Car Converter

hama

Car Converter "Safety"

Max. Output Performance	280 W
Input Voltage Range	10 - 15 V
Max. Input Power	n/s
Output Frequency	50 Hz
Output Voltage	230 V
Permanent Output Performance	100 W

- Suitable for most of the notebook power supplies, multimedia, audio and video devices
- Suitable for devices with plug with earth contact
- Robust aluminium housing
- Can practically and safely be stored in the cup holder of a vehicle
- 230 V connection via socket with earth contact and protective conductor
- Connection to the cigarette lighter socket in a vehicle
- Input voltage 10 - 15 V = (DC)
- Output voltage 230 V/50 Hz~ (AC, modified sine)
- Continuous output power: 100 W
- Peak output power: 280 W
- Fault current protective circuit, therefore utmost safety for the user
- Overvoltage and undervoltage protection
- Short circuit protection
- Reverse polarity protection
- Cut-off in case of overheating (thermal overload from approx. 60°C)
- Fuse: 15 A
- Operation with an ambient temperature of -15 to +50°C
- Soft start circuit

"Power" Car DC/AC Inverter, 150 W + USB

Max. Output Performance	300 W
Input Voltage Range	10 - 15 V
Max. Input Power	n/s
Output Frequency	50 Hz
Output Voltage	230 V
Permanent Output Performance	150 W

- Device is suitable for plugs with earth contacts
- USB power socket supplies additional USB devices with power
- Residual-current device for preventing dangerous electric shocks
- Separate on/off switch allows for energy-saving use of the devices
- Suitable for most notebook power supplies, multimedia, audio and video devices
- Earth leakage circuit breaker, therefore utmost safety for the user
- Suitable for devices with Euro plugs and plugs with earth contact
- Operation via the cigarette lighter socket in a car
- Robust, silver metal casing
- AC output voltage: 230 V/50 Hz (modified sine)
- Peak output power: 300 W
- Continuous output power: 150 W

hama

DisplayPort Cable „Mini DisplayPort Plug - DisplayPort Plug, gold-plated“, Black

Quality	3 Stars
Data Transfer Rate	21.6 Gbit/s
Version	1.2

- DisplayPort cable for perfect, high-resolution ultra HD cinema quality, 4096x2160 (4K) pixels
- Gold-plated plug with low contact resistance for secure signal transmission
- Double shielding for optimal reduction of electromagnetic interference
- 3D transmission due to extended bandwidth
- The inner conductor is made of copper which ensures best transmission properties
- Complies with VESA 1.1a standard, supports audio transmission with models (about mid 2010) that make the sound signal available on the mini DisplayPort
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- The cable works in both directions
- Compatible with Thunderbolt technology

1,80 m					00054563

Printer Converter

Printer Converter "USB"

USB Standard	USB 1.1
Cable Length	1,40 m

- Connects most printers in a bidirectional way
- Also ideal for notebooks
- Transfer rate: 1.2 MB/s
- Input: type A USB connection
- Output: 36 pin Centronics plug
- USB 1.1 compatible
- Hot plug-and-play
- Power supply via USB interface (bus powered)

Network Cable "CAT 5e UTP, flat", Black

Quality	1 Star
Cable Category	CAT 5e
Shielding	UTP

- Data transfer of up to 1000 Mbps
- Extremely flat cable for space-saving installation
- The inner conductor is made of copper which ensures best transmission properties
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- UTP (= Unshielded Twisted Pair)

WLAN USB Stick "Dual Band, N600, 2.4/5 GHz"

USB Standard	USB 2.0
WLAN Encryption	128 bit WEP/64 bit WEP/WPA/WPA2/WPS
Frequency Range	2.4/5 GHz
Max. Data Transfer Rate	300 Mbps

- WiFi protected setup helps set up encrypted connections automatically
- Allows using a 2.4 GHz and 5 GHz band which is ideal for multimedia applications like video streaming
- Also enables the connection to other WLAN devices without router or access point (Ad-Hoc)
- Compatible with IEEE802.11n (300 Mbps), IEEE802.11g (54 Mbps), IEEE802.11a (54 Mbps), IEEE802.11b (11 Mbps) and WiFi
- Enables radio encryption via WPA/WPA2 as well as 128/64 bits WEP
- Data rate of up to 300 Mbps, automatic adjustment to the maximum possible speed according to the reception conditions and the remote station
- Extended MiMo technology with two built-in antennas
- Operating system: Windows 10/8/7/ Vista/XP

