse-drawn wagons, coaches, carriages, 19th-century clothing, firearms, and Native American artifacts. The 32,000-square-foot building is a cool and quiet place to uncover some of Deadwood's earliest stories. Admission is \$8 for adults and \$3 for children. Open year-round.

## OLD STYLE SALOON NO. 10 AND THE TRIAL OF JACK MCCALL\*

Though the original location of the bar where Wild Bill Hickok met his end is farther down the street, the modern Saloon No. 10 (657 Main Street) has been embracing the legacy of Deadwood's most famous permanent resident for decades. There are so many historic photos and

DEADWOOD ALIVE

oddball artifacts hanging from the walls and ceiling that the establishment often markets itself as "the only museum in the world with a bar." From mid-May to late October, Monday through Saturday, the saloon re-enacts the events of Wild Bill's final card game several times a day. These shows are free. From Memorial weekend through late September, after the last performance at 7:30 p.m., actors chase the murderer down the street and haul him off to a trial at the Wild Bill Theatre (above the Wild Bill Bar, 624 Main Street). Admission for the Trial is \$8 for adults, \$7 for seniors and \$4 for children 12 and under. While you are there, you can also tour the original location of the #10 at the Wild Bill Bar.

## DEADWOOD ALIVE\*

The actors who perform at the Trial of Jack McCall\* also stage shootouts\* and fun, audience-participation shows up and down Main Street during the summer months every day except Sunday. The shows are free and designed with families in mind. Plan an extra evening of fun and learning in Deadwood with the whole family and enjoy Deadwood History Family Fun Night at Outlaw Square on Thursdays evenings in the summer.

Immerse yourself in history and take a ride on Main Street on the Deadwood

Stagecoach\*. Rides are available daily, in the summer and on weekends in the spring and fall, weather and special event permitting. Tickets are purchased at The Lucky Horse Stage Stop on Historic Main Street next to the Celebrity Hotel.

\*Schedule is subject to change due to special events and other street closures. Visit [deadwoodalive.com](http://deadwoodalive.com) for more information.

## MOUNT MORIAH CEMETERY

Deadwood's first cemetery found plenty of involuntary occupants in 1876 and 1877, but the needs of the town's living residents soon prevailed over the deceased. The cemetery was moved to its present location at the top of Lincoln Avenue, and the old cemetery site was built over with houses. The well-traveled cemetery's lanes are broad and paved, but you can hike up to

some of the wilder parts of the forested graveyard, including Seth Bullock's grave near the top of the mountain (about a 15-minute walk up a gravel forest service road). Be sure to stop at the graves of Calamity Jane and Wild Bill Hickok, the Chinese section and the paupers' sections. Admission is \$2 and includes a handy map of the cemetery at the entrance. You can pay a bit more for a guided bus tour during the summer - just look for the kiosks downtown. The cemetery is open from dawn to dusk year-round.

## TATANKA: STORY OF THE BISON

Over 30 million Bison once roamed the Great Plains of North America. By the close of the 19th century, less than 1,000 bison survived. At Tatanka: Story of the Bison, you will discover the fascinating history, the cultural importances and the inspiring comeback of the majestic mammal. Located one mile north of Deadwood on U.S. Highway 85, the attraction includes a larger than life bronze sculpture featuring 14 bison pursued by three Native American riders, Northern Plains Peoples Educational Interpretive Center, Native American Gift Shop, Sweetgrass Grill and Snack Bar, Dances with Wolves movie costumes, and Lakota Interpretive presentations daily.

# DEADWOOD HISTORY TIMELINE

**1929** Potato Creek Johnny reportedly finds a 7 3/4-ounce gold nugget, one of the largest ever found in the Black Hills.

**1930** The Adams Memorial Hall Museum opens.

**1938** The first Sturgis motorcycle rally is held in Sturgis.

**1961** The entire town of Deadwood is declared a National Historic Landmark.

**1980** The last four brothels are shut down by federal authorities.

**1987** Fire destroys the historic Syndicate Block, fueling the discussion about legalized gaming to preserve Deadwood's historic buildings.

**1989** Legalized gaming kicks off with slot machines, blackjack and poker. Deadwood is the first jurisdiction outside Nevada and Atlantic City to offer gaming.

