Dear Customer:

Because you have purchased one or more of the products listed on the attachment during the past twenty-four (24) months, we would like to notify you of changes in the status of those products.

The products listed in this Product Withdrawal / Discontinuance Notification are non-manufacturable products. As such, we are not able to offer a lifetime buy.

TI does offer replacement products as identified in the attachment. The replacement note for the products is listed as type "Q" or type "P". Type "Q" means that the production device has the same functionality and PIN-OUT as the affected device but is NOT an exact equivalent; and the production device is intended to be a drop in replacement for the affected device, but may include datasheet errata fixes that customers should incorporate as appropriate. Type "P" means that production device has the same functionality but is NOT pin-for-pin equivalent and may NOT be parametrically equivalent.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_ww_admin_team@list.ti.com).

Sincerely,

PCN Team