WLAN USB Stick "Dual Band, N900, 2.4/5 GHz"

USB Standard	USB 2.0
WLAN Encryption	128 bit WEP/64 bit WEP/WPA/WPA2/WPS
Frequency Range	2.4/5 GHz
Max. Data Transfer Rate	450 Mbps

- WiFi protected setup helps set up encrypted connections automatically
- Allows using a 2.4 GHz and 5 GHz band which is ideal for multimedia applications like video streaming
- Also enables the connection to other WLAN devices without router or access point (Ad-Hoc)
- Optimized range and reliable fast data transfer
- Compatible with IEEE802.11n (450 Mbps), IEEE802.11g (54 Mbps), IEEE802.11a (54 Mbps), IEEE802.11b (11 Mbps) and WiFi
- Enables radio encryption via WPA/WPA2 as well as 128/64 bits WEP
- Data rate of up to 450 Mbps, automatic adjustment to maximum possible speed according to the reception conditions and the remote station
- Enhanced MiMo technology with one powerful, adjustable antenna and two built-in antennas
- USB docking station as extension for a place with ideal reception conditions
- Operating system: Windows 10/8/7/ Vista/XP

WLAN USB Stick "Nano, N150, 2.4 GHz"

USB Standard	USB 2.0
WLAN Encryption	128 bit WEP/64 bit WEP/WPA/WPA2/WPS
Frequency Range	2.4 GHz
Max. Data Transfer Rate	150 Mbps

- Also enables the connection to other WLAN devices without router or access point (Ad-Hoc)
- Compatible with IEEE802.11n (150 Mbps), IEEE802.11g (54 Mbps), IEEE802.11b (11 Mbps) and WiFi
- Enables radio encryption via WPA/WPA2 as well as 128/64 bits WEP
- WPS: supports automatic setup of encrypted connections (WiFi Protected Setup) by pressing a button
- Data rate of up to 150 Mbps, automatic adjustment to maximum possible speed according to the reception conditions and the remote station
- The high data rate enables e.g. video/audio streaming, network gaming and Internet telephony
- Operating system: Windows 10/8/7/ Vista/XP

WLAN Repeater

hama®

WLAN Repeater "N300, 2.4 GHz, 75 g"

WLAN Standard	802.11 n/g/b (300 Mbps/54 Mbps/11 Mbps)
Frequency Range	2.4 GHz

- WiFi protected setup helps set up encrypted connections automatically
- Additional network cable for configuring the device
- WLAN 802.11n with up to 300 MBit/s for wireless high speed access
- WLAN support for the 2.4 GHz band
- Supports the new IPv6 Internet protocol
- Maximum WLAN security with WPA2, WPA and WEP (128/64)
- Devices (computers, printers, televisions, game consoles, etc.) connected to the LAN port will be WLAN enabled
- Display for connection quality and status
- Configuration possible in the following languages: German/English
- Integrated software assistant for easy setup
- Compact design so you can use the device on nearly any 230V power outlet
- Dimensions: approx. 65 x 42 x 76 mm (L x W x D)
- Weight: approx. 75 g
- Up-to-date WLAN router with WPS support
- The router must support the following wireless WLAN networks: 802.11n (300 MBit/s), 802.11g/a (54 MBit/s)

USB Memory Stick

**USB Memory Stick
"Save2Data", Silver**

Material	Metal/Plastic
Transfer Rate (Reading)	n/s
Transfer Rate (Writing)	n/s

- For direct data transfer between the USB flash drive and an iPhone, iPad or PC/notebook
- With Apple Lightning connection for iPhone and iPad, ideal as external memory
- USB 3.0 super speed for even faster data transfer rates
- Universally usable thanks to the Lightning and USB 3.0 plug type A combination
- Ideal as external memory for iPhone and iPad
- Compact stick with aluminium casing
- With a cap for both connections
- Lightning for Apple iPhone or iPad
- USB 3.0 plug type A for PCs and notebooks
- Authorized for "Made for iPhone" and "Made for iPad"
- Operating system: Windows 10/8/7/ Vista and Mac OS X or higher, iOS 6.0 or higher