**1998** The Mickelson Trail, running 109 miles along a former rail line from Deadwood to Edgemont, is completed.

**2002** After 126 years, having mined to depths of 8,000 feet, the Homestake Gold Mine shuts down. (It's now the Sanford Underground Lab.)

## CLIMB THE FRIENDSHIP TOWER ON MOUNT ROOSEVELT

Another hiking option is a short and beautiful hike up to the Friendship Tower, a monument built by Seth Bullock to honor his friend Theodore Roosevelt in 1919. redevelopment, and modern Deadwood has been without a public square. Until now.

Outlaw Square opened in November 2019. It's located on the former site of

Deadwood's City Hall and the Deadwood Theater, grand Victorian-era public buildings that were destroyed by a tragic fire in 1952. It's also less than 100 feet from the confluence of Whitewood Creek, City Creek, and Deadwood Creek, where gold was first discovered in Deadwood Gulch in late 1875 - an event that opened the floodgates to the prospectors, entrepreneurs, and gamblers who built Deadwood into one of the West's most legendary towns.

Outlaw Square operates year-round, hosting concerts, ice skating, movie nights, craft fairs, holiday celebrations, history presentations, and more.

For a complete schedule of events, visit [OutlawSquare.com](http://OutlawSquare.com).

The square was created by the community as a local gathering space for public events. Historically, the City of Deadwood had a number of these plazas, including a Victorian bandstand on Sherman Street and Chautauqua Park on the top of McGovern Hill. But as the decades wore on, these spaces succumbed to age and

# HAVE FAMILY FUN IN DEADWOOD

WHILE THE ROUGH-AND-TUMBLE REPUTATION OF DEADWOOD'S HISTORY PRECEDES IT, THERE ARE MANY GREAT OPPORTUNITIES FOR VISITORS OF ALL AGES TO LEARN, EXPLORE AND EXPERIENCE THE PAST AND PRESENT OF THE AREA.

## DEADWOOD STAGECOACH TOURS

The Deadwood Stagecoach is one of the most recognizable Old West icons in existence. Immerse yourself in history and take a narrated ride through Historic Deadwood. Rides are available daily, in the summer and on weekends in the spring and fall, weather and special event permitting. Tickets are purchased at The Lucky Horse Stage Stop on Historic Main Street next to the Celebrity Hotel.

MAIN STREET SHOOTOUTS

## MAIN STREET SHOOTOUTS\*

Hooligans, thieves and troublemakers occasionally escape from history and must be chased down and brought to justice. These live-action reenactments can be seen daily, except Sunday, during the summer. You might even find yourself deputized by the Marshal, who needs all the help he can get keeping the peace in Deadwood.

\*Schedule is subject to change due to special events and other street closures. Visit [deadwoodalive.com](http://deadwoodalive.com) for more information.

## DEADWOOD HISTORY CHILDREN'S PROGRAMING

During the summer, free programs are offered at Outlaw Square for children and families from 6:15 p.m. to 7:15 p.m. on select Thursdays. You can learn about famous Deadwood Legends, birds of the Black Hills, traditional Native art, and more. Any time of the year, take one of the scavenger hunts offered at the Adams Museum, or in the summer get your Deadwood PastPort punched at each of participating locations in town to receive a bar of chocolate or deck of Deadwood playing cards. More information is available at [DeadwoodHistory.com](http://DeadwoodHistory.com).

## NORTHERN HILLS RAILWAY MODEL TRAIN DISPLAY

This massive model railroad display, located at 614 Main Street, has more than 50 locomotive engines and 400+ other train cars. A free attraction, the display is surprisingly detailed as it houses replicas of actual railroad lines that have crossed South Dakota and the Black Hills region.

## HISTORY NUGGETS SETH BULLOCK

Seth Bullock spent a lifetime trying to make Deadwood a permanent, prosperous place for future generations.

He and his business partner Sol Star arrived in Deadwood to open a hardware store in August 1876. Two days before they arrived, Wild Bill Hickok was gunned down. After the killing, the town decided it needed a sheriff. Bullock, a former lawman in

Montana, took the job. He later engaged in several businesses including a hotel that bears his name, a flour milling company, mining ventures and a ranch near present-day Belle Fourche.

