A1

A2

A black and white anatomical illustration showing a mandible (lower jawbone) and a maxilla (upper jawbone). The mandible is positioned above the maxilla, with its teeth and body clearly visible. The maxilla is shown with its nasal cavity, orbits, and teeth. The word "MANDIBLE" is printed in capital letters to the right of the mandible.

MANDIBLE

P-1

P-5

Dactylopusia tisboides (Claus), a species similar to *D. paratisboides*.

Figure (in WORMS) from Sars, 1905
