### SAFETY IS OF UTMOST IMPORTANCE AT SIERRA AUCTIONS

We ask that you cooperate with us by abiding by our safety rules::

1. If you see an unsafe condition, please notify a Sierra representative immediately. We have representatives stationed in each selling room as well as outside.
2. Sierra has been a family affair since we opened the business. However, due to safety concerns and large crowds, it has become necessary for us to initiate a policy of **NO CHILDREN UNDER THE AGE OF 13**. We hope you will cooperate and understand the need for this policy.
3. Service dogs are the only animals allowed on the property. This is also for the safety and well being of our customers.
4. Please watch for moving auction carts and move quickly when the carts need to move. This will keep you safe and allow the auction to move rapidly.

**Load out of each room and locations in the yard** will be permitted after the last lot is sold. Remember, no removal is permitted without a paid receipt. It is the buyers' responsibility to remove all items purchased. A Sierra representative will assist when possible. Sierra is not responsible for breakage or damage that occurs during removal.

Please go to the Information Booth for any questions. If the booth is not manned, look for a Sierra representative.

## AUCTION TERMINOLOGY

The following is a list of words or terms that you should be familiar with when bidding. If you have questions about any of these terms or any others that the auctioneer may use, we encourage you to familiarize yourself with them prior to bidding.

**Times the money:** The expression “times the money” is used when two or more like items are being sold at one time; in this instance your bid is multiplied times the number of items being sold. Example: Lot number 142 is four identical Cell Phones and the auctioneer announces that the auction lot is being sold “times the money”. The high bidder purchased lot 142 for \$100. In this example, the successful bidder bought each of the four Cell Phones for \$100.00 for a total of \$400.00 (4 x \$100= \$400).

**Choice:** On occasion, there will be multiple lots of identical or similar items sold consecutively in the auction. In some instances the auctioneer will sell those consecutive lots via “choice”. When selling “choice”, the auctioneer is offering more than one item up for auction at a time. The winning bidder then has the choice to take one item or multiple items. If the bidder wishes to take more than one item, the bid price will be multiplied by the amount of items the bidder chooses.

**Choice in Order:** When the auctioneer announces that the items are being sold “Choice in order”, it means that the buyer may choose to take the first numerical lot of those announced as currently being sold, or as many as they choose to take, but must take them in sequential number order, and will pay the bid price for each of the lots that the successful bidder wishes to purchase.

**AS-IS:** Selling the property without warranties as to the condition and/or the fitness of the property for a particular use. Buyers are solely responsible for examining and judging the property for their own protection; otherwise known as “As Is, Where Is” and “In its Present Condition.”

**Bidder Number:** Individually numbered card with your unique bidder number. This will identify you to the auctioneer as the successful bidder.

**Bidder Registration:** The process of registering your identity and ability to pay for successful bids. This is essential before bidding.

**C/W** - Comes With

**A/T** - Automatic Transmission

**M/T** - Manual Transmission

**CNG** - Compressed Natural Gas

**DEPOSITS:** Bidders may be required to place a refundable deposit for any assets being sold by Sierra Auction. Your deposit will be refunded to you upon full payment for your purchases or may be applied to the payment of your purchases. If you do not win any bids your deposit will be refunded to you upon request, less any applicable transaction fees (typically 3% of the deposit if a credit card was used). Deposits will be refunded within 60 days. Sierra reserves the right to require the purchaser(s) of certain lots to make an additional deposit, within 30 minutes of Sierra's request, in Sierra's sole and exclusive judgment. In the event the Buyer fails to place the required deposit, Sierra, in its sole and exclusive judgment, may declare the buyer in breach of contract, and re-auction the lot, and bar the Buyer from future bidding. Buyer will forfeit their deposit, and be liable for any loss or other cost the consignor and/or Sierra incurs in re-auctioning the lot.

**BUYER'S PREMIUM:** The Buyer's Premium is specified in the special terms and conditions. You are responsible for reading, understanding, and accepting Sierra's current fee structure listed in the catalog and online for those fees specific to the auction in which you are participating.

**TAX EXEMPTION QUALIFICATIONS:** All sales are subject to all local, state and federal taxes including sales taxes unless you have all valid forms on file with Sierra PRIOR to the auction. Forms include sales tax exemption certificate acceptable to Sierra and to the state of Arizona, completed Arizona Form 5000, and, if you purchased a titled asset, a separate automobile dealer exemption certificate/license. You will not be granted tax exemption post-sale if these forms are not completed to the satisfaction of Sierra.

**OTHER FEES:** Sierra charges additional fees as specified in the current fee structure listed in the special terms and conditions. It is the Buyer's responsibility to be familiar with these fees and agree to them prior to bidding.

**PAYMENTS:** All payments are to be made in U.S. funds. A DAILY LATE PAYMENT FEE shall be charged on all lots not paid for in full by 4:00 PM on day payment is due. Refer to special terms and conditions per auction for payment due dates. The DAILY LATE PAYMENT FEE SHALL BE equal to 3% of the outstanding balance of each lot or \$10 per lot, whichever is greater. Any lot not paid for by 3:00 PM on the third workday following the payment due date shall place the Buyer in breach of contract. Sierra retains all its legal rights, including, but not limited to suing Buyer to compel specific performance, and/or declaring the Buyer in breach of contract retaining the deposit and barring the Buyer and Buyer's agents from all future auctions. Sierra, at its sole discretion may offer the goods for sale in a private sale or any future Sierra auction. Buyer shall be responsible for any deficiency, including late payment fees and storage fees. Buyer shall have no right to any excess funds such sale may generate. Sierra reserves the right to require certain Buyers or certain lot purchasers to pay cash only. Sierra reserves the right to change the fee structure, refuse to accept certain credit cards, and/or require cash payments in its sole discretion.