He met future president Teddy Roosevelt in 1884, and the men developed a lifelong friendship. Bullock and 50 South Dakota cowboys rode horses in Roosevelt's inaugural parade in 1905.

## #WILDBILLME

As you explore Deadwood, you'll see a lot of Wild Bill Hickok. Sculptures, paintings, reenactors. Snap a selfie and win prizes! See details on [Page 56](#).

## RENT A BIKE

Rabbit Bicycle Rentals is based in Hill City and provides shuttles and bike rentals to the Deadwood area.

# INDULGE IN DEADWOOD

LONG KNOWN AS A CENTER OF CULTURE AND INDULGENCE, RECENT YEARS HAVE SEEN DEADWOOD'S OFFERINGS REFINED TO SUIT THE MOST DISCRIMINATING OF EXPERIENCE-SEEKERS.

*From locally crafted spirits to fine dining and full-day pampering, there are countless ways to treat yourself right in Deadwood.*

fields salad, shrimp crepes and Colorado rack of lamb. The Gem Steakhouse and Saloon, in the Mineral Palace Hotel (601 Main Street), offers hand-cut steaks (aged at least 21 days) and fine wine in a fun atmosphere. The menu is based on the real-life characters from the Deadwood HBO series. Six String Grill, in Deadwood Mountain Grand (1906 Deadwood Mountain Drive) provides an upscale dining experience, whether it's a light lunch or

elegant dinner. In summer, the restaurant has an outdoor dining patio overlooking Whitewood Creek. The Deadwood Grille at The Lodge at Deadwood (100 Pine Crest Lane), offers a spacious and elegant dining experience. Their chef-inspired menu features unique appetizers, a large wine selection, and popular dishes including Seafood Risotto, Prime New York Strip and Buffalo Ribeye. Snitches (555 Main Street) at Tin Lizzie Gaming Resort offers a chef-inspired gastronomic experience crafted using local and seasonal ingredients. Unique flavor combinations and menu offerings, a first-rate and completely redone restaurant atmosphere and their own smoke-meats

are a few of the things that make Jacobs Brewhouse and Grocer (79 Sherman Street) a new favorite in Deadwood.

massage and spa services. Akela Spa (11842 U.S. 14) is perched on a hilltop just a mile east of town. Akela Spa provides traditional spa services, but it is probably best-known for the dry sauna, housed in a Lakota-style tipi. The town's newest relaxation station is Deadwood Day Spa (93 Sherman Street), a full service spa featuring a variety of massages, and therapies like eucalyptus steam and salt. When your hair or skin needs a little help, stop at Salon 14a, just north of town on highway 14a.

## SWEET TREATS

Chocolate connoisseurs would do well to visit Chubby Chipmunk (420 Cliff Street) where the handmade truffles are the main attraction, and they also have ice cream and candies. Don't let the humble storefront fool you; Chubby Chipmunk has been asked to supply chocolates for guests at the Country Music Awards, Oscars and the GRAMMY Awards. If you're a sweets for breakfast type, Deadwood has several places to grab fresh baked goods in the morning. Lou Lou's Bombdiggity's (11 Charles Street) specializes in a variety of pastries, including a decadent caramel roll big enough for two (or three). Then, stop at Jacob's Grocer (79 Sherman Street) and ask about their fresh cake-style donuts, available in classic and unique flavors. Looking for a scoop? Hard serve ice cream is available at the Big Dipper (652 Main Street) and at Lizzie Burgers, located at Tin Lizzie Gaming Resort (555 Main Street). Before you head home, stop for a sweet souvenir at Tasty Treats (618 Main Street) and grab a case of old fashioned bottled sodas and hard candy available in bulk.

## WINE TASTING

Sample wine made from grapes grown in the Black Hills at the Belle Joli Winery Tasting Room (594 Main Street). There's outdoor seating on the patio, and the wines on offer include traditional reds and whites, as well as dessert and sparkling wines. At His & Hers Ale House and Wine Bar (696 Main), you can enjoy a variety of wines in a former bank. (Some of the wine is kept inside the vault.) Just next door is Naked Winery (692 Main) offering a playful take on traditional grape wines.