64 GB	00124175
32 GB	00124174
16 GB	00124178

Shredder

Shredder "Professional M12CD"

Capacity (Paper)	l
Max. Cutting Speed	1.8 m/min
Max. Feed Width (Paper)	225 mm
Max. Noise Level	58 dB
Protection Class	3
Security Level	4
Security Level (DIN 66399)	E-4/O-1/P-5/T-5

- Bin can be pulled out for disposal of paper scraps
- Castors for ease of movement
- CDs/DVDs/Blu-ray discs can be destroyed via a separate entry slot
- Plastic cards can be destroyed via a separate entry slot, but also via the paper entry slot for smaller scraps
- Especially quiet motor
- Cuts paper into extra small scraps which maximizes the bin's capacity
- High-quality cutters are made of steel and cope with staples
- After maximally 30 seconds of non-use the device enters a power-saving sleep mode (<0.2W), when used again it switches back to operating mode
- Automatic start and stop function with infrared sensor
- Shuts down automatically when the bin is pulled out (contact switch)
- Safety cut-out protects the shredder from overheating and overload; reason for switch-off shown by LEDs
- Separate waste bins for CDs/DVDs/Blu-ray discs/plastic cards and paper

- Vibration technology: bass vibration for the ultimate audio experience; in case of deep basses (e.g. bass drum, machine gun) the ear cushions begin to vibrate and produce a completely new, intense sound
- In-line volume control, microphone mute and switch for bass vibration function
- Adjustable headband and microphone arm
- Padded ear cushions made of fabric for comfortable wearing
- Single-sided cable for ample freedom of movement
- Extra long cable (2.5 m) with fabric jacket for additional kink protection
- Blue Illuminating Effect: blue glow that makes the LEDs shine from the inside out
- Operating system: Windows 10/8/7/ Vista/XP

PC GAMING ACCESSORIES

Accessory Kits

hama

"uRage" FPS Booster Foil for First-Person Shooters

- For applying to a screen: the foil provides support when aiming from the hip and increases the speed and precision when shooting
- No blurring or enlarging of the hit box when running or shooting
- Advantage of an additional slot/perk in some games as you do not need the red dot sight, etc.
- Once applied you will always hit the mark
- Suitable for all first person shooters like Call of Duty, Battlefield, Counter Strike, Team Fortress, DayZ, etc.
- 14 different face shields/cross hairs/motifs in the most popular versions
- Can easily be cut to size, quick to apply
- Removable without leaving any residue

General Terms and Conditions

1. General Information

We shall carry out deliveries exclusively in accordance with the following conditions. The purchasing party shall recognise these conditions of purchase as binding for all future transactions. Any agreement deviating from these terms requires our express written confirmation.

No purchase conditions of the purchasing party that differ from the conditions stated here shall be considered valid unless they have been expressly accepted in writing by Hama. Our general terms and conditions shall be considered accepted upon receipt of the goods, at the latest.

We shall store and process customer information electronically, in so far as this is required for the proper conclusion of the given business transaction, in accordance with all relevant data protection regulations.

2. Quotation, Order and Minimum Order Value

Issuing a quotation does not obligate Hama to accept the order. Changes shall be made in writing. Technical details and illustrations of articles for sale in advertising brochures and other advertising information are not binding features, but instead descriptions or labelling of our products. Factory tolerances as considered usual within the trade shall be considered binding in all cases in so far as no special limits for acceptable deviation have been agreed upon.

Where samples have been provided, Hama shall make every effort to deliver to the quality and specifications of the relevant sample. Slight deviations shall not constitute grounds for a claim on the part of the ordering party.

a) Domestic orders

We shall apply a surcharge in the amount of € 4.00 for orders below the minimum net order value of € 50.00.

b) International orders

The minimum value for foreign orders shall be defined in a separate agreement.

3. Prices

All prices are ex works or warehouse and subject to legally stipulated value added tax at point of transaction. Postage and packaging costs are itemised separately on our invoices, as is transport insurance.

4. Delivery and Period of Delivery

Unless the period of delivery has been agreed upon in written form for a specific case, delivery dates are to be understood as approximate dates to which we shall adhere whenever possible. Should the period of delivery be exceeded, the purchasing party may set an appropriate extension of said period, after the end of which they may withdraw from the contract through written declaration of their intent to do so.