**ANNOUNCEMENTS:** Any announcements made by Sierra staff or auctioneers on the day of the live/online simulcast auction shall take precedence over any previously distributed information or advertising. By participating in the auction, you have agreed to abide by these announcements.

**ADDITION TO OR WITHDRAWAL FROM SALE:** The auctioneer reserves the right to withdraw from the sale any property listed and also to add property not listed to the sale. Also, the auctioneer may group lots or subdivide lots in order to benefit the seller.

**ALL SALES ARE FINAL. ALL ITEMS ARE SOLD "AS IS-WHERE IS," WITH ALL FAULTS AND WITHOUT WARRANTIES.** Catalog, web, and ad descriptions are NOT GUARANTEED. Sierra is not liable for any errors, omissions, or inaccuracies in the catalog or other written or verbal descriptions even if caused by Sierra's gross negligence. Bidders are responsible to thoroughly inspect items before bidding and to satisfy themselves of such matters as to suitability, marketability, completeness, year, make, model, and/or condition. IF YOU ARE UNSURE AS TO ANY MATTER, SIERRA URGES YOU NOT TO BID. YOU MAY NOT RELY ON SIERRA'S DESCRIPTIONS OR INFORMATION, WRITTEN OR VERBAL. The auctioneer reserves the right to reject any and all bids. On lots upon which there is a reserve, the auctioneer shall have the right to bid on behalf of the seller. All auction sales will be recorded by audio and/or in writing. This recording of the bidder's number and the bid amount shall be prima facie evidence of the circumstances of the sale, and all disagreements will be resolved with this record. Please clearly show your bidder number to the auctioneer. Please confirm the auctioneer correctly states your bidder number and the final bid amount. Sierra is not responsible for any loss or damage to any sold auction items. Title (ownership) and risk of loss or damage transfers to Bidder as soon as each individual lot is sold, subject only to Sierra's right to reconcile the auction. Errors by auctioneer shall make the sale voidable at auctioneer's sole discretion. Sierra is not responsible for accidents, damages or stolen goods. All counts are approximate.

Purchaser should monitor their purchases during the auction; if it is damaged or missing it is the bidders' responsibility. Sierra urges all Bidders to remove all lots from the auction site as soon as possible and no later than the close of business on auction day, with safety and security as the top considerations. **ABSOLUTELY NO REFUNDS.**

**AUCTION TERMINOLOGY:** It is the responsibility of the bidder to understand the manner in which items are being sold. **THE BIDDER MUST UNDERSTAND WHAT HE/SHE IS BIDDING ON AND HOW IT IS BEING SOLD; IF NOT, ASK OR DO NOT BID!**

**BIDDER ERROR: NO REFUNDS FOR BIDS MADE IN ERROR.** Operator error, keystrokes mistakes, misunderstanding of auction structure, and other are bidder's sole responsibility.

**REMOVAL OF PURCHASED ITEMS:** No item may be removed from the auction site until it is paid for in full and partial payments will be considered additional non-refundable deposits towards the purchase. To avoid daily storage fees, all lots must be removed from Sierra's facility on the date specified in the special terms and conditions. In certain situations, Sierra, in its sole and exclusive judgment, may allow certain lots Sierra deems difficult to move to be removed on date mutually agreed upon. A DAILY STORAGE FEE of \$5.00 per lot, per day for non-titled lots, and \$20.00 per day for any lot that has a title shall be charged for all lots not removed on specified removal date. Lots larger than a standard pallet shall be charged \$5.00 per day for every 15 square feet of storage space utilized. Sierra DOES NOT OFFER STORAGE SERVICES. Any item not removed within 72 hours following the removal date or the mutually agreed upon date will become the property of Sierra, WITHOUT EXCEPTION. Any unsalable items that are not removed will be disposed of at the Buyer's expense. Buyer is solely responsible for the safe removal of all their purchases. Sierra, at Buyer's request, and in its sole discretion, may assist Buyer in the removal of its goods. Buyer may be charged Sierra's current hourly rate, per workman and forklift or other equipment utilized. In the event any work is requested after 3:00 PM or on non-standard Sierra workdays, Sierra may charge Buyer 1.5 times its standard hourly rate. Buyer shall hold Sierra, its employees, officers and directors harmless for any and all damage, injury or liability regarding the removal of its purchases, notwithstanding Sierra assistance in item removal. All lots and purchases must be removed in full. No removal of partial lots shall be allowed; inquire about shipping options.

Neither the auctioneer nor his principal shall be liable by reason for a defect in or condition of the premises on which the sale is held.

**SELLER CONFIRMATION AND UNRESERVED ITEMS:** Sierra's policy allows our consignors to determine if they wish to place a minimum bid or "Seller's Confirmation" on any lot. All other lots will be sold to the highest bidder. However, Sierra reserves the absolute right, in its sole and exclusive judgment, to withdraw any lot from sale, or add new lots to the sale at any time up to the item being declared sold.

**TITLES AND TEMPORARY VEHICLE REGISTRATION:** Vehicle titles will be issued in the name of the registered buyer only. No open titles. In some instances, Repossession Affidavits or court documents will be given in lieu of a title. These documents allow a buyer to obtain a valid title at any state authorized title agency.