## LOCAL BREWS, WINES & SPIRITS

Thirsty for a bigger taste of South Dakota? Try some locally made drinks at Deadwood's bars and saloons such as Jacob's Brewhouse (79 Sherman Street). Beer drinkers should ask bartenders about brews made in the area. If wine is more your style, ask about bottles from the vineyards of Belle Joli and Prairie Berry. Both make wines in South Dakota. Looking for a serious kick? Check out the moonshine at Deadwood Distillery (645 Main Street).

## CIGAR BAR

The sandstone turret of the Fairmont Hotel rises up from the corner of Main and Wall Streets. But if you're a cigar and tobacco aficionado, don't look up — look down. A set of stairs leads down from street level to the Deadwood Tobacco Co. & Cigar Bar, where you'll find cigars, loose-leaf tobacco and more than 50 different beers. This is one of the only bars in South Dakota with legal indoor smoking.

## FINE DINING

Looking for a nice restaurant for a date night? You have plenty of upscale dining options. For a taste of regional ingredients, try the Deadwood Social Club (657 Main Street), just above the Saloon No. 10. The martini bar and outdoor fire pit add to the ambiance. Favorite dishes include the bison ravioli and smoked pheasant tuaca. For aged and hand-cut steaks, head for the Deadwood Legends Steakhouse, on the lower floor of the 1903 Franklin Hotel (700 Main Street). Aside from steaks, signature dishes include the vanilla

DEADWEIRD

## GIRLS & GUYS GETAWAYS

Make a date to bring your mates to Deadwood. Male bonding experiences can include golf (5 courses a short drive from Deadwood and an indoor golf simulator), ATVs (600 miles of off-road motorized trails), cigar bars and blackjack, poker, roulette and craps in Deadwood's casinos.

Girlfriend getaways can include spas, wine tastings, fine dining, glass blowing classes and unique boutiques.

## FOOD & DRINK FESTIVALS

Enjoy Deadwood's culinary pleasures when you attend one of the town's many

festivals centered around food, wine and beer tastings. Tickets allow you to sample the specialties offered by vintners, brewers, distillers from all over the region and paired with food samples from Deadwood chefs. Deadwood has three food and beverage-based festivals per year, one in the spring and two in the fall.

## HISTORY NUGGETS THE BADLANDS

Much of early Deadwood tried to put on a genteel Victorian front, but the area of saloons, brothels and gambling parlors along lower Main Street made no attempt at respectability.

The Badlands, also home to Deadwood's tiny Chinatown neighborhood, was well known for its wild and woolly ways. The notorious Gem Theater and the

Green Front Saloon were Badlands landmarks. So was Nuttal & Mann's Saloon,

later named the Saloon No. 10, where Wild Bill Hickok was murdered.

Archeologists in recent years have recovered more than 250,000 artifacts from this area, offering a fascinating picture of this infamous section of town. If you want to see the former Badlands for yourself, check out Main Street from Wall Street to the intersection of Highway 85 near the lower Main Street parking lot.

OKTOBERFEST

# OUTDOOR ADVENTURE IN DEADWOOD

## HIKE, BIKE OR RIDE THE MICKELSON TRAIL

If you're ready for a challenge, the northernmost trailhead of the 109-mile Mickelson Trail departs from Deadwood. This former rail line takes you past historic mining buildings, over creeks and into the Black Hills. Passes are available at stations along the trail, at a Deadwood Visitor Center or online. Bike rentals and shuttles are available May through mid-October. Horseback riding is also available.

## OFF-ROADING

Deadwood is located in the heart of the 1.2 million acres of the Black Hills National Forest. Off-road enthusiasts can take off on the Forest's Motorized system consisting of 600 miles of designated trail bisecting with 3,600 miles of unpaved roads. Adventurers can rent ATVs and UTVs at area outfitters or bring their own vehicles. The trail system requires a modest weekly or annual fee for use and you must have a valid drivers license for travel on roadways.

## DOWNHILL, CROSS COUNTRY SKIING AND SNOWSHOEING

Winter is an excellent time to visit Deadwood. Downhill slopes are located within 15 minutes drive from the historic town. If you didn't bring your gear, don't worry. Rental equipment is available on-site and at area outfitters.

