Black Box Products

Power > Data-Line Surge Protection

Quick-Connect Surge Protector, RS-422/423/485 and 10BASE-T, 2-Wire

This data-line protector couldn't be easier to install.
SP601A
Extended Double Diamond™ Warranty Available
(3 Additional Year)

Product Highlights

- Keep your network and communications devices (I/O cards, controllers, programmable logic controllers, modems, CSU/DSUs, hubs, and multiplexors) up and running.
- Easy installation with Quick-Connect connectors—right at the port—just strip the cable and insert.
- Spring-loaded design prevents wires from loosening, corroding, or becoming brittle.

Description

Quick-Connect Surge Protector, RS-422/423/485 and 10BASE-T, 2-Wire

Quick Facts

- Keep your network and communications devices (I/O cards, controllers, programmable logic controllers, modems, CSU/DSUs, hubs, and multiplexors) up and running.
- Easy installation with Quick-Connect connectors—right at the port—just strip the cable and insert.
- Spring-loaded design prevents wires from loosening, corroding, or becoming brittle.

Further Details

- Protection for RS-422/423/485 and 10BASE-T.
- Low shunt capacitance to reduce signal loss.
- State-of-the-art avalanche diode technology.

Technical Specifications for Quick-Connect Surge Protector, RS-422/423/485 and 10BASE-T, 2-Wire:

Clamp Voltage	±7.5 V
CE Approval	Yes
Size	1.5"H x 3.5"W x 5.4"D (3.8 x 8.9 x 13.7 cm)
Weight	0.5 lb. (0.2 kg)