The period of delivery shall be considered adhered to if the object of delivery has left the factory or notification of readiness to ship has been sent before the end of said period.

The period of delivery shall be extended in the event of industrial disputes, particularly strikes and lockouts, as well as unpredicted obstructions beyond our control such as disruption of production, delay in the delivery of essential materials and other such disruptions that demonstrably bear on the delivery of the goods to be delivered. The same applies should such eventualities affect subcontractors. The period of delivery is extended according to the duration of such eventualities and obstructions. Should delivery become impossible or unreasonable, we are released from the responsibility of making delivery.

We are also not responsible for the aforementioned circumstances if they occur during an already existing delay. In important cases, the onset and conclusion of such obstructions shall be communicated by Hama to the ordering party at the earliest possible occasion.

The purchasing party shall have no right to compensation for delayed delivery, unless deliberate or gross negligence on our part can be demonstrated.

We are entitled to undertake partial deliveries in acceptable and reasonable quantities. Disputes over partial delivery do not entitle the purchasing party to refuse further partial deliveries.

5. Shipping and Transfer of Risk

All deliveries take place at the expense of the purchasing party.

The choice of route and means of transport are determined by Hama to ensure the swiftest transportation and punctual arrival to the best of its knowledge but without liability on the part of Hama.

Risk shall be transferred to the purchasing party when the object of delivery is received by the forwarding agent, carrier or other transporting agent – including those that are employed by us – and in any case no later than when the object leaves the factory or warehouse. This also applies to FOB and CIF transactions.

Goods for which notice has been given that they are ready for dispatch on the agreed upon date must be retrieved immediately. Hama is otherwise at liberty to store goods at the cost and risk of the customer as it considers fit, and to charge such goods as ex works or warehouse. The same applies if delivery cannot occur as a result of failure or suspension of transport, or of other conditions for which we cannot be held responsible. Should the ordering party delay acceptance of delivery for more than fourteen days after receiving notification of availability either intentionally or through gross negligence, Hama shall be, after an extension of a further fourteen days, entitled to withdraw from the contract or to demand compensation for breach of contract.

6. Terms of Payment

a) Creditworthiness

In the case of delayed payment and justified concerns as to the solvency and creditworthiness of a purchasing party, Hama is within its rights to demand securities or advance payment for pending deliveries and to make all claims of the financial transaction immediately payable without affecting our other rights.

b) Terms of Payment, Domestic

Payment shall be made in cash or by transfer of funds at a discount of 2 per cent of the invoice amount if made within ten days, or without any discount on the fixed price if made within thirty days. Payment shall be made irrespective of receipt of goods. In the absence of other agreements, advance payment shall be required. Payment by the ordering party shall be considered in default if such payment has not been made within the payment period starting upon receipt of the invoice. Set-off and retention rights shall only be granted to the ordering party if counterclaims are legally recognised, beyond dispute or recognised by Hama.

We only accept rediscountable bills of exchange from the Bundesbank by special arrangement and on account of payment. Bills of exchange or cheques shall, subject to receipt, be credited with the value date of the day on which Hama shall finally have access to the proceeds. All costs incurred thereby are the responsibility of the purchasing party.

If the payment deadline is exceeded, article 288 of the German Civil Code shall apply.

c) Terms of Payment, International

Only written terms of payment are valid for export trade. In the absence of such agreements, advance payment shall be required.

7. Retention of Title

Hama itself shall retain title of delivered goods until such time as the customer has made all payments resulting from the transaction, including those covering interest and costs, and any necessary balancing of a current account and any cheques or bills given in payment have been fully honoured.

As long as payment resulting from the transaction remains due, the following shall apply:

The purchasing party is within its rights to sell, process or use goods subject to this retention of title within the normal course of business. Should the purchasing party be placed in default due to outstanding payments, all factory-condition goods in the hands of the purchasing party and/or goods still to be received shall be put at our disposal.

Should any goods to which Hama maintains title be sold, all claims to reimbursement shall be transferred to Hama without any particular act of transfer being required when demand is made.

The purchasing party may collect such claims as have been transferred to Hama, but must immediately redirect collected funds to Hama. The same also applies to all claims arising from any other service provided by Hama.