Prefer a slow and steady pace? Cross country skiing on pristine snow or groomed tracks is plentiful around Deadwood. Rentals are available at area outfitters. Snowshoeing is another great way to explore backcountry and hiking trails in the Winter. Many state parks in South Dakota as well as Game, Fish & Parks offices and the Deadwood Welcome Center have free snowshoe rentals.

## SNOWMOBILING

Snowmobiling is a great way to traverse the Black Hills National Forest in the winter, especially in the 5,500+ foot elevations surrounding Deadwood. The backcountry commonly builds a 5-foot snowpack for

off-trail riding and the National Forest is home to a 350-mile network of marked, mapped and groomed trails. One of those trails leads directly into town! Snowmobile rentals are available at several trail-side outfitters near Deadwood.

## METAL DETECTING AND GOLD PANNING

Gold panning and metal detecting on public land (ie: the Black Hills National Forest) is technically allowed, but you'll need to find land that is unclaimed. That's harder than you might think. Remember, mining in this area has been ongoing since the mid-1870s. Mineral claims on public land are managed by the Bureau of Land Management (BLM). Visitors are encouraged to call the BLM for more information at 605-892-7000, or the Northern Hills District of the Black Hills National Forest Service at 605-642-4622. For those willing to plan ahead, and pay a fee for the right to prospect, joining a club is the easiest way to gain access to a claim. The Black Hills Prospecting Club (local) and the Gold Prospectors of America (national) both have several claims nearby and membership information on their websites.

## FISHING

The Black Hills National Forest is ripe with fresh streams and man-made lakes making it a popular destination for many different types of fishing. A variety of species of fish call the Black Hills home, including brown, brook, and rainbow trout, as well as northerns, perch, and crappies can be found in its fresh waters. Best of all, the fishing season never ends. Warm weather days in the summer are perfect on the

lake. Or, if setting up a small tent on the ice during the cold winter months is your idea of solitude, that's an option too. For fly fishing enthusiasts, Spearfish Creek Fly Shop offers packages to suit any skill level and more. Remember, fishing licenses are required to fish in all public areas. Licenses, handbooks, maps and other important information is available at many local retailers as well as local Game, Fish and Park locations in the Black Hills.

# #WILDBILLME AND WIN IN DEADWOOD

Grab your camera and fire away!  
(Sorry, Bill)

Wild Bill Hickok remains Deadwood's most famous resident, even though he was only in town a few short weeks — and he's been

dead since 1876. You'll find his likeness all over Historic Deadwood — reenactors, photos, paintings, statues, signs, life-size cutouts and more.

Now you can explore that history through a fun, new game! #WildBillMe is a selfie treasure hunt in Historic Deadwood (and the surrounding area). Find Bill (any likeness will do) and take a selfie with him.

Visit [WildBillMe.com](http://WildBillMe.com) for information.

## CLAIM YOUR PRIZE

Bring your phone or camera into one of Deadwood's Visitor Centers (501 Main Street or 3 Siever Street) and show us your #WildBillMe selfie collection.

10 selfies win a #WildBillMe sticker;  
15 and you'll get a magnet; 25 Wild Bills

and we'll add \$5 in Deadwood Gold Bucks redeemable at over 30 locations in Deadwood, to the first two prizes.

You can only count each Bill once, but trust us, it won't be that hard. Bill is EVERYWHERE in Deadwood, you just need to explore a little to find him!

# THIS PLACE ROCKS.

There's resorts.  
Then there's resorts that rock!

Our 98 room property in the heart of Deadwood is less than an hour's drive from Mt. Rushmore, Crazy Horse and Custer State Park.

From legendary bands to comedians, we ARE the party! Our venue hosts multiple shows each year featuring some of the biggest names in entertainment.

From blackjack to slots, to live craps & roulette, our modern casino offers gamers everything they'll need to beat the odds. We also offer an upbeat restaurant, energetic sportsbook with the largest video wall in Deadwood, and a multi-leveled, covered parking garage.

Visit our website or follow us on Facebook for a complete list of upcoming events!
