COMBI OVEN-STEAMER

## Stacking Stand for one Convotherm 6.20 Combi and one Convection Oven

### Convotherm Standard Features:

- Stand frame constructed of 1 1/2" thick wall, square tubing
- Solid top for directing heat away from Combi
- Crossbar supported on three sides
- Corner gussets for additional rigidity
- 16 gauge stainless steel table top
- Four, one (1) inch high locator pins for mounting 6.20 combi on stand
- Stand restraining device (CBST62042CA only)
- Four level adjustable flanged feet (CBST62042 only)
- Four heavy duty 3" diameter swivel casters, two with brakes (CBST62042CA only)
- Service friendly and easy to clean
- UL Sanitation approved, according to NSF2 standards

### Notes:

- The stands are designed to accommodate full or half size gas or electric Convection Ovens
- The stands are built to support all Convotherm 6.20 Combi models
- The Convection Oven must always be installed on the bottom

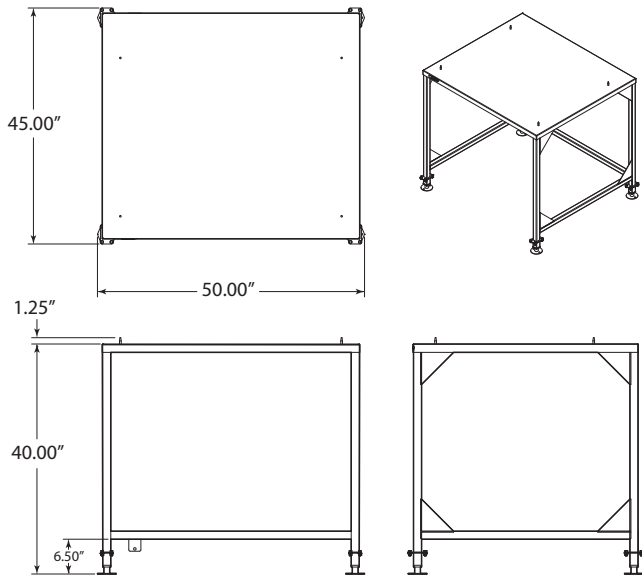

- MODEL:**  CBST62042 (PN 112433) (with legs)  
 CBST62042CA (PN 112421) (with casters)