The purchasing party is not entitled to pledge goods or ceded claims or to use such goods or claims as securities. Hama must be immediately notified of seizures by third parties. The purchasing party is obligated to insure goods against fire damage and theft and to furnish proof of insurance upon request. The retention of title extends to cover new items produced by processing. If property of the purchasing party is mixed or combined with items owned by Hama, Hama acquires partial ownership under articles 947/948 of the German Civil Code. On the request of the purchasing party, Hama shall release its securities in so far as the value of our securities exceeds more than 20% of the claim on a non-temporary basis. The choice of securities to be released lies with Hama.

8. Claims for Defects and Warranty

a) Claims for Defects

Hama warrants that its goods shall be free of material defects and defects of title at the time of transfer of risk. The warranty period begins with receipt of the goods by the customer and lasts two years.

Received goods shall be checked on receipt as to proper quality. The purchasing party shall notify Hama of any detectable defects in writing within fourteen days of receipt of goods. Hidden defects shall be reported in writing as soon as they are detected, at the latest within two years after receipt of goods. In the event of justified complaints made within the appropriate period, Hama shall rectify the defects, exchange the goods, or issue a credit note at its discretion.

b) Warranty

Hama warrants some of its products as indicated on the relevant product warranty card. Defects of material or fabrication shall be rectified within the warranty period by repair or replacement at Hama's discretion.

The warranty does not cover claims for damages of any kind, particularly not for replacement due to consequential damage. If the device in question is still under warranty, it shall be sent to Hama along with details of the defect and the dealer's receipt as proof of warranty.

c) Voiding of Claims for Defects and Warranties

In the case of defects caused by force or improper use, as well as in the case of repairs or actions by the purchasing party or third parties without our express written consent, the right to claim for defects and the warranty become null and void.

In the case of articles subject to wear and tear, no damage resulting from use over and above appropriate norms shall constitute a defect.

d) Reimbursement of Expenses

Reimbursement of expenses pursuant to article 439 II of the German Civil Code shall be agreed with Hama on an individual basis. This only applies to purchasing parties who themselves sell the goods they receive to private individuals. Any further liability for other reimbursement of expenses is excluded by Hama. The purchasing party has no other rights.

e) Postage and Shipping Costs

The sender is responsible for initially paying the postage and shipping costs for any shipments sent to Hama relating to claims for defects, warranties, product liability claims and similar matters. These costs will be reimbursed once the validity of the claim is acknowledged.

9. Disclaimer

Regardless of the legal basis of such claims, our liability for damages is limited to intentional acts and gross negligence, including intentional acts and gross negligence on the part of our representatives and agents. In so far as no intentional breach of duty exists, liability is limited to foreseeable damage that typically occurs. In the case of breach of an essential cardinal duty, we assume liability irrespective of the degree of fault. However, our liability is limited here to foreseeable damage that typically occurs.

Liability due to non-accidental injury to life, limb or health is not affected. Liability is also not affected in so far as it is mandated by the German Product Liability Act, in the case of wilful deception or if a warranty is provided.

10. Returns

If it is necessary to clear merchandise, the scope and execution is generally to be clarified with us or with our field service. The following products are excluded from merchandise clearing: storage media, picture frames, opened display items, items with minimum order quantities and products that have been discontinued from our line. We also reserve the right to exclude from merchandise clearing individual product ranges that might be damaged during transport, that were delivered as part of a sales campaign or that could result in increased costs/procedures for returns and disposal. Goods must be returned in the original packaging and with all shipping costs paid by the sender. The invoice belonging to the original delivery must accompany the shipment. Credit notes on the return of goods may only be charged against new orders of goods. Credit notes are subject to relevant deductions. Handling costs are set at fifteen per cent of the credited value of goods.

11. Applicable Law

The material law of the Federal Republic of Germany shall apply. International law on the purchase of moveable goods shall not apply, even if the purchasing party has headquarters abroad.

12. Place of Performance and Jurisdiction

The place of performance for both parties is Monheim, Bavaria, Germany. In the event of any disputes arising from contractual conditions, all lawsuits are to be filed at the court whose jurisdiction covers our headquarters if the ordering party is a merchant under commercial law, a legal entity under public law or a special fund under public law. We also reserve the right to file lawsuits at the location of the headquarters of the purchasing party.
